TO YOUR HEART

My dear brother! My faithful friend!

For the last years, led by my Lord Jesus Christ, I wrote books with many prophetic visions, which I gave out freely to my brothers and sisters. I knew inside my heart that Lord had destined me to cover a definite way and to pay a determinate worth. For, every God's deed requires to be covered some way and to be paid some worth. In the beginning, I neither knew what the way was, nor what the worth was. Now, seven years after my calling and devotion by the God, I can surely tell that the way and the worth have been set as a destiny in the name, by which Jesus determined my service for Him.

I have been asked many times by my brothers and sisters why the service, by which Jesus has called me, is named "Moriah". How was the name of this ministry born? When did Jesus command me to put the name of the God's Holy Mount as an appearance of the God's Prophetic Spirit?

The truth is that I was jealously keeping in secret my way and vocation in the Lord from all my brothers and sisters, because I did not want to be an obstacle and temptation for those, who were little and unconfirmed in faith. You see, my brother that there are so many names in the Bible that it is no problem for you to take whatever name and to put it as a motto and essence of your life and service before the God. The question is not in this, for the name is not only a word. It is fate and responsibility. It is predestination, a chosen way and spiritual track that man may not and must not give up.

I remember how Jesus visited me in my lodgings in Sofia eight years ago. I remember how His divine Light filled my room, so that everything in it lost its shapes and lines. I remember how two Heavenly hands took my heart and raised it up. Then, the Voice of Christ emerged from the depths of my spirit, saying to me:

"You are one of the God's prophets and "Moriah" will be the name of your ministry. Great Word by the Father of lights will be poured into your heart; many will be threatened and tempted because of you. You will be a stone for the men to stumble against you or to step on you. So, some men will step on you and will climb upper, but others will stumble against you; they will fall and rest down..."

I was jealously keeping in my heart the words of my Saviour and I had not the courage to share them with anybody else, but with my wife Yovelina and with the closest of my friends. Nevertheless, yet then, in the beginning of my calling and devotion by the God, I began to feel hunger for my own self-realization. I wanted to find my place in the God's Life-saving plan. Therefore, oftener and oftener, I began to kneel before the God and rest in prayer and thought, waiting for revelation, concerning my devotion by Jesus. Lord, Who had seen my seeking heart, began to talk in dreams both to my wife and me. In these dreams, the Mount Moriah began to shine brighter and brighter. Then, my wife Yovelina and I began to share each other ones and the same things, given to us by the Lord. In front of the eyes of our hearts, Lord was revealing in splendour and glory one Heavenly Temple, shining like the sun. This Temple was built on a high place and it was the Mount Moriah. I knew that the way to this Mount will not be easy at all. Each step to it would be made at the cost of some death. Something in me would be dying and something from Jesus would be bearing. Everything mine would be giving up and everything His would be advancing. He would be growing and I would be getting smaller... So, it came a moment, when Jesus told me:

“Moriah” is not only a name. “Moriah” is a destiny from Eternity that will lead you to Eternity. And, if Solomon built a Temple on this Mount, in which My Father laid His Name and His Spirit, then, think now where you would find today the stones for the last Temple that would be raised up on the God's Holy Mount at last. When you find the stones, then you will surely be grown enough and will be ready to begin the God's Holy Deed. So, look for the stones, Stefan! Look for My stones for the Temple of My God and Father...”

My brother! I do not know whether you have ever fallen in a situation to be looking for something that Father jealously keeps from the fates of the whole world, but I know that these words of Jesus were the reason for my to be looking for the stones for the God's Temple in the course of a year, without being able to find them. Zealous to fulfill the Will of my Lord, I began to look around me in search of men, who would respond to the God's criteria. The more I was seeking, the more I realized that there were not such stones. The Word of God was categorically saying about the God's Temple that Solomon

had built it of stones made ready beforehand; so that there had been neither hammer, nor axe nor any tool of iron heard in the Temple, while it had been in building. (See 1 Kings 6:7) At the contrary, in my communication with brothers and sisters, such sparks were flying that my heart was doubtless getting in touch with rough and undressed stones, which were tearing my heart and were leaving bloody traces in my soul for a long time. This fact showed to me that I myself was not also that smooth and polished stone, ready to be built in the Lord's Temple. Then, with great despair and grief in my heart, I fell again in prayer before my Lord, saying to Him:

"Jesus! I could not find the stones, which you commanded to me to seek! Either they do not exist, or I am not on the right place and the right way..."

In reply to my words, Jesus came again to me, saying:

"Do you understand now that nobody will see the stones for the God's Holy building without prophetic vision and target? Do you understand that it is not given to the God's prophets to be a part of the church multitudes, because, among them, they would lose their mission and their calling by My God and Father? Indeed, it is not My Father's Will for your life to be a part of some church society. Therefore, I am going to show you the stones for the God's Holy Temple now. Before that, however, you are required to go into the desert and to rest there until I call you again..."

I was listening to the Lord and I began to comprehend that I was in the threshold of the greatest temptation and embarrassment in my life. I had to leave that place, which I considered to be Temple and Church of the Living God, because the stones in it did not respond to the God's Holiness and purity. Exactly then, I fell into the desert. Do not think that I have left Bulgaria and have looked for some place in Sahara! Nothing like that! The desert in my life was spiritual. As there is a desert that testifies to the lack of the living water and presence of the Holy Spirit, so there is other desert, in which man should go, when he feel himself to be called and separated by the God for devotion and spiritual growth. My life really had to become deserted, i.e. without the presence and communication with people, who have exchanged the love to the Holy Trinity for the love to this world. So, while I was staying in the desert, I

experienced a radical change inside my soul. Moreover – I already knew that I was called to find my Saviour exactly there.

And He came! He came much more real and excellent than before. He came so living and true, so light and wonderful that I knew for the first time in my life that it was not only me, who believed in Him, but He believed in me. In that year, when He came to me in the desert, His words flowed into my spirit; Lord Himself was telling me:

“Here, you are on the right place and in the right way now. The way to the God’s Temple of Holiness begins from here, from the desert. Therefore, follow Me and see where I will lead you...”

It was my first perfect leadership by Jesus; leadership, by which He personally led me into His Living Gospel. Then, the books, which I was writing, radically changed. In my first books, I had the leadership and enlightening by the Holy Spirit and I was giving revelations to my brothers and sisters. However, these were revelations of the Word-Logos. Now, when the Son of God had become real for me, I already had one new leadership - leadership personally by Jesus. It was not leadership through revelations and enlightening, but through visions, coming by the Prophetic Spirit of Father. Therefore, then and there, when Jesus called me from the desert, I followed Him. And He led me in His Living Gospel, so that I might see that there had been others before me, who had also lived in the desert and had done just and truly the God’s Will. So, Lord and I were standing at the riverside of Jordan, and the Saviour raised His hand, pointed at the God’s prophet and told me:

“This is the right place and the right way. Here exactly, you can see the stones, which I ordered you to find...”

