TO YOUR HEART

My dear brother! My faithful friend!

Despite all splendid prophetic visions, which Jesus gave me for churches and believers, I dare say that the vision you are about to see now, is unique in its target and message. This is a vision, related to the destiny of the empty words and of those, who pronounce them. I do not know whether you have been aware of the words you pronounce. What happens to them? Where are they all going to? Anyway, I would like for you to know: as nothing disappears in the nature, so each word finds its own place in the spiritual world. Either that our words will go to Heaven, or to the depths of hell, we all need clear spiritual regard upon the fate of the words we pronounce. For, in difference to the flesh, which is given to bear limited number of children (and we look after them for the whole our conscious life), our spirit is given to bear words. Our hearts are always like stores for lots of words, ready to go out through the door of our lips and to live their invisible destiny. Now, stop and think over it! We exercise control over the children, born by flesh and we are always informed about what they are. As to the words, born in our heart, however, our control over them is more difficult or practically impossible. Pronounced once, the words fly away from us. They turn into a seed that falls into determined spiritual ground. And, when the time for harvest comes, we certainly collect what we have sown. In this relation, the spiritual laws, established by our Creator, are absolutely impartial. Man always reaps the fruits of what he has sown.

In these last days, the power of the devil has become so powerful that, if God deigned in opening our eyes, we would have seen how the stores of the evil one overflow with evil words. Then, we would understand that the human words are the batteries of the devil. They are his inexhaustible accumulator; his right, allowed by God, to intervene into the human being according to his intentions and will. Please, think over this! For, the Creator and His creation are in inviolable harmony. If you seek the presence of the Creator, you will surely be in His creation. And the seeds, which are being sown there, are always under the benevolence and blessing of God and Father. Except for the Creator and His creation, however, there are persons and places that are separated from the God's presence. These persons are the devil and all his

fallen angels. And the places they haunt are the abyss, the hell, the sub-celestial places and the whole world that lies in the wicked one. Do you understand now that, if you sow your words in the abyss, hell, the sub-celestial places and the world, you will surely reap from them? However, if you sow in the presence of the Holy Spirit, you will surely reap from Heaven. That is why Lord gave me to write this book. He did it, so that you might understand that the only place, blessed by God and Father for your words, is the presence of the Holy Spirit. Only in His presence, the words are seeds that will germ and yield their abundant fruits. God Himself will surround them with His presence. So, fate by Zion will come in your life and the written word will become true:

“May the LORD bless you from Zion all the days of your life; may you see the prosperity (the good – KJV) of Jerusalem, and may you live to see your children's children...” (Psalm 128:5-6)

However, how many of us would like to see their children’s children? How many of us have over jumped their fleshly thinking, in order to see the precious in these verses? For, heathens also see their children’s children and even called themselves with pride “grandpas” and “grandmas”. However, if you really want to see how your words, inspired and born by the Holy Spirit, do destiny and change hearts, be ready to open your mind and heart for one deeper penetration – penetration into the very mystery of the words and their fateful power. Exactly about this power, Solomon wrote:

“From the fruit of his mouth a man's stomach is filled; with the harvest from his lips he is satisfied. The tongue has the power of life and death, and those who love it will eat its fruit...” (Proverbs 18:20-21)

What do you think, my brother? Is there life or death in the power of your tongue? Is your spirit satisfied with the right words, said on the right place and in the right time? Do not many people around you pronounce words of death? And, does not this death look for entrance in your heart? Does not it make you answer to the abuse with abuse, to the insult with insult, to the reproach with reproach and to the slander with slander? Do not you notice that you often pronounce words, which you would not like to pronounce? And these words take control over your mouth and infect your tongue with power, greater than the power of your personal will... Then, without being able to stop your mouth,

you become an instrument of alien will that possesses you and extorts from you the words it needs...

I should sincerely tell you that, despite the whole anointing and inspiration, by which Jesus has filled my heart, wall of resistance rose in front of me in order to hinder me write this book. That one, who is powerful to erupt from his wicked heart millions of wicked words against the God and His children, did not want me go deeply into the right comprehension about the destiny of words. As at the writing of every previous book, not what the devil wanted happened, but what Jesus wanted to. Lord allowed to the devil resist to my heart. Then, He came again to me in order to crush His millennial adversary. Here are the words, which Jesus began to talk to my heart:

“Did you see how cruel the devil’s resistance was? Did you see how he did not leave you to rest even for an hour, but he was attacking you with words of depression and desperation? What happened then, My boy?”

“Lord, it happened that my heart burst into flames of fire, which I had never wanted; fire, which I had ever hated. Many times, this fire proved to be more powerful than the firmness and godliness You had laid in me. So, I began to make bad confessions; confessions of resignation and fear; confessions, which made me feel ashamed and which fateful power could only be prevented by You. In fact, my Lord, I realized that the greatest power of Satan was hidden in words. May be, for this reason Your Apostle James wrote:

“We all stumble in many ways. If anyone is never at fault in what he says, he is a perfect man, able to keep his whole body in check...”

(James 3:2)

I understand now that, when James has talked about the “**perfect man**”, he has not had in mind earth men. He has had in mind You and Your presence in our hearts. For, You Are only the Perfect Man, Who is never at fault in what He says. You Are only the Man, Who is able to keep His whole Body, which is the Church, in check...”

Jesus smiled. Then, He said:

“That is right. You have really understood the hidden message in the words of James. However, think now and told Me:

Why did My Apostle so much emphasize in his message on the power of the words? Did not he have his painful experience and reproach by the Lord? Was not there anything in his life and in the life of his brother John, which he remembered throughout the time of his service to the Heavenly King?"

While I was thinking over the words of Jesus and trying to answer Him, Lord touched my head and told me:

"Do not try hard to give Me answer, whatever I could only give to you! Instead, look better at the view I am going to show you now..."

After His last words, Lord disappeared from my sight. After a little while, when I was already in the Living Gospel, I saw Him walking together with the apostles. And here, a sign happened then. From behind Jesus and His apostles, the devil appeared. So, I noticed that Lucifer was dressed in a black cloak, which was blazing in front of his chest. The fire of the cloak itself was so strong that even I myself felt its warmth. Lucifer, who was already walking along with the apostles, touched the blazing place of his cloak, so that his hand blazed, too. After that, he stretched out his blazing hand and set on fire the hearts of two of the Lord's companions. And here, they were both transformed by the fire. They stopped and their faces changed. Then, these words went out of their lips:

"Jesus, You Yourself saw that nobody in this village accepted either You or us. We were chased out and insulted. Lord, do You want us to call fire down from Heaven to destroy them? For, so did Prophet Elijah with the messengers of Ahaziah once..."

