## **TO YOUR HEART**

**“Set your minds on things above, not on earthly things. For, you died, and your life is now hidden with Christ in God. When Christ, who is your life, appears, then you also will appear with him in glory...” (Colossians 3:2-4)**

My dear brother! My faithful friend!

Lord can only confirm in your heart the excitement, by which I am taking up to write this book. Lord can only convince you what worth of oppression and persecution has been paid for the appearance of the prophetic visions, written below. The Truth is that somebody must really stand in the breach until God show His Mercy and lead His nation out of the slavery in Babylon. I share all this with you, so that you might understand that everything in this prophetic book deserves your reverence and thankfulness before Father. For, God will open the eyes of your heart and will show you things, which nobody but Him might talk about.

For the last years, my destiny was interwoven with the fates of hundreds and thousands of people. To some of them, Jesus related me in deep and heartily love, independent on the storms and fury of the devil. Others, however, retreated and turned back as fast and categorically as their approaching was. Such retreats began to hurt my soul. I was praying and weeping before the Lord and I wanted Him restore and confirm the retreated men. What is more – I had a perfect hope that it would really happen. However, could I know that the retreat itself was a signal that there was some obstacle in the way of my faith? Could I know that Death had exactly stood there, on the way before my heart? Both the panic of the retreated men and their categorical escape were due to their fear of Death...

These thoughts would certainly astonish somebody, who has not met the God's Prophetic Spirit and who has not tasted from the prophetic Word of the Most High God. However, such Death must not be surprise for that one, who has taken the way of denying the world and the worldly church. What is more

– every one of us would have to wish it and really to die... To die, it is a real privilege and acquisition for some men; for others, however, it is nothing but a tragedy. Some men use the exceptional and splendid chance to show God Father that they love His Son more than their own soul; others, however, consider it to be something unthinkable. This second category of men exactly, escapes the Death for God. Such men are looking for whatever opportunity to confirm their living egoism and consolidate it upon their human infallibility and self-righteousness. So, just in the moment, when Jesus commanded me to think over this Death, which was standing on the way of faith, I went deep in the Word of my Heavenly Father. There, I saw how the way of the God's people had surely been marked by clashes with people, unwilling to rise above the spirit of this world. Whenever anybody has dared to use the God's Power and to appear the example, by which we should look for the better Heavenly homeland, mutters have risen amidst the fleshly and earth men; at first – like a whisper in the ears, and then – like a deafening and explosive tide of discontent. Now, look how the book "Exodus" talks about the mutter of the Israelites against their spiritual leader Moses:

**"They said to Moses, "Was it because there were no graves in Egypt that you brought us to the desert to die? What have you done to us by bringing us out of Egypt? Didn't we say to you in Egypt, "Leave us alone; let us serve the Egyptians'? It would have been better for us to serve the Egyptians than to die in the desert!" (Exodus 14:11-12)**

Are you able, my dear brother, to look at these evil mutters not through your mind, but through your heart? Tell me what is better for the God's nation: to fill the graveyard of Egypt or to enter one New Grave, left for us like an example in the Gospel of the Son of God? For, Father called His Son out of Egypt! So, Jesus had to leave this place and come in the desert, too. After having been tested and confirmed, He had to come back from the dry sands, filled with the Power of the Holy Spirit.

In Egypt, however, there really are too many graveyards, which are a heartily target of the great part of multitude; that is why it was inevitably for this book to appear. It was simply waiting for its time and this time really came. Now, the God's Prophetic Spirit not only entreats; He commands to all people to go out of Egypt. He calls them not only to go out, but to be ready to

die for the God, as God Himself died for them. In this death for the God, there are marks. These marks are in bright contrast to the example of those men, who seek the death for the devil and in his name. In each death, man dies for one thing, and enlivens for other. So, death itself was nothing but a door to another dimension and other world. The question is:

Which dimension and which world people like today? Are they dying to the world of the devil, in order to find the world of the God? Or, they are dying to the world of the God, in order to find the world of the devil?

Looking backwards in the time – from the position of a man, whom Jesus has shown Kindness and Mercy – I can tell you today that the whole prophetic word, given to me from the King of Zion, has been a row of death-blows by the God's Sword. Through these blows, God kills what is ours, so that His Own might appear! Through them, everything perishable gives a place to the imperishable! These blows should be explained with the necessary anointing and inspiration, so that everybody might come to know of the two deaths and two lives, appeared into the being of the mankind.

The first death and the first life:

This is the death and corruption of the pure moral principles, after which the devil opens in the hearts doors for the life of his demons and unclean spirits!

The second Death and Life:

This is the Death of the fleshly thoughts and passions, after which God opens doors in our hearts for the Life of His Son through His Spirit!

Each one of these deaths will lead the man to the place that is a mark of death. This place is the grave...

When I knew about the place of the two deaths and wanted to put in order my thoughts through the pure biblical knowledge, the devil came very furious against my heart. He did not want me go deeply in these spiritual realities; he was afraid of the appearance of a new book. So, the strong wind of hatred and depression began to blow against my heart. Nevertheless, it could not stop Lord Jesus. My Lord came to my heart, suffused with Heavenly Light and Glory. He stretched out His hand, caressed my head and said:

**“This book, by which I am going to inspire your heart now, will be more different than all the rest books, which I have ever given to you.**

**Most of all, which I have ever revealed to you, I want to show you the Door to the Heavenly Life and the Heavenly Glory. If you follow the Son of Man with sincerity and purity in your hearts, you will surely be able to follow Me and will not be afraid of anything. Then, tell Me:**

**Did I allow to your heart to follow Me in Heavenly places? Did not I bless in such a way My brothers and sisters through you?"**

"My Lord! Your Faithfulness, Kindness and Mercy are so abundant that I would never find words in my mouth to give You the Glory, becoming to You. I am very little and weak to comprehend Your divine Power; that is why I left the deeds to speak instead of the words. For, You always raised me over the death of this world. You were filling my heart with the divine sparkles of Your Holy Wisdom and You were giving them to me to bring them like a kindled lamp to all my fellows..."

**"And, did you know that every time, when I visited you, something in you was irrevocably dying? Did you know that all your groans and tears, which few people were witnesses to, were exactly your separation from the ties of death and the world? Did you know that, every time, when I broke any of your ties, I exchanged it for other tie of Mine? So, I really loved you with ties of everlasting love..."**

**Then, tell Me: Was the Death for God and in His Name sweet for you? What did you feel, when Lord your God was hanging over your human longings and dreams to defeat and burning?"**

Listening to the words of Jesus, I felt how powerful wave of God's presence passed through the whole my being. Then, I answered Him:

"Jesus! I would lie if I tell You that I have felt well. I did not feel well; I felt as if I was into a grave. Everything mine was dying into this grave; in the same time, Your things did not immediately come. While I was waiting in pain after the dying things, I often became an opponent of Yours with my confessions of pusillanimity and desperation. You, however, remained so faithful to me that You did not count the sin of my lips, but You left me dying to the world. And I am still dying, Jesus!"