I was listening to Jesus and I could not understand yet. In the vision, He took me close to John the Baptist. Then, my heart saw how the God’s prophet raised his hands, pointed at the coming Pharisees and teachers of the law and told them:

“You brood of vipers! Who warned you to flee from the coming wrath? Produce fruit in keeping with repentance. And do not think you can say to yourselves, “We have Abraham as our father.” I tell you that out of these stones God can raise up children for Abraham...”

(Matthew 3:7-9)

Exactly in this moment, Jesus touched me with His hand and told me:

“Look, Stefan! Look what stones the God’s Prophet has had in mind and why he told the Pharisees that Father can raise up children of Abraham even out of these stones...”

I looked at the vision and I did not notice any stones... At the contrary – Prophet John the Baptist was pointing with His forefinger at the great multitudes of people, who were sitting at the riversides. Then, I showed these people to Jesus and I asked Him:

“Jesus! Are these the stones, out of which God can raise up children of Abraham?”

“And, out of whom else shall My Father raise up children of Abraham? Are not pleasant to the Heart of My Father those, who gather there, where the God’s prophets blow the trumpet of the Heavenly Good News? And, if people have gathered anywhere in order to listen with their hearts to the prophetic word and to receive it deeply in them, are not such men stones for the God’s Holy Temple? Since, the church leaders will not receive the word, which I give you for repentance and turning to the God. They are repented and turned to the God in their own eyes. The last Pharisees of the last church Sanhedrin-s will never go to the Jordan River in order to confess their sins and their dark deeds before the Face of My God. They will flee from the Prophetic Spirit and from the messengers to all churches. They will never pay attention to the word of My last Baptists. So, the written word will exactly become true. And My Father will raise up for Him children of Abraham as stones for His Holy Temple.

However, this is not everything, My boy. You must also understand what the common between Abraham and the God’s Temple is. This comprehension exactly will show you the secret of the Good News, in which My Father has devoted His servants the prophets.

What is the common between Abraham and the God’s Temple, Stefan? What is the common between the stones, who are children of Abraham and the God’s Temple of Holiness?”

The word was on my lips. Therefore, I told the Lord:

"Jesus! The Mount Moriah is the common between Abraham and the God's Temple..."

In that moment, Lord smiled and caressed my head, saying:

"Do you understand now why the name of your ministry is "Moriah"? Do you understand now that the stones for the last building of the God will be all those, who receive and submit to the Word of the God's Prophetic Spirit? For, Abraham bore Isaac in order to offer him before Father on the Mount Moriah. And, if the Abraham's Offering of Justice was done on this Mount, the Solomon's Temple of Holiness will surely be there, too. That is why Prophet John saw in those men, quiet and captivated by the prophetic word, exactly "stones", out of which Father was powerful to raise up children of Abraham. These stones will namely be your fate and lot by the Lord on this earth. I will add to you exactly them, and nothing else but them. The Mount Moriah is great and Holy enough to go to it crowds or multitudes..."

These words of Jesus strongly confirmed my spirit. Everything, which Jesus told me, was realized just according to His words. The church leaders and rulers continued to consider themselves children of Abraham. Even now, their contempt stands against my heart and against the books, which Jesus ordered me to write.

However, something else happened, too. People, who had not the self-confidence that they were children of Abraham, knelt before the Prophetic Spirit and rested quiet in the Blessing of Jesus. They wanted to be purified, confirmed and enlightened. So, they became the stones for the last Holy building of God and Father.

The content of this book is exactly directed to such men. Through it, Jesus will give to His faithful people a look upon the most splendid and excellent way – the way to the pillars of the God's Temple; the way to "Revelation 3:12"! This is the way to the greatest privilege and honour for the spiritual man, which the words of the King testify to:

"Him who overcomes I will make a pillar in the temple of my God. Never again will he leave it. I will write on him the name of my God and the name of the city of my God, the new Jerusalem, which is

coming down out of heaven from my God; and I will also write on him my new name..." (Revelation 3:12)

If you wish all this, my dear brother, then, be ready to love by the whole your heart that Temple, on which God deigned to dwell with His Name and His Glory! In this Holy Heavenly book, Jesus will shine the way before your heart and you will surely see the high and smooth pillars of the God's Temple.

So, you will pay the worth to be one of them!

Amen and Amen!

1. THE VISION WITH THE MOUNT “MORIAH”

My brother! My faithful friend!

I am sure that, as a man, who has believed in Lord Jesus and who has given over his heart in His hand, there is nothing more important and responsible for you than this – to understand what the sense of your faith is. The God’s Word teaches us that everybody, who has believed in the One and Only Son of God, he has passed from death to Life. The new Life, given to all of us by Jesus, must surely be lived through here and now, on this earth. There are thousands and millions of people around us and every one of them claims that he lives his life. We see this reality every day.

However, when the Holy Bible tells every one of us that Jesus has given to us a new Life, then, this new Life must exactly draw its inspiration and all its springs out of the God’s Word. For, Jesus gave to all of us some splendid words – words of Life, which reveal the most perfect benevolence by the Heavenly Father. You remember these words and you have read them in your Bible many times. However, have they really changed your heart? Have they really made you such man, as Jesus wants for you to be? For, Jesus’ mouth opened and the great multitude heard Jesus say:

“You are the light of the world. A city on a hill cannot be hidden...”
(Matthew 5:14)

Do you live in this city, my brother? Have you felt in your spirit and heart the bliss and delight to be citizen of this city, situated on the Mount? Doubtless, not only has Jesus spoken the Truth, but He has appeared that divine appeal, which is without alternative. As to that city on a hill, it really exists. The God’s chosen and enlightened people live in it. Years ago, I was thinking over the fact where the City was and which Mount Lord Jesus was talking to us about. Then, with solemn spirit and great joy, I declared to my Lord and to me:

“This Mount is Zion and the City is the Heavenly Jerusalem. We are members of the God’s family and fellow-citizens of the saints...”

God was listening to my words and I believed that His heart was satisfied with my confessions. In the last reckoning, does not every one of us live with faith in the God’s promises?

However, Jesus made me think again over my words. What is more – He covered me with such Light and Blessing that I realized - His words, concerning the City on the Hill, had been the true appearance of the Good News. The God's expectations for all of us have been to make the City evident for the hearts of all men. However, are the things really stand in this way? If the Mount Zion is highly above, in the Heavenly places of the God's Glory and Power, then, how would we show this city before the eyes of pagans? How would we tell them that there is one city, more splendid and light than all earth cities? And, would they see what we see? Would they believe what we believe in? The truth, my brother, is that the way to the Heavenly Jerusalem is very long. And God has made, so that His Wisdom has ensured the necessary stages in our spiritual growth and formation.