I was looking at the vision and my astonishment was complete. For, the fire, by which the devil had blazed the Jesus' companions, went out of their mouth. Then, my Lord turned to them. He stretched out His hand, stopped the fire, coming out of their mouths, and said:

"You do not know what manner of spirit you are of. For the Son of Man did not come to destroy men's lives but to save them. And why are you calling for the thunder, which defeats by fire, instead of calling for the rain that gives you living water? Why are you calling for that one, who fell like a thunder from Heaven, instead of attaching your hearts to That One, Who raises the oppressed souls and hearts? Are not you Boanerges, Sons of Thunder, to which your lips testify, too?"

The words of Jesus had so great effect that the devil jumped back in panic, and James and John bent their heads before the Lord and could not see anything... A moment later, the vision stopped. Jesus appeared again in front of me and asked me:

“Did you understand the vision now? Did you understand now what the Lord’s reproach, which James and John remembered to the end of his earth days, was?”

“Yes, Lord! I understood now that You called them **“Boanerges”**, i.e. **“Sons of Thunder”**, so that they might always remember the moment in their life, when they have not spoken by Your Spirit.”

“Then, see now how deep and pure the repentance of James has been, by reading the words he wrote in his message to all churches. See how he told you:

“When we put bits into the mouths of horses to make them obey us, we can turn the whole animal. Or take ships as an example. Although they are so large and are driven by strong winds, they are steered by a very small rudder wherever the pilot wants to go. Likewise the tongue is a small part of the body, but it makes great boasts. Consider what a great forest is set on fire by a small spark. The tongue also is a fire, a world of evil among the parts of the body. It corrupts the whole person, sets the whole course of his life (the wheel of his life – Greek translation) on fire, and is itself set on fire by hell. All kinds of animals, birds, reptiles and creatures of the sea are being tamed and have been tamed by man, but no man can tame the tongue. It is a restless evil, full of deadly poison. With the tongue we praise our Lord and Father, and with it we curse men, who have been made in God's likeness. Out of the same mouth come praise and cursing. My brothers, this should not be...” (James 3:3-10)

Now, after having seen the words of Apostle James, tell Me:

Am not I the Ruler and Wheelman in your life? Is not this a reason for Me to require from you to give Me the whole your hearts and lips, so that your fates might float there, where I would like to? However, if the tongue, this world of evil, has become fire, then, descendants of Boanerges, sons of one, fallen like thunder, have come into My Church

to erupt abuses and curses against My chosen men. Will not I repay to this wickedness? Will not the course of their lives (i.e. the wheel of their life) be set on fire by hell, according to the right words of My Apostle? However, if nobody in My Church wants to see Boanerges, then, who will want to see the fiery wheels of life, burst in flames? Who will be in want to comprehend what this "wheel of life", described by My apostle, means?"

I was listening to the Lord, without being able to understand anything. This **"wheel of life"**, mentioned in the apostolic message (in Greek translation), was standing so far from me as a notion and knowledge that, in the next moment, I fell on my knees before Jesus and told him:

"Lord, You know that I am dust. You see, Jesus that, I am a man with unpurified lips, who could hardly endure the fire of suffering and persecution. Please, be merciful to my heart! I pray You, have mercy to all my brothers and sisters, whose hearts have been set on fire today by the last descendants of Boanerges. I pray You, Jesus! Give me the prophetic word and light, so that I might see the blazing wheels of life; since, I am blind without You and I can not understand the words from the message of Your Apostle..."

Lord stretched out His hand to my heart and said:

"I am the Light That enlightens the life of every man. I anybody believes in Light, he will also abide in Light. He will be able to see what is hard to be seen and comprehend what is hard to be comprehended. Therefore, follow Me in the visions I am going to give you now. By them, the blind men will begin to see and lots of the Sons of Thunder will repent, and will become again Sons of Rain..."

After the last words of the Lord, flush of Light by the Holy Spirit overflowed my heart. It was like water, born by Sun. In the gentle waves of this water, my eyes began to see. I could see those mysteries of the spiritual world, which the God's jealousy had kept in secret by the time of the mighty purifying and raising by the God's Prophetic Spirit.

Before the Lord and His Holiness, Mercy and long patience, I encourage you, my faithful brother, to follow the Voice of the Only Ruler and Saviour of the souls. So, you will rescue the wheel of you life from the fiery rage of the evil one! Amen and Amen!

I. THE CHARIOTS OF THE EVIL ONE

My brother! My faithful friend!

When Lord Jesus revealed to me the power of words, one giant panorama appeared in front of my eyes. It was so exciting that I understood: except for the world we live in, there is another world, hidden and invisible for us. It is a world, parallel to ours; world, in which the power of words is as strong as the power of money in ours. Yes! That is right! The words are exactly the power, which moves the spiritual world. Therefore, the inhabitants of this world have not any other task, but collecting the whole maximum of the human speech.

I ask you to imagine what the Church would be unless the words exist; what our being would be unless the words turned in Spirit and Life and unless the Spirit and Life turned into words. Then, would we have the apostolic messages? Would we have the opportunity to participate spiritually in the Life of God through the words, which His Spirit pours into the hearts of the God's servants? Praise the Lord, our Creator has really taken care of us having a plenty of His words. This Holy Scripture, we have in our hands, is really the perfect wealth for our life.

Now, imagine the life of those men, who do not fill their hearts with the God's words and the God's Spirit. Imagine men, whose hearts are filled with words of revolt and sin, with words of darkness and hatred. As you can guess by yourself, the words of such men are exactly the active spiritual currency of the devil. The more the hearts, full with the words of death are, the greater and more powerful the authority of wickedness will be getting. I wanted to understand all this. I wanted me stop being so blind in the spiritual realities. I wanted from Jesus to open my eyes for the destiny of words. After having seen all my thoughts, being aware of what I would pronounce or reflect, He came to me and told me:

"You should understand everything I am going to show you now. For, My people are destroyed from lack of knowledge. They hardly suppose what power the pronounced words hide. Lots of them have already forgotten My serious warning in the Gospel:

"The good man brings good things out of the good stored up in him, and the evil man brings evil things out of the evil stored up in

him. But I tell you that men will have to give account on the Day of Judgment for every careless word they have spoken. For by your words you will be acquitted, and by your words you will be condemned..." (Matthew 12:35-37)

How are you reading My words? How do you turn them in deed? Did you comprehend what "careless word" ("idle word" – KJV) meant? For, if I have said "careless word" or "idle word", I have had in mind that My Father and I can not fill such word with the confirmation and presence of the Holy Spirit, since it has been evil treasure of evil heart. However, this fact does not mean that the idle word is lacking in spirit. For, there is one, who likes the idle words more than everything and who hurries to fill them with his spirit. Then, fate of death comes to such man, instead of fate of life. Therefore, be jealous to follow Me in the visions, which I am going to give to My servant now. For, many people will look at themselves in them like in a mirror and will understand how far from My Life-saving Power they have remained. Here, I am still speaking and calling now! Blessed will be those, who open their hearts, so that I might purify and prepare them for Eternity..."