Jesus looked at me with immense tenderness. Then, such a ray went out of His eyes to my heart that, from its touch, I already knew with assurance that, before me, my Lord had passed through everything that I had to

experience myself. Therefore, I bent my head down and I raised my hands up to Jesus, telling Him:

"My Jesus! I do not know by what I am of any use to You and how You look at the deed of my hands. Now, however, I am exactly what You can see and nothing but what You would be able to see. I want, my Lord, for You to remember the sobbing of my soul. I hope that You will never forget the disgrace, by which many covered my face and my name. For, my heart is exceeding sorrowful and the words of the psalm are coming to it:

**"Because of all my enemies, I am the utter contempt of my neighbors; I am a dread to my friends - those who see me on the street flee from me. I am forgotten by them as though I were dead; I have become like broken pottery..." (Psalms 31:11-12)**

Jesus listened to my words with a great attention. Then, He told me:

**"As you confess yourself, you really died in the hearts of many. For, they had not the faith to see that Lord Himself had commanded for you to die. So, they were not attentive in the deeds of the Lord's hand. And this hand, Stefan, will do today the ancient signs of the God's Prophetic Spirit. For, even if you died in the hearts of many and they rejected you like a despised and useless vessel, your deeds rested living, since they have been done for the God and through the God. Now, look at one, who also fulfill his deeds for the God and really died. Despite he died, however, there, in the grave, his deeds remained living in order to bring Life..."**

After these words, Jesus touched my head and a vision appeared in front of my eyes. I could see a high rocky mount, on which about ten people were standing. They had surrounded a dead man and were ready to bury him. Suddenly, in the distance behind the mount, I could hear screams, which startled the men. Most of them climbed up the rocks and noticed a group of enemy soldiers that was coming to them. Having no time to prepare a grave for the dead man, the men approached the rock and began to push a huge stone. So, I understood that there, on the rocky mouth, there was a tomb, in which other man has been buried beforehand. While I was looking at the vision and at the cavalry, coming closer and closer with wild cries, Jesus told me:

**“Let us go close to these Israelites. For, they had no time to lay the man in a separate grave, according to the habit; therefore, they are going to do something else...”**

Indeed, after the words of Jesus, I could already see how the Israelites had opened the other man’s tomb. They caught the dead man with their hands and quickly tried to lay him inside it. Exactly then, Lord gave me a sign to follow Him in the tomb itself. Those men had just thrown the dead body inside and were hurry to go out and flee from the approaching enemies. Jesus pointed with His hand at the corpse of the dead man that was rolling down the stairs, cut into the rock, and told me again:

**“Look what is going to happen now! For, this is exactly the sign!”**

In the next moment, Heavenly Light went out of the Lord’s hand and shone the tomb itself. Then, I noticed how the rolling down corpse of the man finally stopped, and its body touched the white bones of the other man, buried in the tomb before him... In this moment, a strong God’s Light went out of the bones. This Light touched the head of the man and made him revive. So, the revived man stood up and stepped on his feet. He was very puzzled that he was in a tomb. When he saw that Light was going out of the white bones, he only succeeded in saying:

“I give to You Glory, Oh, God of Heavens! For, I was dead and I came back to life through your dead servant. And I saw with my eyes that there was more Life in his bones, than in the men, who live on the earth...”

After these words, the revived man bent his head to the bones and bow down, and the very place of this miracle was filled with sweet fragrance.

This was a real divine miracle! Where death had come, Life appeared! Where stench had to reign, the splendid aroma of lilies of the field and violets appeared. I raised my astonished look at the Lord and I told Him:

“Jesus! I understand now that You gave to my heart to see that event from the “Second book of the kings”, where the man touched the bones of the God’s prophet Elisha and came back to Life. He found Life in the grave. As to those, who threw him into the tomb of Prophet Elisha, they kept fleeing from death...”

Jesus smiled to my words and His Face shone. Then, He asked me:

**“Do you understand now that, even if the prophet would die, his bones can not die? Do My people understand now that, even if Babylon would sentence to death My prophets, God will certainly revive many through their bones and will restore them in His Life? Behold, Stefan! The deeds of Elisha were exactly testifying to his bones! Those, who are born by My Holy Spirit, should certainly have the Wisdom to comprehend that, even if the prophets die because of the devil’s fury, the Spirit rests alive because of their righteousness. For, to die for the God’s deed and to find the Grave, which God has pointed for your death, it is the most perfect appearance of My Gospel... Today, when I am calling to all My people to find My Grave, I tell them:**

**Once, one man touched the bones of Elisha and revived! Now, I will lead the men, pointed by My Father, to My Own Grave, in which the prophets of My Father have found their death. They have died for the sake of Mine, and have found the Eternal Life that the Son of Man has promised them. How many of you want to die for the sake of Me? How many of you are ready to bury themselves, so that I might live in them? How many of you are ready to resist the love to the world and its prince, so that their eyes might open for the True messages of My Word? How many of you saw in the prophets, sent by Me and My Father, the example, which would lead you to the Grave of the Son of Man? How many of you noticed that My Grave was a new Grave, cut into the Rock, so that the Rock Itself might testify you to the solidity and firmness of the Son of Man? How many of you took off the masks of hypocrisy and the rose-coloured glasses of deceit from the eyes of their hearts, in order to read the testimony of My Apostle that was Spirit and Truth? For, My humble servant wrote to all of you, but not all had purity and sincerity, firmness and faithfulness to live his words that declared:**

**“Or don't you know that all of us who were baptized into Christ Jesus were baptized into his death? We were therefore buried with him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life. If we have been united with him like this in his death, we will**

**certainly also be united with him in his resurrection. For we know that our old self was crucified with him so that the body of sin might be done away with, that we should no longer be slaves to sin - because anyone who has died has been freed from sin. Now if we died with Christ, we believe that we will also live with him. For we know that since Christ was raised from the dead, he cannot die again; death no longer has mastery over him. The death he died, he died to sin once for all; but the life he lives, he lives to God. In the same way, count yourselves dead to sin but alive to God in Christ Jesus..."**

**(Romans 6:3-11)**

**Here, the Lord's mouth opens in fateful appeal to each heart that has been touched and purified by My Holy Spirit. I say to all of you:**

**Do not be "Romans", even if the Paul's message was addressed to the Romans! Reject the worldly spirit and the life in the world and sin! So, you will be able to find the Grave, in which the faithful and true men die, in order to resurrect together with the Faithful and True One!**

**For, although most people sleep, their enemy the devil does not sleep. He rises with deceit and wickedness the last generation of Pharisees and teachers of the law; so, he provokes the men to follow the whitewashed tombs, instead of the Holy Grave of Righteousness. Therefore, I command you:**

**Follow Me in the visions, which I am going to reveal to My servant now. So, you will see both the whitewashed tombs of abomination and the Holy Grave of the God's Justice. There, in My Holy Grave, the bones of My messengers are waiting for you! They are waiting for you to touch them and to revive; and, when you revive, to take the Way of Glory and triumph..."**

After these words, Lord touched again my head with His hand, and the vision with the tomb of the prophet Elisha stopped. Nevertheless, that sweet fragrance of blossomed flowers rested in my spirit, as if to prepare my heart for the next splendid appearance of the God's Kindness and Mercy.

Amen and Amen!

# THE WHITEWASHED TOMBS

## ~ FIRST PART ~

---

### 1. THE VISION WITH THE DEAD MEN'S BONES OF HYPOCRISY AND IMPURITY

My brother! My faithful friend!