Before our feet have stepped on that Mount, called Zion, so that we might rejoice in the God's Love and Eternal Life, we should subdue one other Mount, so that we might be found

in THE GOD'S APPEAL to Abraham,
in THE GOD'S CHOICE of Isaac
and in THE GOD'S BENEVOLENCE over Jacob.

I am sure that our Lord is the Most High. I know that nobody of us has been given by now the privilege to know what His Eternal Name, by which he reigns from Eternity to Eternity, is. However, I am much surer that God has revealed Himself to all of us like God of Abraham, God of Isaac and God of Jacob – One God of three men, in whose life we will also see the Mount, which we must subdue with our faith.

When Jesus came to my heart to talk to me about the Mount Moriah, He told me:

“I wish you were attentive in My words. I demand you to describe to My brothers and sisters perfectly well what I will show to you. For, the Word of My God and Father does not change. It is sent in order to change you, but It Itself remains unchangeable. Tell Me then now, a moment before I have devoted you in the deep and Holy secrets of this book: is there anything more elevated, mighty and exalted than the Name of our God?”

"No, my Lord! You are very Holy and Most High! So, Father gifted to you the Name that is above every name..."

"That is right, My boy! If the Son received the Name that is above every name, then, what might be the Name of His Father? And, if Glory and majesty are becoming to My Father, then, how do you explain to you the fact that your Father was called God of Abraham, God of Isaac and God of Jacob? And, among the thousands and millions of names, borne by His children Israel, why did He choose for Himself these three ones? I also warned you in My Gospel, saying that:

"...many will come from the east and the west, and will take their places at the feast with Abraham, Isaac and Jacob in the kingdom of heaven..." (Matthew 8:11)

Does not this fact come to show you that your Father has laid the marks of His Perfect benevolence in the life of these three men? And, if Abraham, Isaac and Jacob were found to be worthy, so that the Almighty God called Himself with their names, then, does not your life have to look at itself in the example of these three men? Do not you have to be children of Abraham, Isaac and Jacob, if your Father has called Himself God of Abraham, Isaac and Jacob? Do not sons bear the names of their fathers?"

"Yes, Jesus! We really have to be called with these names. However, that is not enough for us to gain the benevolence of Father. I understand from Your words that these names are fate and calling for those, who love Father and Father Himself loves them, too. Such men would only bear worthily the three names of the Father's Choice. However, I can not understand the absolute secrecy of the God's benevolence over these names, although lots of verses about them come into my mind and heart..."

Jesus smiled to my words. Then, He kept talking to me, saying:

"Heaven will not receive people, who only quote verses! Heaven will receive men, who live the whole Word, spoken by the Lord's mouth. Either the men quote or do not quote verses, all they will be tested where their hearts are. Some of the hearts will surely follow the Spirit and example of the written Word, but others will continue to deceive themselves, by quoting, without living what they quote. In this

relation, remember by what words the Pharisees opposed Me. Remember how they turned to Me, saying:

“Abraham is our father...” (John 8:39)

Then, I answered to them, saying:

“If you were Abraham's children...then you would do the things Abraham did. As it is, you are determined to kill me, a man who has told you the truth that I heard from God. Abraham did not do such things...” (John 8:39-40)

What were the things Abraham did, My boy? Since, if you want to be called children of Abraham, you should do the deeds Abraham did. However, were not these deeds related to one very great Mount, which the Perfect God's benevolence was laid on? Was not Abraham called a friend of God exactly because he did his Holy deed before the Face of his God and Father on this Mount? Then, who of you will have ears to hear, eyes to see and heart to accept that a city on a Hill can not be hidden? Who of you will understand that, before you have found the Mount Zion and the Heavenly Jerusalem, you have to climb the Mount Moriah? If you all believe in Me and expect My Day, then, how many of you want to pay the worth in order to find themselves in the words of the Lord's mouth? For, I declared to all of you that:

“Your father Abraham rejoiced at the thought of seeing my day; he saw it and was glad...” (John 8:56)

Now, I am going to show to My servant what My Day is. Blissful those, who rejoice in the God's Mercy and Goodness that visit you...”

After His last words, Lord turned to me, stretched His hand and touched my head. So, a moment later, splendid Heavenly vision revealed in front of my heart. My eyes could see a Temple that was shining as the sun. This Temple was going up, put on a high Mount. It had splendid marble pillars, as high as a palm tree. At the foot of the very pillars, there was an open door, behind which a Heavenly radiance was shining. The Temple was built of perfectly polished smooth stones that touched each other as if they had been made ready beforehand for their place. They were looking to be stuck; so, a very small line separated one from another stone. Here, Lord approached the foot of the Temple and told me:

“This is My Day! This is the Day, for the sake of which I came on the earth like the Son of Man and I gave to you the Heavenly teaching of My Father. You, however, touch the walls of this Temple now and tell Me what you feel...”

Listened to Jesus, I stretched out my hand to the walls of the Temple. When my palm touched the smooth stone, I had the feeling that I had not touched a stone, but silk. It was so tender sensation that I felt inside my heart that the stone loved me. Really, streams of God’s Love were springing out of the very smoothness, mildness and perfection. Then, I understood that even if Jesus had showed to me in the vision His Temple, made of smooth stones, they were not usual stones, but rather perfect dwellings of the God’s Love and Light. Then, I slightly withdrew my hand, turned to Jesus and told Him:

“Lord, this is incredible! My feeling was as if it was not me, who caressed the stone, but it caressed me. It was not me, who touched it, but it touched me. So, such Love by Father flew inside me that I understood that these were not usual stones. They were rather appeared by the Holy Spirit as stones in front of my eyes, but I knew in my heart that they were God’s dwellings and precious for the Father and Son souls and hearts...”

“You are not far from the Truth!” – told me Jesus and continued:

“I did not lead you here only to touch the living stones of the God’s Holiness. No! I want for you to become with your heart a witness of My Day. Therefore, let us both go in front of the doors of the Temple now...”

So, Jesus went to the doors of the light Temple and I followed Him. A moment later, Lord and I, we were both standing at the doors of the Temple. He told me:

“I want for you to kneel upon the foundation of this Temple, for My Father will personally speak inside your heart...”

After the words of Jesus, I fell on my knees and the palms of my hands touched the foundation of the Temple at the very doors. Then, a miracle happened to me. Power by the God passed through my hands and my heart peered into the light mountain crystal, which was foundation of the very Temple. Here, the mountain crystal as if moved, so that waves from the

current of an invisible river as if passed amidst its tender patterns. Then, the words of God Father reached my heart. He was saying to me:

“Look, son of man! Now, I have called you at the foundation of My Temple – the same foundation, which you are touching with your hands, so that its divine power is passing through you now. Therefore, let your spirit join the foundation of My Temple, so that you might see what you should give the blind and ignorant men...”