After these words of His, Lord turned to me and told me:

"You wanted to see the fiery wheels of life. Now, look at them! For, you are about to learn from this vision so many things..."

After the words of the Lord, a vision appeared in front of my eyes. Then, I saw the earth from a bird's eye view. My heart sank by what I could see. Black demons of Lucifer were racing in chariots, which wheels were blazed in flames. In front of the chariots, there were other demons, lower than those, who were sitting inside. They were pulling them by the power of horses. In the same time, there was something in the vision that made me hold my breath. These were the fiery wheels. Therefore, I turned at my Lord and asked Him:

"Jesus, what does it mean? I see demons here, who rule chariots with fiery wheels; and there are other demons in front of them, who play the role of horses. How should I understand this? How should I comprehend it?"

Jesus, Who was carefully looking at me, answered:

“This is the spiritual regard, which I give you, so that you might understand what the fateful power of the idle words is. Therefore, let Me take you close to the vision itself, so that you might see everything much clearer and more precisely...”

After the words of my Lord, I was taken closely in the vision itself, so that my eyes could distinguish striking details. My look could already see exactly the fiery wheels from a short distance. So, I noticed that inside, in the very axles of the wheels, there were running people. The view was too much resembling to those devices, which are bought in the zoo-shops and are intended for breeding of hamsters. As the hamster runs inside one small wheel and make it spin, so the men were running into the fiery wheels and made them rotate. The faster the men were running, the faster the wheels were spinning and the brisker and more blazing the fire inside them was getting. Then, I pointed at the men, running into the fiery wheels, and I asked the Lord:

“Jesus! How should I understand what I see? What are these men, running into the fiery wheels? And, how are they related to these wheels?”

Jesus replied:

“This is the visual realization of the James’ words. This is the spiritual illustration of the verse, in which My Apostle said:

“The tongue also is a fire, a world of evil among the parts of the body. It corrupts the whole person, sets the whole course of his life (the wheel of life – Greek translation) **on fire, and is itself set on fire by hell...” (James 3:6)**

Now, you do not see anything else, but people, whose wheels have already been set on fire by hell. They are running into their wheels, making the power of hell more terrible and awful...”

I was listening to my Lord and His words fully responded to what I had seen. Nevertheless, I was still puzzled and unable to understand. Therefore, I asked Him again:

“Lord, in spite of this, I can not understand what the fiery wheels of life are. Why are they exactly wheels, instead of something else? And why are the men running inside them?”

Jesus answered:

“Every man on the earth is given by My Father to run into the wheel of life. Although most people have not a slightest idea about the existence of this wheel, they always run inside them. You yourself, and your brothers and sisters, you are also running in your wheels. To understand better all this, however, remember what the words of “Ecclesiastes” declared. For, the preacher clearly talks about the wheel of life there:

The words of Lord made me remember that it was really written in “Ecclesiastes” that:

“Remember your Creator in the days of your youth, before the days of trouble come and the years approach when you will say, “I find no pleasure in them” - before the sun and the light and the moon and the stars grow dark, and the clouds return after the rain; when the keepers of the house tremble, and the strong men stoop, when the grinders cease because they are few, and those looking through the windows grow dim; when the doors to the street are closed and the sound of grinding fades; when men rise up at the sound of birds, but all their songs grow faint; when men are afraid of heights and of dangers in the streets; when the almond tree blossoms and the grasshopper drags himself along and desire no longer is stirred. Then man goes to his eternal home and mourners go about the streets. Remember him - before the silver cord is severed, or the golden bowl is broken; before the pitcher is shattered at the spring, or the wheel broken at the well, and the dust returns to the ground it came from, and the spirit returns to God who gave it...” (Ecclesiastes 12:1-7)

Then, I kept talking to Jesus, telling Him:

“Lord, the preacher was talking about the transience of the human life in these verses. From among the lots of symbols of wisdom, by which he was revealing the secret things, I could also see the wheel at the well...”

“And what the well is like? Does not it personify the wells of your spirit? And, if there is a wheel at the wells of the spirit, then, the role of this wheel will be really fateful. Tell Me then:

What is one wheel at the well used for?”

"Lord, it is useful for that man, who would let down a bucket into the well to take water out of it..."

"And who creates all wells? Who has a right to find out all waters that are in them? Is not that your Heavenly Father? Do you understand now that the wheel at the well is the relation of your spirit with the God's Spirit? For this reason exactly, it has been called "wheel of life". When the springs of the spirit have run dry because of the wickedness and sin, then, many wheels are set on flames by the fire of hell, and carry this fire in themselves till the very end.

So, have in mind and remember by your Lord that the words exactly set in motion the wheel of life. In the same way, man puts in motion the wheel at the well, in order to bucket from its waters and drink. As everything on the earth follows its circle; as it begins from the seed, germinates and grows till yielding fruit; so, in the spiritual world, everything begins from the words, which also follow their circle. And where there is a rotation in circle, there will be a wheel there, too. One will pronounce his words, without any visible result, because he has only thrown his seed. However, some time will go by. The wheel of his life will surely bring back the uttered words to his Creator. God will check the words and will command them turn back in the destiny of the man, who has told them after a long period of time. So, this man will collect the fruits of what he has sown. Here, this is the wheel of Life:

**THE CONSTANT CIRCLE OF THE WORDS, WHICH YOU PRONOUNCE
- FOR GOOD OR EVIL, FOR DEATH OR LIFE!**

**Words, pronounced for life, will make the wheel of life go upwards
- to That One, Who is Life.**

**Words, pronounced for death, will make the wheel of life go
downwards - to that one, who is death.**

Now, look at the vision again and tell Me:

**These men with wheels, blazing by the fire of Evil, where are they
going to? Where will their way lead them to?"**

I looked again at the vision and I saw that the things seemed to be very serious. Therefore, I told Jesus:

"Lord, I have not known that there is so great authority and fate in words. Now, however, as I see these demons, who have harnessed the human wheels in doing the will of the devil, I understand that most people have become captives of death since long and they will not escape death and condemnation. Their tongues have really become like a world of wickedness. They have already been harnessed to the chariots of wickedness, in order to do the will of the devil..."

Listening to my words, Jesus asked again:

"How many of you will repent for pronouncing idle words? How many of you will deny the evil, created by their own lips? How many of you will go deep into the wise words of the psalm, which says:

"Some trust in chariots and some in horses, but we trust in the name of the LORD our God. They are brought to their knees and fall, but we rise up and stand firm. O LORD, save the king! Answer us when we call!" (Psalms 20:7-9)

Will I answer you, when you call Me? Will I deign in men, who admire the chariots of the evil one? Do not you see that such is the devil's temptation – to make most people look at his chosen men, whose wheels have become parts of his chariot? How many of you know that the time has come for the chariots to stumble and for their wheels to be broken? How many of you know that, by false and bewitching words, the devil may only give authority in this life? This is what he wants for you – to fix your eyes into his chosen men, whose mouths are like an open grave and whose words are like deceitful streams..."