There are many words, by which man could express his attitude to the abominations that surround him. However, from the vision that Jesus showed to my heart, my whole attitude was gathered in one word: the word "disgust". Everything most cruel, disgusting and abominable was exactly there – in the whitewashed tombs of wickedness. However, let me not anticipate the vision itself and tell you by what words Lord came to my heart. Here what He told me:

**"There are many words of Mine in the Gospel, which My Church has not understood by now. The believers are reading My words, but they neither understand them, nor pay attention to them. Only few want to receive that the words of the Son of Man are Spirit and Life and that flesh in not of any use for whatever man. My Gospel has remained hidden and concealed for many. For this reason exactly, My Father sends His servants, the prophets to the churches today – to speak His Word in unsuspected depths and revelations. So, there will be light for the blind men, and the deaf ones will hear the sound of the trumpet. Now, when I am again next to you, I want to show to all My faithful and alert people what I had in mind, when I called the Pharisees "whitewashed tombs" once. For, they were really such tombs. Death has taken a place in them: not that death, by which you revive for the God, but the other terrible and cruel death, by which you revive for the devil. And the place of each death is in the grave. That is why your Lord showed in the Gospel both His Own**

**Grave and those impure and depraved tombs, by which the devil attracts people to himself.**

**Then, look at such one whitewashed tomb! When you go after Me and see everything, which it is gathered behind its walls, then, give this vision to My brothers and sisters..."**

After His last words, as usual, Lord touched my head with His hand and a vision appeared in front of my eyes. My eyes could see a stone building, which was outwardly attractive for the eyes. Everything on this building was white. This whiteness was so blinding that it was visibly intruding upon the eyes. It looked out that the tomb itself was artificially laid on its place, so that it might differ from everything around it. While I was looking at the tomb, Jesus approached me and asked me:

**"Do you notice how glaring the whiteness of this tomb is? Do you notice how it attracts the eyes and makes them believe that it is a personification of purity?"**

"Yes, Jesus! That is really right! Looking at such building with the eyes of his heart, man would really receive that it offers a plenty of pureness..."

**"Then, let us go close to it! For, you must surely know about the deceit, by which the devil attracts the men..."**

After these words, Lord goes to the white tomb, and I followed Him. The Saviour was only a step away from the walls of the tomb, when He raised His hand and told me:

**"Now, My boy, stretch out your hand and touch with your fingers the wall of this tomb..."**

Listened to the Lord, I stretched out my hand and touched the white wall. Then, white and fine dust rested upon my palm. Jesus, Who was looking at me with great attention, said again:

**"I want for you to feel that sensation, which all pure in heart men feel, when they touch their hearts to such a tomb. Therefore, bring your palm nearer to your lips and taste the white dust, which stuck on your hand..."**

I was surprised by the command of Jesus, but He was very insistent. Therefore, I brought my palm close to my lips and I slightly licked the dust. Then, my tongue was set on fire, so that the whole my mouth was inflamed. It was a

terrible sensation. I already knew inside me that poison had fallen into my mouth. While I was trying to tell Jesus to stop the activity of the white dust, I felt with much greater terror that I could not pronounce even a word with my tongue. It was even if the poison had deprived me of the ability to talk to Jesus. What is more – my tongue was swelling and was coming out in a rash more and more, so that this experience threatened to turn out into a tragedy...

In this moment, Jesus took pity on my state. He stretched out His hands to me and cupped them. Then, a miracle happened. The cupped hands of my Saviour instantly filled with crystal limpid water, which was reflecting the rays of the rainbow. Then, Lord said:

**“Drink, Stefan! When you wash your lips and your tongue from the poison and fire of haughtiness, spit out the impurity!”**

Blessed Lord! You really know how to rescue Your people from the pests of the evil one!

I could already feel how the water from the cupped hands of Jesus was perfectly calming my lips and my tongue. And that white dust, washed out by the water of Life, gathered like impure phlegm, which I hurried to spit out. Then, Jesus asked me again:

**“Do you understand that this whiteness is deceitful? Do you understand that this wall has been whitewashed by the poisonous lime of the evil one? From afar, it impresses the eyes; nevertheless, when the pure men taste it, they understand that it does not testify to the Holiness of My Father. Therefore, write and say to all My faithful people the words I am telling you now:**

**THE HAUGHTINESS IS THAT WHITE LIME OF THE DEVIL, BY WHICH HE ADDS DECEITFUL LUSTRE AND PURITY TO HIS CURSED TOMBS!**

**This lime makes the haughty and conceited men feel themselves purer than the rests. This lime makes them feel a loathing for the sinful men; in the same time, they can not understand that they live in much greater sin and death than them. This is the lime, which Father commanded like a curse over all earth nations, who would submit to the false gospel of Babylon, instead of to the witnesses and followers of the Son of God. This is the lime, of which prophet Isaiah proclaimed,**

**when he spoke the words of the Most High God against the servants of wickedness:**

**“You conceive chaff, you give birth to straw; your breath is a fire that consumes you. The peoples will be burned as if to lime; like cut thorn bushes they will be set ablaze...” (Isaiah 33:11-12)**

**Tell Me then: Which is the most high thing of My Father? Which is the limit of the faith in God? Is not that Holiness? Is not this the reason for my Father to pour out His Holy Spirit upon all of you? Holy Spirit exactly, My boy! This is a Spirit, sent to make you Holy. And, if whiteness is becoming to Holiness, then, which is the highest target of the devil?**

**Is not this his haughtiness? Do you understand then that haughtiness stands against Holiness? And the whiteness of lime opposes to the bright and fine linen. That is why the tombs of Babylon are covered with the white lime of pride and exalting. Now, see how the vision will continue, because you are still in its very beginning...”**

After the words of Jesus, I noticed how two men approached the white tomb. When they saw its whiteness, they immediately reacted. Then, the first one told the second:

“Look, my brother! Look what purity and whiteness! Have not we been looking for this all our life?”

After these words to his companion, the man approached the wall and touched it with his hand, so that the white dust stuck on his palm. Looking at his whitened hand, he cried to his companion with rapture:

“My bother! Give Glory to the God, because He mightily works in our life. Look at my hand! Notice how white it became!”

Listening to the words of the first man, his companion could not withstand and he also stretched his hand out, so that his hand also became white. Then, with much triumphant voice than the first, the second man screamed:

“God gives a sign to us! He has seen one Moses in every one of us. Have you really forgotten the written word that the hand of the prophet turned white, when he stretched it out to the people of Israel that was in slavery in Egypt? In the same way, we are called to great deeds now...”

After these last words, they both embraced each other. They went to the very mouth of the tomb, removed the solid stone and came inside... Suddenly,

loud cries resounded from the interior of the tomb. And one repeated "Alleluia" was betraying their admiration for the tomb itself...

I looked at Jesus with astounded regard. He pointed at the mouth of the tomb with His hand and told me:

**"These both men, who entered the tomb, saw with their own eyes what they wanted to see. The pride of the evil one is powerful to blind the eyes and to offer mirages to everybody, who is ready to receive them. However, the mirage is one thing, but Truth is other. Therefore, let us both enter it, so that you might see with your eyes what happens to those, who want to come into the whitewashed tombs of wickedness..."**

After these words of His, Lord went to the very tomb, and I followed Him. Here, my feet were already stepping on the abominable place, when I saw the two men and my heart sank within me with terror. They were motionless standing, entangled in a thick and strong spider's web, which had strongly stuck on their heads, feet and hands. This cobweb was the first of the demonic sign in the tomb itself...

Still unable to comfort my heart from the cruelty of this view, I silently asked my Lord:

"Jesus! What is this spider's web like? And, why are these men so entangled in it?"