After the words of Father, the mountain crystal as if swallowed my spirit. A moment later, the Temple disappeared out of my sight and I could see myself standing next to the God’s man Abraham. In the one of his hands, he was holding a jar, full with kindled fire, and a knife - in his other hand. His son Isaac was standing next to him, with armful of cut woods. Then, my eyes noticed again the mountain crystal from the light Temple. This time, he was under the feet of the two men. I could see again waters, flowing inside the very crystal. From their whisper, the Voice of the Almighty God was coming to me. He was telling Abraham:

“...Take your son, your only son, Isaac, whom you love, and go to the region of Moriah. Sacrifice him there as a burnt offering on one of the mountains I will tell you about...” (Genesis 22:2)

So, Abraham and Isaac were walking with their feet upon the very mountain crystal. They were climbing up to the Mount Moriah. The closer they were both going to the place on the Hill, the stronger the mountain crystal was shining and the more abundant the waters on it were getting. Finally, the God’s man was on the just place, pointed to him by the God’s Voice. Then, he stopped. He unloaded the armful with woods from his son Isaac and he made a sacrificial altar over one of the white stones on the hill. After that, he caught his son and laid him over the sacrificial altar. When Abraham was ready, he raised his look up to Father. Then, he took his knife and made as if to strike the body of Isaac. In this moment exactly, Lord Jesus appeared. He stretched out his hand to the God’s man and cried:

“Abraham, Abraham!” (Genesis 22:11)

Quietly, Abraham answered:

“Here I am...” (Genesis 22:11)

Jesus said again:

“Do not lay a hand on the boy... Do not do anything to him. Now I know that you fear God, because you have not withheld from me your son, your only son...” (Genesis 22:12)

In this moment exactly, a Ram appeared behind Abraham, caught in a thicket by His horns. Abraham saw it, removed his son Isaac from the sacrificial altar and stretched out his hands to the Ram in order to lay It upon the altar. The mountain crystal moved under my feet and Father told me again:

“Look, son of man! Look and see why Abraham became like My Heart Itself. Look at My Ram and notice how His horns are caught in the thicket, woven in the thorny twigs of the mountain bushes...”

Listened to the Voice of Father, I approached Abraham in the vision and I saw the Lord’s Ram. His horns were really woven in the thorns of the mountain bush. Then, Power from the depth of my heart made me stretch out my hands to the very horns of the Ram and hold them. Love and Light were springing out of the horns, despite the thorns of the bush were tightly stuck to and woven in them. In this moment, I was looking at the Ram and He was looking at me with His eyes. I was holding His horns, and the thorns among them were prickling my palms. This was a miracle for my heart. A moment later, I could already see the head of my Lord, bloody with the crown of thorns. I fell on my knees before the Ram and I cried:

“Lord! Let Your Name be blessed! Your horns are Love and Truth and You became a Son of Man, in order to redeem us. So, Your horns were woven by the human contempt and fury. However, Your anointed man and servant Abraham offered You instead of his son Isaac. Father highly appreciated his sacrifice; so, He made You a sacrifice for the sins of the whole world...”

The Voice of Father kept talking to me from among the mountain crystal, saying to me:

“Go and tell all My children this Heavenly vision with the Mount Moriah! Here, the Abraham’s offering became a foundation of My Temple and his son Isaac became a pillar in this Temple. For, to enter My Heart – it means for you to sacrifice the most precious in you, as I also sacrificed the most precious in Me. So, if My Son told you that Abraham would see His Day, then, have the wisdom of My Spirit to

realize that this Ram here with the horns, caught by the thorn bushes, was My Son, Who wove His Being with the being of the sinful men, so that He might redeem you from the power of sin and death..."

A moment after the words of Father, I could see myself fallen on my face upon the mountain crystal. In this moment, I understood perfectly well that Abraham and his love to Father was exactly this foundation of mountain crystal, and Isaac was the pillar of the very God's Temple. While I was thinking over the wonderful vision, Jesus approached me. He pointed at the doors of the Temple and told me:

"You have already understood what the foundation of the Temple was and what – the pillar. Now, look at the doors of the God's Temple..."

After the words of the Lord, I rose up and I looked at the doors of the Temple. Jesus, Who was smiling, raised His hand forward and told me:

"Go to the very doors! For, you should understand the whole Heavenly Truth about My Father, Who is God of Abraham, God of Isaac and God of Jacob..."

So, I went to the doors of the Temple. The nearer I was going to them, the surer my heart was in the answer that I would find at the very doors. My feet were already at the doors of the Temple, when my look was enlightened by a vision, which might be seen behind these doors. In fact, my eyes could see one splendid stair that was reaching the very Heaven. There, on the top of the stairs, I could see my Lord. He stretched out His hands to me and said:

"Now, you understand what Jacob means! If Abraham is the foundation and Isaac is the pillar, then, Jacob is the Door Itself. He is the appearance of the God's Bethel! Therefore, tell all My brothers and sisters the words, which I ever told Nathaniel; the same words, which I repeat now for those, in whose hearts there is no guile and nothing false:

"...I tell you the truth, you shall see heaven open, and the angels of God ascending and descending on the Son of Man..." (John 1:51)

My heart was very excited with the God's words. Only now did I understand the great secret of the Mount Moriah. This was the place of the eternal God's benevolence; the place, where there is built now an invisible

Temple of the God's Holiness and Love; the place, from where all children of God will be settled in Heavenly Jerusalem.

A moment after the vision with the heavenly stairs, Jesus called me again at the doors of the Temple. He told me:

"Here, I send you to all people to warn them that everybody, who hates the Mount Moriah, he hates Me, the Holy Spirit and My Heavenly Father! Everybody, who rejects My appeal and does not climb the Mount in order to do what Abraham did, he has never been born by Me and he has never been written by My Father in the Book of Life. Here, in this last time, Heaven will open its doors and will call all of you through the prophets, sent to you. However, only those men, who are worthy in My eyes, will inhabit the Heavenly dwellings. They will only be those men, who enter the destiny of My words in "Revelation":

"Him who overcomes I will make a pillar in the temple of my God. Never again will he leave it. I will write on him the name of my God and the name of the city of my God, the new Jerusalem, which is coming down out of heaven from my God; and I will also write on him my new name..." (Revelation 3:12)

As to what you should overcome and the way to overcome it, in order to become pillars in the Temple of My Lord, let Me devote you now in the next visions I am to give to you. These are the visions, by which I will lead you to the open doors before the Philadelphian church..."