I was listening to the words of Jesus. Then, my heart sank within me with fear for all those, who can not recognize the fiery chariots of the evil one. Therefore, I timidly asked Jesus:

"Lord, does the devil only have chariots? Are not You the Most High and Almighty One? Do not You always have things, more excellent than these of Your enemy? And, if the devil uses the wheels to do evil, do not You also use wheels in order to proclaim the Eternal and Holy Will of Father?"

Jesus smiled and caressed my head. Then, He said:

“Of course, I use them, Stefan! Otherwise, I would not tell My beloved Bride the words from “Song of Solomon”:

“Before I realized it, my desire set me among the royal chariots of my people...” (Song of Solomon 6:12)

If there are chariots of the evil one, will not the God’s chariots be more excellent than his? Behold, this is My desire for you – to devote your words to Me, to devote your lips to me, to devote the good treasures from your good hearts to Me. For, this world desperately needs intercessors and defenders. It needs the men, who will stand into the breach to pray for healing and resurrection for their nations. Then, I will surely be found among the royal chariots of my people. The verses by My Prophet Joel will become landmarks for the last great generation of Zion. This generation will be found as faithful and called to do the written word:

“...a large and mighty army comes, such as never was of old nor ever will be in ages to come. Before them fire devours, behind them a flame blazes. Before them the land is like the Garden of Eden, behind them, a desert waste - nothing escapes them. They have the appearance of horses; they gallop along like cavalry. With a noise like that of chariots they leap over the mountaintops, like a crackling fire consuming stubble, like a mighty army drawn up for battle...”

(Joel 2:2-5)

As to the moment, when I will take My Church in Heaven, will anybody of you forget how Prophet Elijah was taken by Heaven? Can you forget those fiery horses and chariots? Will not the spiritual men be able to see that the life of Prophet Elijah delighted many in Heaven, so that the words of the great men in the Kingdom of Heaven exactly became the wheels of the fiery chariot, which took him above?

Here, for this reason I unseal the secrets of My Word today – so that you might become My overcoming generation; generation of intercessors and defenders, whose hearts are in flames with the fire of the Prophetic Spirit of My Father.

The time is now, when fire rises against fire, words stand against words, wheels – against wheels and chariots – against chariots. The

time is now, when the devil has made many in the Church to have empty hearts that talk idle words. So, his power has been multiplied many times.

However, I will crush horses and chariots very soon and I will turn them back in running. After a little while, the Lord's hand will crush those, who have always thought in their hearts:

"We will triumph with our tongues; we own our lips - who is our master?" (Psalms 12:4)

However, I will answer them:

"Because of the oppression of the weak and the groaning of the needy, I will now arise... I will protect them from those who malign them..." (Psalms 12:5)

And for all My people, I will pronounce the next verse in the psalm of David:

"And the words of the LORD are flawless, like silver refined in a furnace of clay, purified seven times..." (Psalm 12:6)

After these words of His, Jesus turned again at me and told me:

"Now, look what will happen to the fiery chariots of the evil one! This is a prophetic warning for all those, who pronounce idle words out of their empty hearts..."

A moment after the Lord's words, I was again in the vision. So, I noticed how a Light Hand appeared from Heaven and stretched out over the chariots of the devil. This event provoked instantaneous effect, suchlike a whirlwind. The chariots began to roll with terrible power and the wheels left their axles and broke. The whirlwind raised all wicked people in the air and then, it threw them down with horrible might to one dark and black place, aside the Earth. (Later, I would understand that it was the outside darkness.) While I was excitedly looking at the imposing and terrible view, Lord touched me with His hand and said:

"You will pass through a great persecution for the sake of My Name and because of the fact that you humble your heart to become witness to the God's signs against the chariots of the evil one. However, let this fact not frighten or terrify you! For, I am behind you and in front of you; I am at the left and at the right of you, so that I

might protect you and guard you. As to those, who hate and despise you because of Me and My words; be ready to see their fates now! For, the time of the God's fiery anger has come; it will come from Heaven over the wickedness of men and demons. In the outside darkness namely, you will see what happens to those, who were talking idle words and did not pay attention to My Word.

Therefore, right now, a moment before the End, I command again to your persecutors:

Be silent! And your silence will be considered as prudence.

Be silent! Do not boast in vain with your fleshly minds, trying to see what you are blind for! Be silent! Make your tongues meek, not sharp! For, idle words never finish, but those, who wag their blazing tongues, will soon finish! Be silent! Let My Sword enter you; let it deeply cut you, so that the whole gall and venom of viper, which you have held in your hearts, might flow out! Only then, the fire of hell will stop blazing your wheels!"

After these last words of Jesus, the vision with the chariots of the evil one stopped. Then, Lord led me into the outside darkness, so that I might see with my heart what the destiny of all those, who speak idle words out of idle hearts, was.

II. THE BLAZES IN THE OUTSIDE DARKNESS

My brother! My faithful friend!

During my walking together with Lord in the last years, I had the opportunity to see many places and understand lots of secrets and hidden things. However, I dare say now that the last generations of wicked men will turn to be more wretched than all the rest before them. And the pledge of their wretchedness is hidden in the deceit of Satan, who makes many people see the small things as big and the big ones as small. This is not only my examination. Yet in His earth mission, our Lord has declared to His persecutors that they like straining out a gnat, but swallow a camel. So did the wicked men of today. Creeping like snakes in the churches, they are ready to backbite and reproach the men because of their sin, even when they have confessed them and repented. In the same time, being often bound by much harder sin and blinded by denser darkness, they only swallow their "camels", convinced that God is delighted with their life. However, either that they will keep sinking in their wickedness, or will repent, this world really counts out the minutes and hours of its last years. So, it comes a moment, when those, who love darkness, will come to it; and those, who love Light, will rise in Heaven to be eternal pillars in the Temple of the God's Holiness. From everything I saw in the outside darkness, I dare say that little leak can sink a great ship. The Bulgarians say in this situation that even the little pebbles can turn the carriage upside down. However, the problem is that, in one moment, these "little pebbles" turn to be huge and cruel rocks of wickedness. Therefore, let me continue with the next vision, which Lord revealed before my eyes. I was again next to Jesus. Here are the words He told me:

"Now, you will see a horror, which you have never suspected to exist. However, it is real enough to be invented. This is the horror for all those, who pronounced idle words. Therefore, see what I show you now..."