With a firm Voice, Lord replied:

**"Do not you really know what this web is like? Have you forgotten the words of the God's Prophet, who has declared against the wicked all over the earth? For, he has said about them:**

**"They hatch the eggs of vipers and spin a spider's web. Whoever eats their eggs will die, and when one is broken, an adder is hatched. Their cobwebs are useless for clothing; they cannot cover themselves with what they make. Their deeds are evil deeds, and acts of violence are in their hands. Their feet rush into sin; they are swift to shed innocent blood. Their thoughts are evil thoughts; ruin and destruction mark their ways. The way of peace they do not know; there is no justice in their paths. They have turned them into crooked roads; no one who walks in them will know peace..." (Isaiah 59:5-8)**

**Now, ask all My brothers and sisters! Let every one of them answer to My words:**

**Have not you really seen the ties, by which the wicked men possess those, who are unconfirmed in faith? Have not you really seen how they spin their webs with intrigues and perfidies, so that they might raise the obedient men and treat unjustly the sincere ones? Therefore, when man does not listen to the conscience in his heart, and makes a compromise with his faith, then, he is surely entangled by cobweb. The more he would like to free himself from it, the more it is getting tight around his heart. That is why I warn all of you:**

**THE SPIDER'S WEB IS THE LOOP, BY WHICH THE DEVIL CATCHES THE SOULS, UNCONFIRMED IN FAITH AND BRINGS THEM UNDER THE POWER OF THE WHITEWASHED TOMBS!**

**You, however, keep looking at the tomb! For, you have to see what really makes it a tomb..."**

After these words, Jesus stepped ahead and I followed Him again. Then, at the Light of the God's Presence, I could see hundreds of dead men's bones on the earth. At first, this fact made me draw back, because it was a stress for my eyes. But Jesus looked at me with kind and encouraging regard. He asked me:

**"Will you really frighten from some dead man's bones? Did not I warn that, there would be a plenty of such bones behind the walls of the whitewashed tombs?"**

"Yes, Jesus! You really warned us. However, in difference to the bones of Elisha, which were full with Light and Life, these bones here are darkened enough and look very ominously..."

**"And how might such bones look if hypocrisy and impurity testify to them? You, however, give Me your hand and I will fill it with My Power and Light. Then, stretch your hand and press some of the bones, in order to see whether it will endure the pressure. For, the function of the bones is to give support to the body. So, the strong bones will hold the body sound and fast. However, press some of the bones, Stefan!"**

I listened to the Lord and I stretched my hand to Him. He touched me with His One hand and made my hand enflame with the Fire of Father. Then, I bent down, looked at the bones with disgust and tried to press one of them. In this moment, I did not even stagger, because the bone did not show any resistance. In the moment of the very touch, it simply mouldered into dust. I looked at the dust and I turned aside with the sole purpose of noticing another bone and pressing it, too. The result was the same. After that, I saw a skull, which I also pressed. The skull could not withstand, too. It mouldered into dust, scattering around the earth...

After that, I gave up pressing further the dead men's bones and I asked the Lord:

"Jesus! Why are these bones so weak? I hardly touched them and they mouldered into dust at once!"

Lord replied:

**"Nobody of these bones can withstand the Truth. No one of these skulls can rise against the Truth. That is why the doom of these bones will be complete. For, when Light came to the world, they loved darkness more than Light. They did not go to Light, but they remained in darkness, which dried and ate them inside. If any one of My people has not understood yet what these dead men's bones mean, then, say to all of them that they testify to the burnt and sly conscience; conscience that has lost the sources of the spirit and no moisture has remained in it. And these ones, who have become like dead men's bones in the whitewashed tombs of wickedness, they have not paid attention to the Word of My Father. They have forgotten how the wise man advises all children of God:**

**"Trust in the LORD with all your heart and lean not on your own understanding; in all your ways acknowledge him, and he will make your paths straight. Do not be wise in your own eyes; fear the LORD and shun evil. This will bring health to your body and nourishment (marrow – KJV; moisture – Greek translation) to your bones..."**

**(Proverbs 3:5-8)**

**And, who of the men in the tomb has trusted in the Lord? Are not proud and conceited men so haughty, exactly because they have**

**trusted in themselves, instead of relying on the God? Have not they acknowledged the wicked one in all their ways? That is why they have mouldered into dust at the slightest God's touch. Now, I am telling and warning all children of God:**

**Run away from hypocrisy and impurity! Run away from pride and haughtiness! For, hypocritical and haughty, proud and impure men will always inhabit the whitewashed tombs. This is their doom by My Father from now and forever! Therefore, do not be tempted because of their outside abundance! Look better at their doom inside! For, each bone that can not hold My Body straight will be turned into dust by the consuming Fire of the God's wrath! Every skull that has not sheltered in itself the Reason of the Son of God will become a place, where the vipers hatch their eggs..."**

In accordance with the God's words, my eyes could already see a viper, which was going out of the socket of a skull and was slipping between the bones. I shuddered at this view and I turned aside my head. With very firm and serious Voice, Lord told me again:

**"Touch this skull in order to turn into dust; then, notice what will rest in the dust..."**

In this moment, I understood that my disgust had to give place to the firmness and daring, by which Lord was leading me in the vision itself. Therefore, I stretched my flaming hand to the skull, and it immediately fell like dust on the earth. There, in the dust, I could see about ten viper's eggs, ready to hatch at every moment. I looked at Jesus. He raised one of His legs and broke the eggs with Power. Then, He told me:

**"I confirmed you as My messenger and My Father anointed you as His Prophet. You are sent to declare against all wicked men, occupied My Temple. For, snakes are creeping in the heads of these men and they are all brood of a viper. Behold, Lord turns to them with the words of His first Baptist! For, the words of His last Baptists will be the same:**

**You snake! You brood of vipers! How will you escape being condemned to hell? You snakes and brood of vipers! How will you stand against the coming wrath? You snakes! You brood of vipers!**

**How will you free yourselves from the ties of hell and the flames of the bottomless pit? How did not you repent and did not do deeds, worthy for repentance, but you were always doing deeds, worthy for disgust and disgrace? How did not you stop plundering the widow and treating unfairly the orphan even for a moment? How did not your empty heads become spacious even for a moment, but there were a plenty of snakes and scorpions there? Behold, the sharp ax of My God and Father is already at the roots! Now, He commands your axing and throwing in the everlasting fire! For, you were flourishing like high and stalwart weeds on your native soul and you tempted and killed thousands upon thousands. So, those, who were born from your own loins, exceeded you in abomination and wickedness..."**

I was looking at my Lord and I saw that fiery flames were coming out of His eyes. The whitewashed tomb began to moulder under His wrath. The bones burst in flames and disappeared. The spider's nets were sliding and shrinking into charred pellets. And those snakes and spiders were already hissing with the God's repayment. As to the two men, entangled in the cobweb, they had already received the doom of all dead men, swallowed by the God's anger. With flame and anger in His eyes, Jesus told me again:

**"Now, let Me lead you in the land of Gadarenes. For, this is the land of the cursed and wicked men. All those, who have been corrupted and killed by the whitewashed tombs of wickedness, will be found in it..."**

## 2. THE VISIONS WITH THE LAND OF GADARENES AND THE GARDEN OF GETHSEMANE

My dear brother! My faithful friend!

Deeply in my heart, I know that I will remember this vision in the whitewashed tomb forever. For years, the fraud of the devil has been standing near us and has been swallowing the human souls, and we have been sitting with folded arms, without having any idea how to resist it. Now, however, Lord has already given us Light.

He has given us Truth, by which we might expose the spirit of pride and hypocrisy, occupied the church pulpits.

He has given us Wisdom, by which we should discern Babylon from Zion.

He has given us Confidence, by which we could understand where the True Grave for our dying and crucifying together with the Lord, is. For, the time is very short. If we remain the captive of pusillanimity and fear, we will not be able to get over the coming evil.

When Lord Jesus told me that He would lead me to the land of Gadarenes, in order to show me His first vision, I understood that He would again open my eyes for the deep and concealed messages in His Gospel. As to what we all have read, we have mostly been impressed by the divine healing, which the man, possessed by the two thousand furies in the land of Gadarenes, received. However, how many of us asked themselves why he was possessed? And who possessed him? How did he possess him? If Lord Jesus is the Alpha and the Omega, and His Word lasts forever, then, who are the present inhabitants of the land of Gadarenes?