After these last words of Jesus, the vision with the Mount Moriah stopped. Therefore, I took up writing everything wonderful and perfect that the Kindness and Mercy of my Father had given me to experience during the living communication with my Lord and God.

2. THE VISION WITH THE IDOL PILLARS OF WICKEDNESS

My brother! I wish you had understood everything from the vision with the Mount Moriah. I wish you had understood that this Mount is very real and splendid. So, you should not let other subdue it if Jesus has called your heart today. The fleshly men around you will neither understand this appeal, nor will they want to take the way to the God's Holiness. In their view, Abraham, Isaac and Jacob are only history and men, died long ago. However, those, who are faithful and pure, sincere and spiritual, know that Abraham, Isaac and Jacob are the pillars of the God's Holiness, Justice and Love. These three men are the worthy ones, by whom Father has built His Temple, invisible for the world. They are the living ones, who the dead men could not receive at all. They are the same, who our Saviour had in mind in His reply to the Pharisees:

"But about the resurrection of the dead - have you not read what God said to you, "I am the God of Abraham, the God of Isaac, and the God of Jacob'? He is not the God of the dead but of the living." When the crowds heard this, they were astonished at his teaching..."

(Matthew 22:31-33)

Here in this way, my brother, according to the power of the written word, many people would wonder if you tell them that you want to become a part of one invisible Temple and to find in It a personal communicate with the living Abraham, Isaac and Jacob. However, these three men will not enliven in your heart unless you follow their example. These three men will become living for you, when you bow before the Living God, Who is calling you now to live a life of holiness, humbleness and purity. Therefore, I will continue now with the much more abundant God's wisdom that began to spring out of the lips of My Lord and Saviour. This time, He would show to my heart what happens in the valley under the Mount of the God's Holiness.

Here are the words, by which my Saviour kept talking to my heart. As a beginning, He told me:

"Let Me lead you now to see what happens in front of the eyes of My God and Father in the valley under the very Mount of Holiness. There, you will understand what the main reason for the men to be unwilling to follow the way of Abraham is..."

After these words of His, Jesus stretched out His hand and touched my head. So, a vision appeared in front of my eyes, as if from a bird's eye view. I could see again the God's Temple of Holiness, raised on the high and Holy place; this time, however, Lord did not turn my look to the top of the Mount Moriah, but to its very foot. Here, I looked at the foot of the Mount and I saw crowds of hundreds and thousands of people. They were all very noisy and joyful. Then, Jesus told me again:

"Let us approach and go down into the valley itself, so that you might see why these crowds are so noisy and joyful..."

So, Jesus and I approached the crowds in the vision. Then, I noticed that the crowds were separated in groups, so that each group was doing something like what the other group next to it was doing. However, I could not see what the thousands of men in the groups were doing yet. That is why Jesus led me much closer to the crowds, so that my eyes noticed huge gold pillars with human faces, cut out in them. The pillars were situated flatways and every one of the groups had its own gold pillar. Great animation was reigning around them. When all details of the vision became very clear, I could notice how the thousands of men were bowing before the gold pillars and were binding to them long ropes. They were kissing with their lips the faces, cut out in the gold pillars and were drawing their rope, bound to the pillar. So, after their worship, I saw in one moment that all worshipers had stretched their ropes tight.

Then, something like improvised raising of the gold pillars began. The worshipers were singing and crying "Alleluia". Then, with common efforts, they were pulling the ropes, so that the pillars began to rise up. The more the worshipers were pulling the ropes, the higher the pillars were raising until they were entirely raised up at the end. A moment after the raising of the gold pillars, which occurred among all crowds at the same time, something new happened. The worshipers began to strengthen their gold pillars with mounds of earth, which they were uniformly heaping from all sides. So, one mass lifting of gold pillars by the human crowds was realized in front of my eyes. Here, speakers stood in front of the gold pillars; they made the crowds become silent and listen to their words. The speakers were pointing at the tops of the gold pillars and were crying with loud voices:

These are your leaders, oh church, who made you victorious over the world! These are the children of Abraham, who took down the whole heavenly prosperity on the earth. These are the men, who we should follow and whose example we should imitate! Amen, Amen!”

After the words of the speakers, the crowds went mad with rapture. They were throwing their clothes into the air and were crying “Alleluia”; Then, they were climbing up again upon the heaps of earth, strengthened the gold pillars, in order to kiss and embrace their gold idols. While I was looking at the horrible vision, I knew in my heart one thing:

These men would never find the way to the Mount Moriah. They already had their own pillars, which were satisfying their faith. They had an example, which their hearts were approving. They already had a target of their human rapture, which they would never give up. While I was opening my mouth to express my disgust at this view, He raised His hand, pointed at the valley and told me:

“Look at what I am showing to you now! For, the wickedness of the multitude had not been increased and the men had not become so stubborn in their evil intentions and deeds yet, when My Father did something, which the men, blind with worldly rapture and delight could not see. Look and see what My Father did...”

I looked at the place, where the Lord’s hand was pointing at. Then, I saw one high and impassable wall, made of something, looking like a transparent glass. This wall had surrounded the Mount Moriah, so that it was impossible for those crowds to approach the Hill. What is more – Jesus told me again:

“Let Me lead you near the wall of My Father, so that you might see its very effect...”

So, we approached the wall, by which Father had surrounded the Mount Moriah. When I look at the wall, I was startled with astonishment, because the regard through it was very deceitful. Everybody, who would look through it, had the feeling that he was not in the valley, but on the top of the Hill. It was a glass of deceitful imagination, through which everybody could see himself on the very top, so that his eyes were contemplating chains of hills and tops, lower than the valley itself. This place had exactly chosen the crowds, described above. All people in them had been looking through the deceitful

glass and the view seemed to be very real in their own eyes and hearts. Not only did they imagine that they were on the top of the Mount... No! They were convinced that this was exactly the place, where they had to raise their pillars. Then, I asked Jesus:

"My Lord! Why has Father surrounded the Mount with this wall of deceitful glass? Why has not He showed to the crowds that they are in the valley, instead of on the top of the Mount?"

Jesus replied:

"My Father is the Reader of the human hearts! He is That One, Who discerns the thoughts and intents of the hearts. If one heart has fallen in love with the world of the devil, but it believes that it is holy, My Father leaves it to believe further in the same way. It is the same as if you would imagine a bridegroom, who knows that some of his brides is unfaithful to him. She would never tell Him that she is unfaithful to him, but she would confess before him that she loves him very much. After that, when she goes out in the world, the same this bride will fornicate with the devil and will give herself to him. Then, what do you think of that? Is not it beneath the dignity of this bridegroom to hold such bride responsible if she is not faithful to him? In the same way, can I make churches, possessed by the devil, be in love with Me, against their will? Will not your Lord make something else, exactly – to let every one of the brides walk according to the call of her heart? So, if the devil has deceived these crowds that they are on the Mount, does not this invisible wall have to convince them in the same thing?"