After the last words of Jesus, a vision appeared in front of me. I could see the outside darkness that was black like tar. However, despite the darkness that was soaking the nasty space, in the middle of it, I could see giant fires, which were rising hundreds of meters above and their flames turned into dense

puffs of smoke. My first impression from this view was strange. It seemed to me that at night, I was looking at a petrol refinery, set on fire, from above. However, what I had seen was not petrol. And the night was not as the earth nights. It was the fire in the outside darkness, which was burning the souls of wicked people. So, they could not flee from the darkness, where they were thrown. Then, my spirit was deeply moved by grief, so that I asked Jesus with trembling voice:

“Lord, is this the retribution over the men, who have pronounced idle words? Is not this punishment very frightful?”

With very serious Voice, Jesus replied:

“I already told you that idle words are the words, which have not been confirmed by the God’s Spirit. However, these men here are not idle-speakers. They are killers! Their words have always been arrows for the bow strings of the evil one and for his striking weapons. None the less, they are fire-raisers, who have always set on fire the life of My brothers and sisters with reproaches, obloquy and magic spell. Can you see all this? And you yourself, have not you felt over your heart the human malice and hatred, slander and sorcery? Who would bear the whole this evil, except for the devil? And how would he bear it, but through the words of his loyal men? Then, do you understand that I put you to be witness to the hardest doom and curse, which My Father has ever commanded? You have not forgotten the words of My Apostle Judah, have not you? And you have not forgotten the categorical words of his message, I hope...”

“No, my Lord! I have not forgotten it! The truth is however that I have not been attentive in the words of Your servant. For, he warned us and even quoted Enoch in his message, saying:

“Enoch, the seventh from Adam, prophesied about these men: “See, the Lord is coming with thousands upon thousands of his holy ones to judge everyone, and to convict all the ungodly of all the ungodly acts they have done in the ungodly way, and of all the harsh words ungodly sinners have spoken against him...” (Jude 1:14-15)

Looking at me with a sharp regard, Jesus said:

“So, as you see by yourself, God comes to accused of wickedness the ungodly men – not only because of their deeds, but for the sake of all harsh words they have spoken. However, what is the harsh word like? Is not it a spirit of death and destruction? Is not it a spirit of sorcery and bewitching? Is not it a spirit of lie and hypocrisy? Is not it a spirit of perfidy and treachery? If My Apostle James warned about the power of words; if he explained how a great forest might be set on fire by a small spark; then, what do you think – how many lives and fates must these ungodly people have set on fire? And the devil, did not he begin the attack against you only by one slander, multiplied in the press? Only one lie, but what great number of people it set on fire! Now, do you understand why the lawlessness of the idle words is the greatest of all the rests?”

“Yes, Lord! I understand now that every idle word is filled with the fire of the wicked one; this is how the devil sets on fire the wheels of life. And I believe that the God’s anger and judgment over the ungodly people is just. Apostle Paul warned us about the same thing. He said:

“God is just: He will pay back trouble to those who trouble you and give relief to you who are troubled, and to us as well. This will happen when the Lord Jesus is revealed from heaven in blazing fire with his powerful angels. He will punish those who do not know God and do not obey the gospel of our Lord Jesus. They will be punished with everlasting destruction and shut out from the presence of the Lord and from the majesty of his power...” (2 Thessalonians 1:6-9)

“Then, see what the everlasting punishment by My Father and Me over these ungodly men will be. Everything you see, write it and say it to My Church! For, you have been blind and ignorant of the fate that the idle words bring for so long...”

After these words of His, Lord approached me to the blazes in the outside darkness and gave me see each of them. Therefore, let me begin my tale with the first blaze, revealed in front of my eyes.

1. THE BLAZE “ALLELUIA”

So, my brother, I was already looking at a countless number of people, who were burning in unquenchable fire. Having in mind that I would pass through great embarrassment due to the vision itself, Lord was next to me. He had laid His hand over my shoulders. So, by the touch of the God’s hand, my heart received power to endure the view itself. In this first blaze, as I already said, I could see burning people. The flames had enveloped the whole their bodies and the fire was coming inside their bodies. Nevertheless, their bodies could not burn out to death. While I was looking at the huge blaze, I noticed that on some places, the fire was brisker than elsewhere. Therefore, I raised a hand, pointed at the blazing men and told Jesus:

“My Lord! How should I comprehend this? The fire burns every place on these men’s bodies; however, it is the briskest on their faces and mostly – in their lips...”

Jesus replied:

“Do not be afraid of these ungodly men and approach them! The fire of doom has not any power over you. So, you will certainly comprehend why their lips burn with the briskest fire...”

After the words of Jesus, I went close to the burning men. Then, my ears could hear the noise of the fire itself. And it was surprising, since the exclamation “Alleluia” might be heard from the area of the lips. It was neither a joyful exclamation, nor a cry of admiration. No! It was the wheeze and horror of one everlasting suffering; suffering with fire, which will be burning forever. The briskest flames of this fire were going into the mouth of the ungodly men and the noise of this very cry was exactly coming out of there. Dumbfounded with the view, I turned again at the Lord:

“Jesus, I can not believe! These men here are burning and one painful wheeze comes out of their lips, where the fire is the briskest. In the words of this wheeze, I could recognize the exclamation “Alleluia”. Why are these men burning here, and, in the same time, their lips were crying “Alleluia”?”

With very serious Voice, Lord answered:

“When you have cried “Alleluia” on the earth with alien fire in your heart, is there something strange that, even in the outside darkness,

the fire will be looking for the reason, which has kindled it? And these men here really have very hard sin before the Face of My Father. They have always been crying "Alleluia" to the devil and to his deceitful servants. Their "Alleluia" has been considered by God to be idle word, which the devil has filled with praise and worship to himself. However, I have led you on many places to see lots of abominations and desolations. Was not you witness to this – how often the servants of the evil one have used to repeat this word?"

"Lord, You really led me on many places. I really saw with my eyes and heard with my ears that the devil's worshipers like uttering this exclamation. However, I have never supposed that it has been so great wickedness that God has command a punishment with everlasting fire..."

I looked again at my Lord. So, I noticed that His eyes were filled with tears. Then, to enlighten my heart much more and to make me comprehend everything, He told me:

"Come with Me and approach one of these men! So, you will be able to see what he did on the earth with the alien fire in his heart..."

After the last words of Jesus, we both approached one of the blazing men. My Lord stretched out His hand to the heart of the man and took out of it his sin, so that it got evident in front of me. So, a vision appeared in front of my eyes, in which I could see the same man on the earth. He was standing behind a pulpit in an overcrowded hall. His eyes were happy, but the alien fire of the devil was still burning in his heart. The wicked man pointed with his hand at the little children, sat in the front rows of the hall. He asked them:

"Do you want to clap to our Father? Do you want to sing Him "Alleluia"? Do you want to greet Him in our meeting?"