These are the questions, to which the visions, revealed by the Saviour in front of my heart, will answer you. Therefore, let me tell you the words, by which Jesus led me into His Living Gospel. Here what He told me:

**“Now, I am going to give you to see what your Lord and God sees. For, you should see as I see now. That land of Gadarenes that, in the spirit of its name, is a land of strangers must become evident for your hearts. It must become evident as a land, in which the men, who are strange to the Life of God and do not want to die for their own selves,**

**in order to live for Him, abide. Therefore, let Me now show you everything that happened once and that is still happening now..."**

After these words, Jesus was already leading me in His Living Gospel. My eyes could see how the disciples of Lord were walking together with Him, and He was coming to a boat, anchored by the shore. In this very moment, one of His disciples said:

**"Lord, first let me go and bury my father..." (Matthew 8:21)**

The words of the disciple made Jesus change His Face. He looked with reproach to that one, who had told Him this and replied:

**"Follow Me, and let the dead bury their own dead..."  
(Matthew 8:22)**

After that, He approached me. He went out of the vision and asked me:

**"What do you think of? Why does Lord begin the vision with the land of Gadarenes in a roundabout way?"**

I looked at the disciple, whom Jesus scolded. Then, I told Him:

"Jesus! It is evident that the devil is very frightened and he is looking for a way to divert some of Your people, so that they might not see what You want to show them..."

Jesus smiled to my answer and told me:

**"You rightly answered Me now. For, when God shows to His people what happened to possessed men, who live in the graveyard, then, there will certainly be resistance from the powers of darkness. As to the dead men, who bury their own dead, these men have lost their relatives in flesh. The grave is the last place of their honour. However, when anybody is dead not in flesh, but in spirit, then, Lord has to show him to His disciples. So, one and all, they will understand that the death of spirit is more terrible than the death of flesh. That is why I had to lead My people in the land of Gadarenes, so that they might see what the men, who live in the graveyard, turn into. Of course, I do not have in mind whatever graveyard, but exactly the whitewashed tombs of wickedness..."**

I was listening to Jesus and my heart was opening for one very deep and unknown aspect of the Gospel. By this moment, I had never had a look at the possessed man in the land of Gadarenes, as at a man, who had lived in the

whitewashed tombs. My astonishment was really great. Therefore, Jesus spoke to me again and asked me:

**“Do you understand now why all of you need My look? For, I spoke words, which were like keys for doors in My Living Gospel. However, how many of you took the keys and tried to unlock the doors to Truth? How many of you were attentive in My words? For, I told about the Pharisees and teachers of the law:**

**“Woe to you, because you are like unmarked graves, which men walk over without knowing it...” (Luke 11:44)**

**What does it mean for you to walk over unmarked graves? And what does it mean for you to walk over them, without knowing it?”**

“Jesus! The unmarked tombs are surely covered with lime. Then, the men, walking over these tombs, are doomed to receive in their hearts the way, the example and the spirit of the graves themselves...”

**“Do you comprehend now why I led My people in the land of Gadarenes? Did not I do it, in order to show them what happens to a man, who is not only walking over the whitewashed tombs, but lives in them since long?”**

“Yes, Jesus! Now, I understand everything You show to me. I do not wonder that the devil raised a storm in the lake and its waves were running against the boat in order to lead it out of the chosen way...”

Jesus smiled again. Then, He kept talking to me, saying:

**“Let us move into the moment, when the feet of the Son of Man and His disciples stepped on the land of Gadarenes. You should see by your own eyes how one Legion looks like, because such legions have filled the retreated churches of the last legionaries now...”**

After the last words of Jesus, the vision changed. I could see how Lord and His disciples stepped on the shore of the land of Gadarenes. All of a sudden, the possessed man jumped out from behind the trees and bushes that were growing by the shore. He was terribly looking. His body was very soiled, wounded and had bloody marks of cuts. In this moment, the possessed man noticed Lord and His disciples. He quickly approached Him, fell before His feet and was crying:

**“What do you want with me, Jesus, Son of the Most High God? Swear to God that you won't torture me!” (Mark 5:7)**

In this moment, Lord turned to me. He showed me the naked man, unable to hide the impurity and nakedness of his fall. Then, He asked me:

**“How do you understand the question of the possessed man? Why does he ask Me what I want with him?”**

The question of the Saviour was very deep. I was looking at the possessed man, as well as at the Lord, who was standing a meter away from him. Suddenly, I noticed how a crevice appeared on the earth between Jesus and the possessed man. It was getting bigger and bigger... Finally, a great precipice opened between the Lord and the possessed man. In this moment, I understood that the God's Grace in my heart was exactly opening my eyes. So, I might see that there was nothing in common between Jesus and the possessed one. The God's Mercy could only make a bridge over the precipice. Looking at all this, I answered the Lord:

“My Lord! It is evident that You have nothing in common with the possessed man. It is not he, but the demons themselves in his heart know and confess that...”

**“And you, can you remember My words about the prince of this world? For, the Son of Man declared on His Holy Passover these words:**

**“I will not speak with you much longer, for the prince of this world is coming. He has no hold on me...” (John 14:30)**

**If Satan has nothing in common with Me, and I have nothing with him, then, how have many people decided now that My Holy Grave is the same as the whitewashed tombs of wickedness? Why do not such men take a lesson from the confession of the possessed man? Why do not they want to understand that, if there was a reason for Me to chase the furies out of him, this reason was his confession? For, the Son of Man came to save what was lost and to become a Life-saving Bridge between Life and death.**

**Exactly here, I want for all My people to comprehend the deep secret and parable of the event in the land of Gadarenes. If any one walks over the unmarked graves and finds a communication with the whitewashed tombs, such man will surely become a Legion. However,**

**in difference to possessed man, whom I freed and healed, the present legions have not such hope for Salvation. For, the time has come for Me to go with My prophets in the land of Gadarenes. Instead of recognizing Me in My servants and crying for help and mercy, the present men, in the whole their abomination and impurity, raise a hand against My prophet Stefan and cry:**

**“What common do you have with us, you, troublemaker of the churches? We anathemize you in the God’s Name, off with you and stop writing your books!”**

**Shall I help to such men, who have the self-confidence of being God’s people? Shall I stretch a hand over the precipice between Me and them, if they are convinced that Life is in them and death – in My servant? Shall I have mercy on people, who instigate the others with calumnies and slanders against the God’s messenger and teach everybody to hate and reject them?”**

The questions of Jesus were frightful in their justice. Therefore, I quietly told Him:

“Jesus! Now, I already understand that those, who live in the graveyards on the land of Gadarenes, are really legions in Your eyes. Such men have no peace and calm; they are constantly disturbed by the demons. Even for a moment, they do not stop digging the precipice between You and them and so make it deeper and deeper...”

Jesus was carefully listening to my answer. He stretched out His hand, caressed my head and said:

**“Now, let Me show to My people how all legions of today are looking like – the same, which abide in the whitewashed tombs. For, this secret has been standing unrevealed before My Church for a long time and the legions have had a free access amidst the God’s children...”**

After these words, the vision with the land of Gadarenes stopped and I did not know what Lord would show to me yet. He continued to talk to me, saying:

**“When anybody has become Legion, such man will always be against the Salvation of the Son of Man. The thousands of furies and demons in him will always direct and incite him to do evil against the**

**men and God. Therefore, look at My Word with My eyes. So, you will be able to see that, in difference to that wretched man, who was healed and freed from his furies, some other legions were forever sealed like whitewashed tombs of wickedness..."**

After these words of His, Jesus led me in His second vision. And here, I could see Jesus in the most painful moment of His Life. He was standing in the garden of Gethsemane among His disciples, and large drops of blood were rolling down on His forehead. In this moment, grief rose in my heart and tears began to well up to my eyes. Lord approached me and quietly told me:

**"Now, look at the men, who are coming from the darkness to catch the Son of Man and to hand Him over to death..."**

After the words of Jesus, I looked there, where the Lord's hand was pointing to me. A moment later, a dozen of naked and mad people were already coming to the Saviour. In one of them, I recognized Judas, and the others were chief priests and their guards. While I was looking at them in the vision, I could no longer endure and asked the Lord:

"Jesus! Why are they all naked? Why are their faces so repulsive and mad?"