The questions of Jesus seemed to me well-known. Therefore, I told Him:

"Lord, if I rightly understand You, it looks out that You show to me here in a vision the realization of the written word:

"And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness..."

(2 Thessalonians 2:11-12)

"That is right, My boy. These men in the vision like the delusion and so they receive it, according to their wish. In their eyes, Abraham

is not the example that would lead them on to the Hill. These are not the children of Abraham, who they would like to be. They rather look at something else in the life of this friend of God. They long for his blessings in earth places, without taking into account that the heart of Abraham was not walking after his wealth. The devil raised out of these crowds exactly men, rich in earth things; therefore, the crowds admired such people and made them as gold pillars, which they would bow to. Do you understand now that pillars stand against pillars? The pillars of the Mount will go into smashing clash with the pillars from the valley. And nobody of the worshippers in the valley will ever see that My God and Father has pronounced His judgement against these idols of the crowds and against the lying prophets of Antichrist long ago. For, while My Father was still building this wall between His Holiness and the worldly spirit, He declared some absolutely just words, which He gave through His prophet:

“When they placed their threshold next to my threshold and their doorposts beside my doorposts, with only a wall between me and them, they defiled my holy name by their detestable practices. So I destroyed them in my anger. Now let them put away from me their prostitution and the lifeless idols of their kings, and I will live among them forever...” (Ezekiel 43:8-9)

How many of you saw that the Threshold of the God’s Home was exactly the place, where Abraham went to the Mount Moriah from? Exactly the Threshold attracted Abraham, so that the deed, done by the God’s man, might become foundation for Him. The present churches of vainglory and human pride placed their threshold next to the God’s Threshold, and the gold pillars of their human temples next to the doorposts of the God’s Temple; however, they did not think at all that there was a wall, separating them from the God. They did not understand at all that it was not possible for them to defile the Name of the Lord and, in the same time, to remain unpunished. Therefore, Lord your God is turning to churches and pastors today. He tells them exposing words, which leads to life:

Put away from Me your prostitution and the lifeless idols of your kings! Let every one of you fall on his face and confess that he is blind before the Lord! As to those, who think that they see, Lord shall send them strong delusion, that they should believe a lie. For, if you were blind, you would neither say that you were children of Abraham, nor would you raise the gold doorposts of the religious wickedness. However, you are on the top in your own eyes and you do not see anybody worthier than you. You do not want to repent because of your pride. Therefore, the wall between Lord and you will stand in order to condemn you in the Day of Judgement. If anybody of you considers that he is on the top of the Mount, let him remain there until I come. Let him rest steady on his place, without giving up the pillar, which he has built with his faith. If such man is really on the Mount, his reward in heavens will really be great. However, if the top has been a valley of worldly imitation and the pillar – faithfulness to idol worship, then, woe to such servant, who has misled many people in his own wickedness. For, the Day really comes, when nobody will stop the Lord from the wrath in His nostrils and from His retribution over the wickedness. Then, the verses of My prophet will surely be like a rain from Heaven that will wash the earth from its wickedness. Let those, who are alert, remember My words now:

“In that day,” declares the LORD, “I will destroy your horses from among you and demolish your chariots. I will destroy the cities of your land and tear down all your strongholds. I will destroy your witchcraft and you will no longer cast spells. I will destroy your carved images and your sacred stones from among you; you will no longer bow down to the work of your hands. I will uproot from among you your Asherah poles and demolish your cities. I will take vengeance in anger and wrath upon the nations that have not obeyed me...” (Micah 5:10-15)

After His last words, Lord turned to me, and His Face looked out as if there was fire, enflamed upon it. Then, He told again:

“Now, when your heart saw what the worshipers of prosperity and the worldly spirit were doing; when you saw how My Father had sent delusion to them; you already know and all My people also see that the

idol pillars are exactly an obstacle for your faith in God. The devil has built these pillars very near to the Mount, so that he might catch under his power everybody, who would dare to follow the way and the example of Abraham. Then, his captives, who take their eyes off the goal and the high calling of God in Christ Jesus, decide to build for themselves paradise on the earth; paradise without God and kingdom without King; temples without Holiness and pillars without Justice. However, despite the wickedness of most people, your Father has kept His rest, which will surely climb up the Mount in order to raise the last building of the last Temple on the earth..."

After these words of the Lord, the vision with the idol pillars in the valley stopped and Jesus took my hand in order to show me the next Heavenly vision, related to the open doors before the Philadelphian church.

3. THE VISION WITH THE OPENED DOORS BEFORE THE PHILADELPHIAN CHURCH (OR ABOUT THE PILLARS OF THE GOD'S TEMPLE)

My brother! My faithful friend!

It is useless me to ask you which pillars your heart strives to. It is useless me to ask you whether your heart is disgusted with the idol pillars of wickedness, because I know that your answer will be affirmative. However, such is exactly the spiritual picture upon the last state of the churches, which have grown cold. They decided to overcome the world, but not for Jesus and not for the Good News. They went to overcome the world for the sake of their own profit and prosperity. Here exactly, they stumbled. In their darkening, they forgot that the children of God have nothing in common with this world and that it is not worthy for the followers of Jesus. That is why the idol pillars of wickedness were built in that valley, which Jesus had showed me in the vision above. What more convenient for one mediocre faith and one cooled and indifferent crowd than this – to make for itself a cult and to create a respect to idol pillars, enriched by commerce and business? However, these pillars exactly will be their part and destiny.

For, when the hearts have forgotten the barefoot and scratched with walking feet of the first apostles; when they have been impressed by the modern limousines of one gang of merchants and criminals; then, the end of such hearts will respond to their faith. However, in spite of the increased wickedness, Lord is still speaking. Despite the idol pillars in the valley, Jesus has kept His Own rest of faithful, pure and alert people. They will exactly be an object of the visions further in this book. Therefore, let me continue with the words of my Lord, Who was again next to me, saying:

“Now, I want to show to your heart Heavenly truths, which you have to tell all My brothers and sisters. In these Heavenly truths will exactly be the expiation and confirmation of My last living Church on the earth. I have devoted your heart in the plans of My God and Father many times. Many times, I have showed to you how great and responsible deed He has laid upon the shoulders of His servants, the

prophets. However, one church does not only consist of prophets. One Temple does not only consist of pillars. It needs its Holy stones, who have to be built together to become a dwelling in which God lives by His Spirit. Therefore, I will show you now how My Father opens the doors of Heaven before that Church, who I found to be faithful and true witness of Heaven. I have in mind the Philadelphian church: the church of My Love, appeared among all My brothers and sisters; the church, who was active and strong in the Spirit and Power of David and who found the key to the Heart of My Father. So, look at the vision, which I am going to show before your heart..."