The little children, without having any idea in what deceitful spectacle they have forced to participate, began to clap joyfully. And here that there, in the middle of the hall, Lucifer appeared himself. Felt the presence of his god, the wicked man began to jump around the pulpit and cry:

"Alleluia! Alleluia! Alleluia!"

Then, fire went out of his mouth, which darted to the hearts of the little children and quickly set them in fire, too. So, they also began to shout:

"Alleluia! Alleluia! Alleluia!"

I looked at my Lord, because I could no longer endure the abomination, which my eyes were examining. With eyes, red with tears, He asked me again:

“Do you understand now what power might have even one idle word? Do you understand now that, with the alien fire of the devil, this ungodly man has enflamed the hearts of many unconfirmed souls? By deceit, they have been compelled to cry “Alleluia” to the devil himself. However, what is “Alleluia” like? Is not it the exclamation of the Holy Spirit, coming out of your hearts? Is not it the admiration of your hearts before the Holiness and Majesty of Father? And, if My Father jealously commanded in the antiquity:

“You shall have no other gods before me!” (Exodus 20:3)

...then, what must the wickedness of those, who not only bowed before other god, but dared to kill the little children in faith by the ancient Jewish word, be? How many of you realize that “Alleluia” is not only a religious greeting, lacking in the Spirit, but a perfect experience of the God’s Glory and presence? If the word of the God’s Glory is not filled by the Spirit of the God’s Glory, it has surely become an idle word, which the devil fills with his own glory.

Behold, I tell you! The devil is a fallen cherub, who has always been in want of glory, by which he would fill his empty heart. He has always longed for being recognized as Lord and Father Himself. Therefore, his fraud is complete in these last times. For, people, born by earth and turned to the ground, pronounce a word, born further above, with the faith that it will raise them up. But how many of them know that the words are nothing without the Spirit, Who fills them? That is why “Alleluia”, spoken by empty heart, turns into idle word, which kills and blazes. Only men, become like animals in their lust and passions, like chewing and rehashing “Alleluia” in their mouth. So, they look righteous in their own eyes and succeed to deceive the little children that the spirit they worship is the Heavenly Father. And this is their doom, Stefan!”

After these words of my Lord, the vision with the sin of the wicked man stopped and Jesus told me:

“...“Alleluia” is the first idle word, for which the ungodly men will be burning into the fire of everlasting punishment. However, it is not the only one. There are some most sacred, precious and pure words in the Temple of My God and Father. Over all of them, the devil cast the covering of abomination and desolation. Therefore, let Me lead you at the second blaze. There, you will see the punishment over men, who have much greater sin and doom than these here...”

2. THE BLAZE “AMEN”

So, my brother, Lord led me to the second of the blazes that were burning in the outside darkness. Still having no idea what I was about to see, I had taken a good grip of His hand. Here, my eyes could already see a blaze, greater than the first one. The number of people here was greater than the number of those, who were at the first blaze. The closer we were coming to the blaze, the more details my eyes could perceive. Finally, Lord stopped and told me:

“Look and see what the punishment of the men in this blaze is. You should guess by yourself which the idle word they have spoken on the earth, has been...”

I looked at the men in the blaze and I noticed that, one and all, they had lain on their backs. Then, I noticed that the fire, which was very brisk, was going out of one exactly determined place, even if there was invisible steam of gas on that place, which was making it burn brisker and brisker. The hearts of the men themselves were this place. The view was really strange. I could see something like fiery fountains or geysers. The spurt of every fire was coming out of the heart of the lying man, and this fact was making the suffering man roar with a voice of beast, without being able to calm or diminish the fiery spurt, erupting out of his heart. The view was terrible enough for me to find immediately an explanation of the punishment itself. However, Lord, Who was next to me, raised His hand. He pointed at the wicked people and asked me:

“What do you think? Why are all wicked men lying in this blaze, without being able to stand up at all? Why is the fiery steam erupting out of their hearts?”

“My Lord! At such a suffering, I think that they would have to run or leap. At least – they could react with any movement of their bodies. However, they are only crying, without being able to escape their retribution. I have a feeling that this very evildoing has sealed them or nailed them to this punishment...”

“Remember then, by which word the believers in My Name seal their words and testimonies. In this way, you will understand by which idle word the ungodly men have sealed themselves for this suffering...”

The answer was only shining in the lips of the Lord. Therefore, I told Him:

"Jesus! This is the word "Amen". Now, when I am looking at the suffering of these wicked men, I understand that they have sealed themselves exactly by this word."

"And what does "Amen" mean? Does not the Spirit of this word bear just the God's confirmation and approval? Do not you say "Amen", exactly when you believe deeply in your hearts that the deeds of your testimony have been done by God and for God?"

"Yes, Lord! You were exactly That One, Who inspired me and command me to seal the books of the God's Prophetic Spirit with this word..."

Jesus added:

"As to the books of the Prophetic Spirit, they are really born by the God and sealed by His hand. However, let Me take you closer to one of these ungodly men, so that you might see what he has said "Amen" to and how he has sealed his heart with abomination and corruption. For, the idle "Amen" is one of the most successful weapons of the devil..."

After these words of His, Lord approached one of the ungodly men, from whose heart the fire was erupting like a geyser. It was expected Lord to be enflamed by the geyser; in fact, however, He was not in touch with the fire. What is more – Jesus bent down over the wicked man. He stretched out a hand to his heart and took his sin out in open, so that a vision appeared in front of my eyes. Then, I saw the wicked man in his life on the earth. As in the first vision, he was standing behind the pulpit. He had taken out a wad of banknotes in front of the church meeting; he was waving it over his head and was shouting with rapture:

"I believe in the power of prosperity! I believe that this is the will of Jesus for us to be rich! So, let us call Him! Let us raise our gifts with the faith that He will make His Church richer than the world..."

The words of the wicked man had a great effect. For, the fire from his heart went out on his lips and the flames of his words enflamed the whole meeting. Listened to his worshiper, Mammon appeared in the meeting with shining smile. Then, the spirit of the worldly wealth stretched out his burning hand to the heart of his worshiper. This fact made the ungodly man jump with rapture and cry:

"Amen! Amen to prosperity! Tell "Amen"! Let everybody cry "Amen!"..."

Exactly in this moment, a sign happened. After having pronounced the idle word, Mammon stretched out his hand to the mouth of the wicked man and caught it. Then, he turned at his worshiper, swiped at his heart and land upon it the fiery seal "Amen" with his own image on it. In this moment, when all men in the hall were telling "Amen" to their preacher, hundreds of demons jumped up. Seen what their chief had done, they were taking the spoken "Amen" from the mouth of the men and were sealing it in their hearts with the image of Mammon...