Jesus replied:

**"After a little while, you will understand everything. Therefore, look what these men will do with the Son of Man..."**

In this moment, the crowd of the naked people approached Jesus. Then Judas, with the whole ugliness and nakedness of his body, came to Jesus. He kissed Him and cried aloud:

"This is the Messiah! This is the king of the Jews!"

And Jesus quietly told him:

**"Judas, are you betraying the Son of Man with a kiss?"**

**(Luke 22:48)**

Looking at everything that happened to the Lord, one of His disciples could not bear any longer. He took a knife out of his mantle, raised his hand and cut off the ear of one of the naked men. Jesus immediately reacted and approached the man, who was attacked. He touched his ear and healed it at once. As to me, I heard the Voice of the Lord, saying to His disciple:

**“Put your sword back in its place...for all who draw the sword will die by the sword. Do you think I cannot call on my Father, and he will at once put at my disposal more than twelve legions of angels? But how then would the Scriptures be fulfilled that say it must happen in this way?” (Matthew 26:52-54)**

After these words, Lord separated from the vision. He pointed at the men, who had gathered in order to catch Him and asked me:

**“What do you think about that? Why did I tell My disciple that I could call on My Father and He would put at My disposal more than twelve legions of angels? Why did your Lord estimate that such amount of angels would be sufficient against the whole crowd?”**

The answer was shining in the lips of Jesus. Therefore, I told Him excitedly:

“Jesus! You showed me this crowd as people, who were mad, naked and soiled. I know that every one of them was a Legion before Your Face. And the crowd, come to catch You, was a dozen; that is why Your words were truly pointing out that against twelve legions from the power of darkness and wickedness, Father would also send You twelve legions of angels...”

Jesus sadly smiled to my words. Then, He said:

**“Go and give this vision to My brothers and sisters! For, the time is now, when millions of legions are doing the same as Judas and the chief priests did once. They betray Me for the silver coins and spoils of the devil and so they go to live in the graveyard of Babylon forever. So, they will forever be dirty and naked, taken off the bright and fine linen of the Gospel.**

**Nobody of these millions of angels is attentive in the prophetic words of the King of Zion. Nobody of these legions pays attention to the most fateful words, which will throw away the whitewashed tombs and the land of Gadarenes into the hell. To all My people, however, I repeat My words:**

**“Behold, I come like a thief! Blessed is he who stays awake and keeps his clothes with him, so that he may not go naked and be shamefully exposed...” (Revelation 16:15)**

**Here, righteous and pure words come out of My mouth! Blessed are those, who listen to Me:**

**Blissful are you if you watch and keep your clothes in a time, when most people around you seek the whitewashed tombs of wickedness!**

**Blissful are you, when you suffer and die for Me, and the legions around you curse and despise you!**

**Blissful are you, when you get over the common treachery and retreat by the cost of your one and only life! I will visit you through My Prophet and I will give you to reach the Grave of Holiness.**

**As you abide in Death, suchlike Mine, you will certainly join Me in My Own Eternal Life!"**

After these last words of Jesus, the vision with Gethsemane stopped. Then, as many times before, I realized again that I must have been like Bartimaeus, and the Son of David had shown me His Mercy and Kindness. And you, my brother, do not feel ashamed to confess before Him that you have not known His Word in fullness. Today, the Heart of Lord is filled with ardent and burning love to us. When the flames of Jesus come inside us, then, Light shines in the darkness, but the darkness can not understand it!

Amen and Amen!

### 1. THE VISION WITH THE HEAVENLY BONES OF CHRIST AND THE FATEFUL CIRCLE OF GALILEE

**“But after I have risen, I will go ahead of you into Galilee...”**  
**(Matthew 26:32)**

My dear brother! My faithful friend!

I know and I believe that your heart has been admired by the Wisdom of God. I know and I believe that He has kindled inside you the Fire that many waters can not quench. For, in love to Jesus, we will really become ever-victorious generation of Zion. We will go after Him and we will certainly reach there, where the others before us reached.

Think over the fact that, two thousands of years ago, Jesus gathered around Himself His Own disciples and followers. He went together with them from Galilee and He was traveling over the whole land of Israel, in order to preach the Kingdom of Heaven. It must surely have been the most splendid experience for the Lord’s followers. Day and night, in cold and heat, they have gone after His Shadow and they have not taken their eyes off His Face even for a moment.

However, the last moment comes - the greatest moment in the Life of Jesus and, in the same time, the most frightful. The guard has already caught the Son of Man, and His people have fled in disorder at the horrible thought that He would die. They do not want to believe that. They do not want to accept that That One, Who was giving Life to the world and was taking away

the diseases and sufferings of many, would close His eyes in a moment and would leave the earth of the living ones...

However, who of them has known that Lord has only been doing what has been written and determined for Him? Who of them has known that there, after the Crucifix on the disgraceful cross, will begin the real Eternal Life of the Son of God?

It is easy for us to believe this today. Every one of us has his bible, by which he feeds his spirit and heart. Every one of us may go deep in the Gospel and experience together with the Lord the whole His Life. Those ancient men, however, had not the written Gospel. They had near themselves the Living Gospel, the Word That became flesh and appeared to the world. The Same This Word was ready to come back to His Father's homeland, and they did not know what to do...

I do not talk to you all this in vain. My reason to begin the most splendid part of this prophetic book in this way is not anything else but my wish for you to prepare your heart for a look upon the greatest place in the Gospel. And this place is the Grave of the Lord...

For the last years of my faith, I have secretly envied the men, who have the opportunity to visit the Grave of the Lord in Jerusalem. Bent down my head, I have quietly told Jesus:

"My Lord! Why do not You gift me with this happiness to visit Your Grave? I do not wish that with curiosity or self-seeking, Lord! I wish I was possessed by that sweet ancient thrill, by which I would step over the paths, along which You have walked once. I wish I was possessed by that splendid and unique feeling that You are alive. For, the echo of Your words still resounds among the walls of the Temple in Jerusalem; those walls, which remember Your Image and Your Face..."

The truth is that Lord has been looking at me and has been smiling to my dreams. Much as beautiful they have been, they have been dreams in flesh; dreams to move my body from one place to another. However, Lord is Spirit! The words of His Son are Spirit and Life! So, Spirit and Life were flowing again into my heart. Jesus came to me, saying:

**"I have not forgotten about your longings. Now, I am coming to you and to all my brothers and sisters. I want to give you that**

**experience and touching to My Gospel, by which you all might see the Grave of the Lord and wish it in your hearts. For, Lord your God resurrected on the third day after His death exactly in the Grave. If you want to be resurrected together with Me, then, be ready to follow Me with that sincere faith and love, by which Mary Magdalene went after Me. She was the first, who stepped to the Grave of the Lord and looked for her Lord..."**

After these last words, Jesus revealed in front of my heart a splendid vision from the Living Gospel. I could already see Mary Magdalene, who was carrying in her hands aromas and sweet fragrances for the Body of the Lord. She was walking together with the God's mother and was approaching the Grave of Jesus. The closer they were coming, the more I realized in my heart that Lord was leading me in comprehension of something I had never known. My eyes could already see the guards of Pilate, who were yawning, carelessly propped on their spears. At the view of the coming women, they visibly reacted. When the women reached the Grave, Heaven shone over them in blinding Light. Then, an angel from the Lord came down at the Grave itself, so that the guards became pale and fell on their faces. And the God's herald rolled back the stone and told the women with mighty Heavenly Voice:

**"Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; he has risen, just as he said. Come and see the place where he lay. Then go quickly and tell his disciples: "He has risen from the dead and is going ahead of you into Galilee. There you will see him." Now I have told you..." (Matthew 28:5-7)**

After these words, the angel rose again to Heaven. And the two women ran to the Grave of the Lord. When they came inside, they saw that the Grave was empty. Only the shroud, by which Joseph had wrapped the Lord's Body, was there. A moment later, the women went out of the Grave and a great joy might be seen on their faces; a joy, mixed with fear. They were about to go further and to appear the Heavenly testimony to the others, when Lord Jesus Himself met them and told them:

**"Greetings!" (Matthew 28:9)**

They fell in His feet, because of His very great Glory. With smile in His Face, Jesus told them:

**“Do not be afraid. Go and tell my brothers to go to Galilee; there they will see me...” (Matthew 28:10)**

After these last words, Jesus went out of the vision. He approached me and asked me:

**“What did you see, Stefan? And how did you understand it?”**

“O, my Jesus! I saw what I had read in Your Gospel all my life. But I dare say that if I do not see it through Your eyes, it means I have not seen anything...”