After His last words, Lord touched my head and, a moment later, a vision appeared in front of my eyes. I could see my Lord Jesus, suffused with Heavenly Light. He was standing in front of the Heavenly doors and He had stretched out His hands to the earth. So, mighty shafts of light were going out of Jesus' fingers and were touched the earth. At the place of the very touch, it appeared Heavenly Way, which was leading up to the Saviour. And here that the Power of the Holy Spirit took me closer into the vision, so that I found myself near the Way, formed by the Lord's rays. Then, I noticed how great crowds of people were coming close to this Way. The nearer they were coming, the stronger the Way was shining with the God's Light.

Exactly then, aside of the Way, some signs happened. The unlit part of the earth began to shake and quake, so that huge crevices appeared on its surface. Demons, suchlike clouds of smoke and dust, began to jump out of these openings in the earth. These demons rushed to the crowds and began to attack them yet before the men had stepped with their feet on the light Way, formed by the rays of Jesus. Due to the attacks of the dark powers, most demons possessed the crowd of people. Then, thousands of them began to run. This running was very impressive, because the possessed men looked like athletes with great physical strength. They passed by the light Way of the Lord and kept running across the earth, provoking the admiration and approval of the crowds.

Finally, the Holy Spirit led me much closer into the vision, so that my heart could already hear even the commentaries of the onlookers of the

demonic signs. These onlookers were raising their hands and were crying in rapture:

"We thank you, Lord! You have given such great power to your servants. Every one of yours is like Samson in his power..."

Others around them, while they were listening to their exclamations, were seized by the common rapture. They were pointing at the running athletes and were crying:

"Let us follow them! Let us run in their path in order to win the prize..."

So, there was no longer than the whole multitude began to run after the athletes. Most people bypassed the Way of Jesus and followed them, running in the same way across the earth. However, not everybody followed the athletes. Small groups of men remained there, at the Lord's Way. There were humble men among them, who knelt before the Lord, crying:

"Lord Jesus! This multitude did not meet any resistance from the devil. How shall we believe that You are with it? And these men, who look like Samson and demonstrate their power, they will surely be overtaken by the wile of Delilah."

In reply to the prayer of the humble men, Lord came down from Heaven. He stood near the knelt people and touched them with His hands, so that their clothes shone with the Lord's Light. After that, He told the knelt men:

"Follow Me!"

So, the knelt men stood up and went after Jesus, Who led them into His Way. When the last of them stepped on the Way, Jesus pointed at Heaven with His hand and told all of them:

"See, I have placed before you an open door that no one can shut. Therefore, take the Way up and remember My command to keep My teaching, withstanding everything that is going to happen..."

After these words, Lord rose at the Heaven. Then, He turned to the men, led in the Way, still holding His hands stretched to them. Then, I noticed that the men, called by Jesus, went up. My astonishment was getting greater and greater with every moment, because the men, pointed and led by the Lord, were walking with great difficulty. They were making a step for a minute with the cost of great efforts.

In this moment, something else happened: the whole crowd, which admired so much the athletic running of its leaders, noticed the painful climbing of the men, called by the God, upon the Way. Most people of the crowds began to grin and point with their hands at the men on the Way, telling them:

"Is this your Christianity? Is this your power? You are not any competitors, but rather tortoises! Ha, ha, ha! With such a running, you will not win the prize! Lord does not give power to strangers like you, who give up running after the God's anointed men..."

The words of the mockers had very strong effect. Others around them, possessed by demons of malice and contempt, began to cry:

"Let us remove them from their way! For, these are the men, who cause differences and heresies. They are those, whose bitter root defiles many..."

So, stones flew to the God's men; they hurt their souls and hearts. They, however, remembered the Lord's command and did not return to the provocations. They did not leave the Way and kept going up. Then, Jesus reacted from the Heavenly doors. God's messengers began to climb down His Heavenly stairs to His called people; they were carrying jars, filled with God's Oil and Bread. So, the messengers reached the called people on the Way. They laid the jars in their feet and told them:

"Confirm your hearts! The time of your redemption is coming. Raise your heads up and consider everything rubbish that you might gain That One, Who calls you! See, the Heavenly doors are open before you! Father, Who sent us, saw in your hearts the longing of Jacob. You are that offspring of Jacob that is looking for the Face of the Almighty God. So, God beloved you with ties of everlasting love, since you preferred creeping up instead of running down..."

Rejoiced with the words of the God's messengers and with the jars, filled with Heavenly gifts, the God's called men confirmed their hearts with the Bread and Oil from Heaven.

After that, they began to climb up the Way again. And here, the great miracle of the Heavenly Transfiguration began to work over the men. With every step, they were getting firmer and surer. What is more – the stones of

malice and contempt could not hurt them any more and broke into thousands of pieces at their touch with the firmness of the God's people.

I was looking at the splendid vision and only now did I understand everything. Jesus had showed to my heart the great secret of the Father's Choice and benevolence. Yes, my brother! God was creating the stones and pillars for His Holy building. These men, touched and led on the Way by Him, were exactly the Philadelphian Church. Jesus, Who wanted to confirm my conviction, stood again next to me and asked me:

"Did you understand My vision, Stefan? Did you understand why the God's men were creeping like tortoises, while the devil's worshipers were galloping like horses?"

"Lord, You showed two ways in front of my eyes. The former way was the way of sin; in this way, there is not any resistance by the devil. It leads downwards. It is easy for a man to walk down; it is easy even to run quickly. The latter one was the Way to Heaven. This way leads upwards and it gathers in itself all resistances and obstacles of the devil. Therefore, man can neither walk fast in it, nor has man great power to overcome easily the Heavenly climbing up..."

"Then, remember what I have promised to all people, who I saw in the Philadelphian Church! Then, I told them these words through My angel:

"...These are the words of him who is holy and true, who holds the key of David. What he opens no one can shut, and what he shuts no one can open. I know your deeds. See, I have placed before you an open door that no one can shut. I know that you have little strength, yet you have kept my word and have not denied my name..."

(Revelation 3:7-8)

I also warned them that they had to endure the reproaches of most people, saying to them:

"Since you have kept my command to endure patiently, I will also keep you from the hour of trial that is going to come upon the whole world to test those who live on the earth. I am coming soon. Hold on to what you have, so that no one will take your crown..."