The vision astonished me with the whole its monstrosity; therefore, I turned my head. With severe and angry Voice, Jesus asked me:

"Do you understand what the wickedness of the idle word "Amen" is? Do you understand now that, if there is a spiritual seal, by which everybody is sealed for the place and the spirit, he believes in, the appearance of this seal becomes exactly through "Amen"? That is why the wicked men in this blaze can not move from their places; for, their "Amen" has always been one black nail, driven again and again into the Body of That One, Who shed His blood for them. However, if they killed Me with their idle "Amen", did not they kill much more themselves? If they crucified Me with the nails of abomination, did not they crucify much more themselves?

Therefore, go and tell all My brothers and sisters that "Amen" is very inmost and sacred word, and they should not pronounce it in vain. Especially now, when avaricious men and persecutors of My teaching occupy the pulpits and want to hear "Amen", as a heartily agreement with their abominations. Here, I warn you:

THERE IS NOT AN EASIER WAY FOR YOU TO LOSE THE ETERNAL LIFE AND THE FATHER'S BENEVOLENCE THAN THIS – TO OFFER YOUR HEARTS TO BE SEALED BY THE DEVIL THROUGH IDLE "AMEN", SPOKEN TO THE WORSHIPERS OF THE EVIL ONE!

Then, you surely lose your relation with Me and make vain the blood, shed at the Covenant. And, if anybody of you still asks for word by Me, in order to understand that Lord has talked him, I tell you:

I am Amen! I am the Faithful and True witness of your Salvation! Unless I have spoken the full with Spirit "Amen" out of your hearts,

then, idle word will surely go out of your mouth; idle word, which is powerful enough to seal and condemn you together with the devil..."

I was listening to the words of my Lord and I was looking at the flaming men. Then, deeply in my heart, I realized how great the deceit of the devil was. He, who is doomed and denied by the God, is looking for hearts today, which would share his doom and would be sealed in the same abyss of wickedness and in the same abomination of desolation.

This is one "Amen", my brother! As one "yes" of a bride before her bridegroom! As one dry twig, cast in the fire by perverted woman, before the public auto-da-fe of a God's reformer by the demons of the "Holy" Inquisition!

O, sancta simplicitas! O, fire of perverted people, fallen in love with the perverted one! Your punishment by the Righteous One is really fair!

Amen and Amen!

3. THE BLAZE “BROTHER AND SISTER”

My brother! My faithful friend!

Do you understand the word in this book? Do you understand how much Lord loves us? Would he like for us to be defeated? For, lots of us look at the perishing world, at its sin, its wickedness; at the advance of thousands of crooked tentacles over the music, arts and culture. Then, some men feel peculiar religious delight. They take out of the arsenal of their vocabulary “Amen” and “Alleluia”, with the hope that their ticket for Heaven is already sealed and ensured. However, the truth is much more terrible. If you want, accept it; if not – reject it. Nevertheless, I am going to appear it here, because Jesus incites my heart to do it.

The truth, my brother, is that the towers of the heathens pale before the shade, which the last tower of Babylon, built by the retreated church, throws. This world, which deserves to be despised in the eyes of the vainglorious men, will turn to be more hospitable for the God’s servants, the prophets, than for those, who divide things into “doctrinal” or “non-doctrinal”. Once, my Lord did not find a hearty welcome and cordiality in the synagogues or in the Temple of Jerusalem, but He found them in the world, where there were lots of tax-collectors, prostitutes and sinners. It was not Pharisees and teachers of the law, but ordinary and sinful men, who were throwing their clothes and proclaiming His Name with “Hosanna”. As to the first ones, they were hissing at the corners with undisguised envy and fury, saying inside their hearts:

“Has any of the rulers or of the Pharisees believed in him? No! But this mob that knows nothing of the law - there is a curse on them...”

(John 7:48-49)

I bless my Lord for the present “cursed” mob, which does not want to come into the brothel of the last merchants, but which keeps its heart for the personal touch by the King. For, there will be such a touching. It has already begun with the appearance of the God’s Prophetic Spirit.

Now, I would like to continue with the last of the visions in the outside darkness. The word is about the last blaze, which is the most frightful and immense. Before having led me to see it, Jesus touched my head with His hand and told me:

“I gave you lots of fateful books. From among them, however, this is one of the most fateful. For, the exposing from Heaven is over all of you. In every one of you, I have seen reasons against Me and My teaching. That is why I give you the pure salve, by which you might begin to see and notice the hidden frauds and wiles of the devil. Since, the power of hypocrites, whisperers, flatterers and sorcerers would not be possible, without the open doors of the idle words. The idle “Alleluia” and “Amen”, as well as what you are about to see now; opened enough space and gave a place to the devil. Therefore, I command to all My people and I tell them:

Purify your hearts and do not speak idle words! Let your words be few, and let your deeds talk instead of the words! The higher My Father is from the world, the less the words of your mouth should be. Since, not by anything else, but by your words you will be justified and by your words, you will be condemned! This last vision, which I will give to my servant now, will show many people what power they have given to the devil with the foolish words of their mouth. Therefore, whoever has ears, let him hear what Lord is talking to His Church now! Whoever has eyes, let him see! And, whoever has not eyes, he has no excuse, since I sent to all of you My Prophet, who is a pupil of the Lord’s eye...”

After these words, Lord went to the last of the blaze in the outside darkness, and I followed Him. Very soon, my eyes noticed huge fires, which tops were rising kilometers up. In the middle of the fires, I could see a terrible view. It was the biggest blaze and there were countless number of people in the middle of it. The picture of this vision was very ominous, because the men in the fire could not stand each other. They were tearing their burning hairs and were digging nails into their singed faces, trying to fling off each other. However, there were fiery ties around all them. These were fat fiery ropes, which were cutting into the flesh of the wicked men and were burning them. This fact made the wicked men draw back in panic and fall one next to the other. After that, they started again tearing and scratching themselves, crying with wild voices, because they could not escape their state. Jesus, Who was looking at their punishment with completely impartial look, firmly told me:

“Here are the men with the greatest sin, who have pronounced the most damnable idle words. So, tell Me: what can you notice amidst these wicked men? Which fact creates the greatest impression on you?”

“Lord, I notice here that these men can not stand each other at all. They try to escape each other; however, this is impossible, because of the fiery ties, which they are bound in...”

“And why can not they stand each other, My boy? What are these ties, in which they are caught, like?”

“Lord, as I look at their agony, I have a feeling that some of the men consider the others to be guilty for their own state. Therefore, when they meet face to face, they fly into a rage with their proximity and begin to tear and scratch each other, without being able to evade their punishment...”

“That is right! You have rightly noticed this. Now, however, I want to lead you close to these men, so that you might understand which idle words have reduced them to this state...”