Jesus smiled heartily to my answer. Then, He said:

**“That is right, My boy! This is the answer I wanted from You. You, however, think now why My Father sent His angel to appear the testimony of the Resurrected One! Could not I Myself appear in front of the women and proclaim My Resurrection from the dead? What was the role of the Heavenly angel? Why did he roll back the stone and call the women to look at the place, where their Lord had lain?”**

“My Lord! Father is true and faithful to appear the Resurrection of His Son through His angels. For, the great moments of Your Life were proclaimed by angels. Angel came to Mary to warn her about the Immaculate Conception. Angel came to Joseph; angels appeared to the shepherds on the field, too. Angels were speaking to the Galileans, when You were ascending in front of their eyes...”

Jesus laughed at my words. Then, He said:

**“Therefore, as you saw by yourself, the angels were coming in the most important instants from the Life of the Son of Man. You, however, think mostly over this angel, who came at the empty Grave! After thinking well, tell Me: were these sincere and faithful women willing to anoint My Body with aromas and sweet fragrances again and again? Were they willing to find Me and to serve to Me?”**

“Yes, Lord! These are exactly the thought and wish, by which they came to My Grave...”

**“Then, do you have the faith to accept that they did not find the Grave to be empty? For, despite the Son of Man had already resurrected, there was an angel of the Lord at the Grave and he testified about Me. If once, at the grave of Elisha, the bones were**

**testifying about the life of the prophet, do you understand now, what the angel's good news at the empty Grave of Christ is like?"**

I was listening to the Lord and my heart was overflowing with His Kindness and Mercy. Then, the answer appeared in my heart and I heard myself saying to Jesus:

"My Lord! The angel's good news at Your Grave was Your Heavenly bones – these bones, by which You, Jesus, created Your Spiritual Body! For, by angel's good news, Father conceived You in the Mary's womb. By angel's good news, You were born in the manger of Bethlehem. By angel's good news, You rose at Galilee. So, if anybody touches Your Heavenly bones, even if he is dead, he will revive!"

**"Yes! That is right! This is the first of the great secrets of the Lord's Grave – the secret that the spiritual bones of your Lord appear through the angel's good news. As to My Body, the Church, it was created through the preaching of people, filled and confirmed by the Holy Spirit. Now, however, look at the second great secret of the Lord's Grave! For, the God's angel appeared this secret with the words:**

**"...go quickly and tell his disciples: "He has risen from the dead and is going ahead of you into Galilee. There you will see him." Now I have told you..." (Matthew 28:7)**

**Why would My people see Me exactly in Galilee? I Myself had prophesied for them, saying:**

**"...This very night you will all fall away on account of me, for it is written: "I will strike the shepherd, and the sheep of the flock will be scattered." But after I have risen, I will go ahead of you into Galilee..." (Matthew 26:31-32)**

**Why does Lord go ahead of His Own people exactly in Galilee? Tell Me, because this is the great secret of the Lord's Grave..."**

I was listening to the words of my Lord. In this moment, I felt myself to be the least and the silliest man in the world. The secret of Galilee was standing in front of my heart, but I could not know it yet. Therefore, I raised a pleading look at Jesus and asked Him:

"My Lord! Help the weakness of my mind! Enlighten my heart! For, I can see the name Galilee everywhere in Your Gospel. You began Your mission

exactly from Galilee. It was in Galilee, when You gathered all Your disciples on a high mountain and told them:

**"...All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age..." (Matthew 28:18-20)**

In the same this place in Galilee, the angel's good news appeared again. Two God's angels were talking to Your disciples at Your ascension:

**"Men of Galilee, ... why do you stand here looking into the sky? This same Jesus, who has been taken from you into heaven, will come back in the same way you have seen him go into heaven..." (Acts 1:11)**

In the next moment, Jesus came near me. He looked at me with His deep and Holy pupils and asked me again:

**"After you have seen Galilee on so many places in My Gospel, do not you understand the secret yet? If I began My mission in Galilee and I rose in Galilee again, can not you comprehend yet?**

**Does not Galilee mean "a circle"? If the Son of Man went to preach from Galilee and reached to death on the cross, was not He waiting for His Own people again in Galilee? Then, do you understand that My people had to participate in a death, suchlike Mine? And, being resurrected, they should go together with the Resurrected One from where He began. Therefore, tell My people that:**

**GALILEE IS THE HEAVENLY FATEFUL CIRCLE IN THE LIFE OF THE SON OF MAN! IF ANY ONE WANTS TO FIND ME IN GALILEE, HE MUST CERTAINLY PASS THROUGH THE LORD'S GRAVE!**

**For, I revive My people and I give them Life. When they go after Me in the circle of the Son of Man, they cover the way from Galilee to the Lord's Grave. After that, being resurrected together with Me, they follow Me again in the circle of the Son of God, which begins from Galilee and finishes in Zion. If any one of you can not understand yet, let such man remember the words of My Apostle Paul. For, this servant of Mine showed to all of you the fateful circle, which you all should cover.**

**THIS IS A CIRCLE OF LIFE, SERVICE, DEATH, RESURRECTION AND A NEW SERVICE!**

**However, here are the words of My apostle:**

**“But because of his great love for us, God, who is rich in mercy, made us alive with Christ even when we were dead in transgressions - it is by grace you have been saved...” (Ephesians 2:4-5)**

**Exactly then, when you have been made alive, you should crucify yourselves together with the Son of Man, to take a part in His Death and to find His Grave. For, Resurrection comes after the Grave. This is about Apostle Paul wrote us:**

**“And God raised us up with Christ and seated us with him in the heavenly realms in Christ Jesus, in order that in the coming ages he might show the incomparable riches of his grace, expressed in his kindness to us in Christ Jesus...” (Ephesians 2:6-7)**

**Did you understand now why I was going ahead of you into Galilee?”**

“Yes, my precious Lord! I understand now that everybody, who has been saved by You, receives Life because of Your Mercy. If such man denies himself, raises his cross and follows You, he surely reaches Your Death. So, he glorifies Your Name like one, who, after having been saved, has died, in order to be resurrected together with You. So, starting from Galilee with You like Son of Man, he reaches Your Grave, after which You expect him in Galilee like the Son of God...”

**“That is right! This is exactly the good news, which My people should confirm and preach now. For, most people confess the Name Jesus now and after that, they lose It and drop out. Nobody of them wants to see that the Real service for Heaven begins in Galilee after the Resurrection of the Son of Man. Only when you die in the Lord’s Grave, this Power, through which the God’s people triumph over the powers of darkness, will appear to you. Therefore, look at the way to My Grave, because I am going to appear it through My servant. Blissful are the hearts that receive My words in this Holy prophetic book...”**

## **2. THE VISION WITH THE GARDEN AND THE AROMAS**

My brother! My faithful friend!