(Revelation 3:10-11)

Now, do My people understand that they should patiently endure all abuses and mockeries by those, who live in the excess of riot and flood of dissipation? You are excessive and extreme in their eyes and they are extreme in your eyes; that is why they wonder at your behaviour and way of life. Do My people understand that the little strength is not a reproach by the Lord, but the clearest spiritual confirmation in your heart that the Way to Heaven is not easy at all? Do you understand now that people, who are running and galloping, can not come through that narrow gate and through that cramped way of Mine, but only such ones, who are creeping? If Jacob saw the opened door to the Heaven, so as My followers from the Philadelphian church saw it, then, are there any men, who have not understood yet why Jacob had called by My Father with one just determined word? And which is this word? For, I have already talked to you about it..."

The words of Jesus were very light and my heart caught the Lord's Light. Therefore, I told Him:

"Jesus! I remember these words of Father. He told all those, who had in their hearts the longing of Jacob, these words:

"But you, O Israel, my servant, Jacob, whom I have chosen, you descendants of Abraham my friend, I took you from the ends of the earth, from its farthest corners I called you. I said, "You are my servant"; I have chosen you and have not rejected you. So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand. "All who rage against you will surely be ashamed and disgraced; those who oppose you will be as nothing and perish. Though you search for your enemies, you will not find them. Those who wage war against you will be as nothing at all. For I am the LORD, your God, who takes hold of your right hand and says to you, "Do not fear; I will help you. Do not be afraid, O worm Jacob, O little Israel, for I myself will help you," declares the LORD, your Redeemer, the Holy One of Israel..." (Isaiah 41:8-14)

In reply to my words, the Face of the Lord shone with unusual Light. He said again:

“Do not fear, you, My little rest, descendants of the God’s Friend Abraham! Even if you have little strength and you are like worms in the eyes of the crowd, the benevolence of My Father will never remove from you, but will abide inside you. Today, Heaven deigns in worms, which are creeping up, instead of deigning in horses, which are galloping in their passions and are neighing in the dark pastures of the evil one. Here, there is a reason, hidden deeply in the Choice of Father, due to which He has laid opened doors exactly before the Philadelphian Church. This reason is hidden again in the Name of your Father, Who is the God of Abraham, the God of Isaac and the God of Jacob.

In this relation, remember the words, by which I revealed Myself to My people from the Philadelphian church. What were these words, Stefan?”

“Lord, You told this church the words:

“To the angel of the church in Philadelphia write: These are the words of him who is holy and true, who holds the key of David. What he opens no one can shut, and what he shuts no one can open. I know your deeds. See, I have placed before you an open door that no one can shut. I know that you have little strength, yet you have kept my word and have not denied my name...” (Revelation 3:7-8)

“Are you convinced then that the faith of David is exactly the target of the Philadelphian church? And, if Philadelphia means “brotherly love”, then, where in the Word of My Father was such brotherly love appeared? Was not it in the life of David?”

“Yes, Lord! Such love appeared exactly in the life of David. This was the love between David and Jonathan...”

“Then, think why your Lord places open doors before the Philadelphian Church! Does not He do it, so that He might prepare It for one great deed, as He also prepared David once? For, did not David wish to raise a Temple for his God and Father? Then, remember what My Father answered to him...”

“Jesus! Once, David shared with his son Solomon, saying to him:

“My son, I had it in my heart to build a house for the Name of the LORD my God. But this word of the LORD came to me: “You have shed much blood and have fought many wars. You are not to build a house for my Name, because you have shed much blood on the earth in my sight. But you will have a son who will be a man of peace and rest, and I will give him rest from all his enemies on every side. His name will be Solomon, and I will grant Israel peace and quiet during his reign. He is the one who will build a house for my Name. He will be my son, and I will be his father. And I will establish the throne of his kingdom over Israel forever.” “Now, my son, the LORD be with you, and may you have success and build the house of the LORD your God, as he said you would...” (1 Chronicles 22:7-11)

Then, see My words to all those, who belong to the Philadelphian Church – the church in the Spirit and Power of David. I answer to them as My Father answered to His anointed man once:

“Him who overcomes I will make a pillar in the temple of my God. Never again will he leave it. I will write on him the name of my God and the name of the city of my God, the new Jerusalem, which is coming down out of heaven from my God; and I will also write on him my new name...” (Revelation 3:12)

If My Father’s benevolence moved from David over his son Solomon, who built Him a Temple on the Mount Moriah, will not My benevolence be today over all those, who want to climb up this Mount? Is not this exactly the great spiritual test by Heaven, which you should bear? Are not these exactly the open doors before you, who are descendants of Jacob?

Therefore, I warn you:

From now to the taking of My Church in Heaven, the Spirit of the Lord will be seeking and will find people, died for themselves. They will receive the Lord’s appeal in their hearts and will see the open doors to the Heaven. Then, submitting to the Word, given to the servants of My Father, sent by Heaven, they will become pillars in the Temple of My God and Father.

From now to the taking of My Church in Heaven, the Spirit of Lord will be looking for and will find pastors with the humble heart of David. Obeying the Voice of the God, they will leave My Father to raise that Solomon, who has been pointed as a builder of the Lord's Temple on the Mount Moriah.

From now to the taking of My Church in Heaven, the Spirit of Lord will be looking for and will find men, who are not preaching about fight, but about firmness. For, the Temple of the Lord might not be built with spears and arrows, but with smooth and firm stones.

From now to the taking of My Church in Heaven, the Spirit of Lord will be looking for and will find men, who are preaching peace with the God, instead of peace with the prince of this world. For, the age of Solomon is time of peace and triumph of the Lord's nation on the earth.

From now to the taking of My Church in Heaven, the Spirit of Lord will be looking for and will find men, who love and receive the God's messengers, coming through the open doors to the descendants of Jacob. For, My Father has given His servants, the prophets, the Heavenly plans of His last Holy Temple.

From now to the taking of My Church in Heaven, the Spirit of Lord will be looking for and will find men, who will live the psalm of the Lord's return. So, their mouths will be filled with the Spirit of Isaac, according to the written:

"When the LORD brought back the captives to Zion, we were like men who dreamed. Our mouths were filled with laughter, our tongues with songs of joy. Then it was said among the nations, "The LORD has done great things for them..." (Psalms 126:1-2)

From now to the taking of My Church in Heaven, the Spirit of Lord will be looking for and will find the stones for the God's Holy Temple and the pillars, whose faith will support the roof of the God's Glory.

Here, I am coming soon!

Blessed are the men, who receive the prophetic good news and whose hearts hear the sound of the trumpet!

Blessed are the men, who, even if they have little strength, yet they have kept My Word and have not denied My Name. They are exactly Abraham, Isaac and Jacob and their Lord is the God of Abraham, the God of Isaac and the God of Jacob.

Here, I am waiting for you on the Mount Moriah! Take My Faith, by which I filled My words! So, you will become Holy stones and pillars in the Temple of My God and Father!

I pronounced it! I spoke it!"