So, Jesus approached one of the suffering men. He stretched a hand to his heart and took out his sin in open. Then, a vision appeared again in front of my eyes. I could see this man in a church hall; this time, however, he had sat amidst other men. Just in this moment, Lord came next to me and told me:

“Examine the heart of this man and tell Me what you see...”

In the vision itself, I looked at the heart of the man. So, I noticed a splendid white sheet of paper, on which there were written words. At the very end of this paper-sheet, there was a droplet of blood. Here, Jesus took the sheet out of the human heart. He put it in front of my eyes and asked me:

“What can you read here?”

I looked at the written on the paper and I realized that it was not written by a human hand. It has been written by the hand of the Heavenly Father. The words themselves were Light by the Holy Spirit. I told Jesus:

“My Lord! This is a certificate for adoption. It is written here:

“I, God and Father of every creature, I adopt this creation through My Spirit and I make it My son. I become its Father and it becomes My son, because it has believed in the appearance and testimony of My One and Only Son Jesus Christ. As it has received forgiveness of its

sins through the sacrifice on the Cross and through the blood of the Holy One, it has chosen to believe in Jesus, to follow Jesus and to serve Jesus...”

I had just read the written on the sheet-paper, when Lord turned it back into the heart of the man. Then, He pointed at the vision and told me:

“Now, look and see what is going to happen! Be attentive in order to understand everything completely...”

So, I was looking again at the vision, which had revealed the sin of the ungodly man. As I already said, this man was sitting in a church hall amidst other people. And here that one faultlessly dressed gentleman rose at the pulpit. He began to wave his hands with rapture, crying:

“Blissful God’s flock! Welcome the messengers of Jesus among us! Greet Brother X and Sister Y, who have come to serve our needs, by founding a biblical school...”

A moment after the words of the lustrous preacher, the men, presented by him, appeared at the pulpit. Then, I noticed that the hearts of these men were not filled by the God’s Spirit, but possessed by the spirit of Jezebel. This spirit artfully jumped out of the hearts of both men, touched the heart of the preacher with its hand and he cried again to all the rests:

“Let us greet Brother X and Sister Y! Let us clap to them...”

Just in this moment, I noticed that while the preacher was pronouncing the words, fire came out of his mouth. This fire went through the rows of the meeting and it was coming into the hearts of the men, who were in a hurry to clap to the very presentation. So, the fire reached to the already stood up and clapping man, who I had seen in the same vision. Coming into his heart, the fire attacked the white paper-sheet and burnt it to ashes...

This fact terrified me! It astounded my eyes and shook my heart. Then, I pointed at the vision itself and told my Lord:

“Jesus! Look what happened! The God’s certificate for the Heavenly adoption was attacked by the fire of the devil, and it burnt to ashes. Why did it happen, Lord? Why did this man so categorically lose the Father’s adoption?”

Jesus looked at me with a sharp regard, which was deeply piercing my being. Then, He answered:

“Did not I warn you to be attentive in comprehension of all this? Now, see again what the preacher did! How did he present the servants of Jezebel before the church meeting?”

“Jesus! He presented them as “Brother X and Sister Y”. Then, he incited the whole meeting to clap them...”

“After that, did not the devil’s fire come out of the mouth of the preacher? Did not it attack the hearts, which had stood up to clap? And, who stands up to clap to the servants of Jezebel? Is not he a man, who considers them to be his brothers and sisters?”

“Yes, Jesus! That is right!”

“And which ones might be brothers and sisters? Are not they the men, born by the One and Only Father?”

“That is right, Jesus!”

“Then, if you call servants of Jezebel your “brother and sister”, are not you consciously making a confession that that one, who has born them, he has born you, too? Was not it the reason for the devil’s fire to go through the rows of the church meeting?”

The words of my Lord were so categorical and clear that I fell on my knees before Him and told Him:

“Lord, I have been blind! Jesus, why have not I been able to notice that the words “brother and sister” have the seal of adoption? If we call “brother and sister” those, who have not been born by our Heavenly Father, we surely take a part in one alien adoption and we lose our Father’s choice. If the devil’s fire attacked the Heavenly sheet-paper, it was because the empathy of this man to the men, born by the devil, made him one of them...”

In the next moment, the Voice of Jesus became severe and angry. Flaming sparks flashed out of the eyes of my Lord. Here are the words He told me:

“Not everyone who says to Me, “Lord, Lord,” will enter the Kingdom of Heaven, but only he who does the Will of My Father, Who is in heaven. And, to do the Will of My Father, it means for you always to remember that He is your Father, Who has caused to live in you a spirit that envies intensely. Then, should you call “brother and sister” those, who are not born by your Father? Should you be as Lot, who

went amidst the inhabitants of Sodom and called them "my brothers"? Should you be looking for kinship with the devil and his children, when you should better keep your adoption by Father? Should you forget the written by My Apostle, who warned all of you? Since, he wrote these words:

"I have written you in my letter not to associate with sexually immoral people - not at all meaning the people of this world who are immoral, or the greedy and swindlers, or idolaters. In that case you would have to leave this world. But now I am writing you that you must not associate with anyone who calls himself a brother but is sexually immoral or greedy, an idolater or a slanderer, a drunkard or a swindler. With such a man do not even eat. What business is it of mine to judge those outside the church? Are you not to judge those inside? God will judge those outside. "Expel the wicked man from among you..." (1 Corinthians 5:9-13)

Here I warn you: the time is now, when lots of you have begun to associate with fornicators, greedy men and idol-worshippers. You have begun to eat with such men and to call them "brothers and sisters", without having any idea that you lose in this way your relationship with the God, and receive kinship with the devil. You did not expel the wicked man from among you, but you let him occupy your pulpit and force over your hearts. That is why the devil extorted from your hearts exactly the agreement for kinship with him. This agreement is realized by the idle speaking of the words "brother and sister".

If anybody really wants to reach to this blaze in the outside darkness and look at the face of that one, who has deprived him of Salvation by deceit and wickedness, let such man keep calling "brothers and sisters" the children of the devil. As to My people, who will hear My Voice with this book, I say to all of them:

Enter the narrow gate and find the narrowed way! For, if few people enter this gate, few will only be those, who you may call "brothers and sisters". However, if My Spirit does not live in any man and such man hurries to offer you kinship with himself, then, you

should better shake the dust off your feet and not to consider his words to be true.

Behold, these three are the opened doors of the devil:

The idle "Alleluia", the empty "Amen" and the vain "brother and sister"! These three things are, who set on fire the wheel of life, and are themselves set on fire by hell.

Today, I am stretching out My hand to you, in order to save you from the damnation through the idle words!

Take My hand and live! Submit to My Spirit and fill your hearts by Him! So, you will talk words, filled with Eternal Life, from now and forever!

I pronounced it! I spoke it!"