There have been moments in my life, when the depression and despair have become my shade. Then, I have raised a look at the Heaven and I have cried to the Lord:

“God, where are Your miracles? God, where is that great Power, which made the whole world tremble and shake? Reveal to me Your wonderful Power, Lord! Reveal to me Your miraculous Might, Jesus!”

Yes, my friend! I wanted a miracle and I was waiting for a miracle. I was weeping, because, much as I was peering with my heart, I could not see the miracle I was waiting for. How have I been able to know that it has not been me, who has been waiting for a miracle, but the miracle has been waiting for me? How have I been able to know that even the greatest earth miracles pass away, but that miracle of the Resurrection can not pass? For, somebody would probably boast of the healing of his kidneys, other would praise the Lord for the miraculous disappearing of his tumour. Oh, people! Why are you taking pride in what Lord would do to the tent of your bodies? Why do you give anything to contemplate the miracles that pass away? Why do not you better think for that one, who lives inside the tent? For, either healed or sick, the kidney will grow old and will come back in the ground, where it has been taken from. Either that the tumour has been removed or not, this old and non-glorified body will lose the fight with the decay. However, what about that one inside us? He needs another miracle!

This is the miracle of Resurrection! This is the miracle for us to go into the Lord's Grave, dying for the sake of Jesus and go out of this Grave, rising for Him!

I know that the whole Eternity will not be enough for me to give to Jesus that honour and thankfulness, which His Love deserves. That is why my spirit rejoices and trembles in His Presence. If there is anything that I would be doing with joy during the God's Eternity, it will be to embrace the Beginner and Perfecter of my faith. For, He, Who was a Beginner, started from Galilee, preaching the Kingdom of Heaven, in order to reach to the crown of thorns and the sharp nails in His hands and feet. He, Who was the Perfecter, rose from the

Grave and ascended from Galilee, with the promise that He would be with us for all days to the end of this world.

And that place, which relates the Beginner and Perfecter, is the Grave of the Lord. There, Life reaches to Death, and Death turns into Life.

There, the Beginner finishes.

From there, the Perfecter begins.

Therefore, Lord was giving to me again and again to think about His Grave. In difference to the whitewashed tombs, which were full, His Grave was empty. This is a great reproach to all of us! Busy to peer into the testimonies of men, we forgot to see the testimony of Father, His Son and the Holy Spirit. We forgot to notice the way to the Lord's Grave and the marks, which make this Grave so desirable for our hearts.

Jesus was again next to me. He looked at me with His kind regard and told me:

**"I inspired your heart with the most splendid and abundant visions from Zion. I revealed My Heart to you and I led you to the Heart of My God and Father. I opened many doors in front of your heart and you boldly passed through them, in order to prophesy against the wickedness of Babylon and to give the true marks and reference points to My people. Now, however, I want to show you the signs at My Grave. Therefore, go after Mary Magdalene! This time, your spirit will feel something different..."**

After the words of Jesus, I found myself again in the Living Gospel. Indeed, I could see Mary Magdalene in front of my eyes. She was walking to the Grave of the Lord, taken in her hands the alabaster jar, full with ointment and aromas. So, I went after her. The more we were coming close to the Lord's Grave, the greatest excitement was overflowing my heart. Suddenly, a sweet fragrance passed through the whole my being. I looked at Mary Magdalene, because I thought that the sweet fragrance was coming from the alabaster jar in her hands. However, it was covered with a lid and it was not possible for the sweet fragrance to come out of it. I kept walking further and the sweet fragrance was getting stronger and stronger. It was like a tender touch by the most fragrant flowers in spring. What is more – it was the first time that my eyes could see lilies of the field and violets, flourished in my feet.

They were like living creature and the splendid fragrance for my heart was coming from them. Imperceptibly, I had reached the Lord's Grave. Everywhere around it, there were blossoming flowers that were strongly giving out their sweet perfume. Finally, Lord appeared in the vision. He approached me and asked me:

**"Tell Me, Stefan! Can you feel the sweet fragrance of the flowers?"**

"My Lord! This fragrance is the most excellent sensation You have ever given to my spirit..."

**"Then, look at the written in My Gospel! For, it is clearly written about the Grave of the Lord there:**

**"At the place where Jesus was crucified, there was a garden, and in the garden a new tomb, in which no one had ever been laid..."**

**(John 19:41)**

**What do you think about that? Why was there a garden at the place of My Grave? What was this garden like? What kind of allegory was it?"**

"My Lord! I believe that there is not any greater sweet fragrance before the Face of Father than Your Sacrifice for the mankind. That is why Your Grave was in a garden. Since, You Yourself were the Heavenly Sweet Fragrance of Father!"

Jesus smiled to my words and His Face shone. He asked me again:

**"Is that only Me a Heavenly Sweet Fragrance of Father? See and think by yourself that, if the word was only about one sweet smell, you would only see one flower. However, this garden is filled with lots of flowers, created by My Father to offer sweet fragrance. Who are these flowers?"**

Could I know who these flowers were? Of course, I knew it. Therefore, I answered to Jesus:

"My Lord! Your Wisdom is excellent! In the vision with the Flight of Your Dove, You revealed me these flowers as Your prophets all over the earth, according to the written in "Song of Solomon":

**"Flowers appear on the earth; the season of singing has come, the cooing of doves is heard in our land..." (Song of Solomon 2:12)**

**“Tell Me then: are not these flowers worthy to attract the human hearts to the Grave of the Lord? Do not My Apostles also call you as flowers around the Lord’s Grave? Apostle Paul wrote to all of you:**

**“But thanks be to God, who always leads us in triumphal procession in Christ and through us spreads everywhere the fragrance of the knowledge of him. For, we are to God the aroma of Christ among those who are being saved and those who are perishing. To the one we are the smell of death; to the other, the fragrance of life. And who is equal to such a task?” (2 Corinthians 2:14-16)**

**Then, do My people understand that I am waiting for them at the Grave of the Lord since long? Do My people understand that My Father has laid His flowers exactly near the Grave of His Son, so that they might testify about Him and to attract people to His Example and Spirit? You, however, see what the confession of the Bridegroom to the Bride is! For, in this last time, I will call My Bride only those, in whose hearts I recognize the longing of Mary Magdalene...”**

After the last words of Jesus, the splendid verses from “Song of Solomon” emerged in my heart. Here are the words, which shone into my mind:

**“I have come into my garden, my sister, my bride; I have gathered my myrrh with my spice. I have eaten my honeycomb and my honey; I have drunk my wine and my milk. Eat, O friends, and drink; drink your fill, O lovers...” (Song of Solomon 5:1)**

Then, Jesus stretched out His hands to all His flowers in the vision and He began to talk to me, saying:

**“Behold, Stefan! Lord came into His garden, at His Own Grave. He came to gather around Himself the whole His myrrh and the whole His spice. And I, as I give My people to eat together with Me from the honeycomb of My Wisdom; as I drink together with them the wine of My Covenant and the pure spiritual milk of Salvation; then, I will certainly call them:**

**Eat, My friend! I no more call you servants, but friends! For, you know what the Will of My Father is!**

**Drink your fill, O lovers! Find the Power, by which you will be able to follow Me in My Death!**

**For, I am in My garden again! And My flowers give out their sweet fragrance before My Face! With their life and example, I am calling you to Myself now! With their death for the God and with their bones in My Grave, I am pointing to you the way of Glory now!**

**I am the Resurrection and Life! Whoever believes in Me, even if he dies, he will live; and nobody, who is alive and believes in Me, will ever die! I pronounce it! I spoke it!"**
