## TO YOUR HEART

My dear brother! My faithful friend!

The book, fallen in your hands now, is something like natural continuation of the abundant Blessing and Mercy, by which my Lord Jesus Christ visited me. I am convinced that your heart will not only taste from the goodness of Zion, but it will be satisfied with the appearance and unsealing of the deepest God's secrets. Every one of us has got some Bible in his home, which his eyes read. However, how many are those, who let Jesus read instead of them? How many are those, who would kneel in humbleness, in order to become pleasant for His eyes? For, the truth is that God opposes the proud but gives Grace to the humble. Some time ago, Lord raised my spirit and heart in order to reveal to me the Lights of Zion. Then, I realized that a new stage of my communication with the God had come – a stage, when I had to collect the fruits of constancy and audacity. It was a stage that might be explained perfectly well by the words of Lord Jesus to Nathanael:

**“You believe because I told you I saw you under the fig tree. You shall see greater things than that.” He then added, “I tell you the truth, you shall see heaven open, and the angels of God ascending and descending on the Son of Man...” (John 1:50-51)**

Here in this way, my brother, I already had an open Heaven over my heart. And not only the Heaven, but the touch and leadership of his King. You should know, however that the way to this open Heaven was not easy for me at all. In the course of many years, I had to fight with the clouds, which stopped my access to Zion. The sword of the Prophetic Spirit, by which Jesus blessed me, was flashing back and forth for a long time, in order to defeat all invisible enemies of my faith. And here, when Lord raised me to His Holy Mount, I understood that my eyes would see much more than they had ever seen. My heart would taste much more than it had ever tasted. My soul would rejoice much more than it had ever rejoiced. Therefore, my honour and thankfulness to Lord Jesus are unexpressed, because I can not find the necessary words in my heart yet, by which I could bow before Him and tell Him that, without His hand, stretched out to me, I am nothing.

When He came to my heart to prepare me for the deep visions, related to the appearance of the gold thrones of the Millennium, I felt some incredibly strong hunger for reading the Gospel. It was not as if I had not read it or had not been inspired. I only felt my spirit in the threshold of such blessing and knowledge, which demanded from me the necessary adjustment and readiness. For, the Gospel is exactly the door, behind which Lord becomes real and we are not required anything else but coming through this door, in order to feel Him and discover His Truth again.

With this adjustment exactly, I was reading the Gospel. And here that Lord really became very real for my heart. I felt His reality in the moment, when He stood against Pilate. Then, the Roman governor sat down on the judge throne, turned at my Lord and asked Him:

**“Are you the king of the Jews?”**

Looking sharply at his eyes, Jesus replied:

**“Yes, it is as you say...”**

After that, Pilate asked Him again:

**“Don't you hear the testimony they are bringing against you?”**

This time, Lord did not reply. This fact made Pilate wonder and scratch his bald head. Without asking any longer Jesus, Pilate stood up from the judge throne and turned to the crowd of chief priests and elders that had surrounded him. He shouted with loud voice:

**“Which one do you want me to release to you: Barabbas, or Jesus who is called Christ?”**

His words made the crowd mad with fury. And here that most of the chief priests and elders rushed to the people and began to incite the crowd, gathered there, to want justification for Barabbas and death for Christ. So, while I was looking in the vision at the silent Lord and the Israelite leaders, crying against Him, the Holy Spirit directed my regard to one Roman servant, who approached Pilate, the governor. He bowed before him and told him:

“Master Pilate! Your wife and honoured mistress sends me to you. She insists on me telling you a confusion of her heart!”

The governor turned at the servant and asked:

“What has happened? What is my wife's embarrassment?”

The servant kneeled before Pilate, raised his look at him and said:

"The honoured mistress sent me to tell you:

**"Don't have anything to do with that innocent man, for I have suffered a great deal today in a dream because of him..."**

Pilate listened to his words, shook distrustfully his head and made a categorical sign with his hand, sending off the servant of his wife. Then, he approached the excited to rebellion crowds, and the chief priests among them. He asked them again:

**"Which of the two do you want me to release to you?"**

Heard his question, the crowd began hysterically to shout:

**"Release Barabbas to us! Be merciful on Barabbas!"**

Pilate, who could hardly believe to his ears, raised his voice over the crowd:

**"What shall I do, then, with Jesus who is called Christ?"**

The inspired crowd cried again:

**"Crucify him! Crucify him! Let him be crucified!"**

Being at a greater loss, Pilate shouted again:

**"Why? What crime has this Jesus committed? How can I condemn him, without any guilt?"**

The words of the governor had the opposite result? The excited and furious men began to jostle forward, so that the guards of the Pilate could scarcely hold them back. Then, the yell and screams got irresistible. All men together were crying one and the same:

**"Crucify Him! Crucify Him! Crucify Him!"**

In the next moment, Pilate raised his hand and looked at the crowds with such power that they kept silence for a moment. He took a basin and stood before the men. Then, he rolled up the sleeves under his mantle, dipped his hands into the water and began to wash them. After that, he wiped his hands with his mantle and cried:

**"I am innocent of this righteous man's blood! It is your responsibility!"**

And the men cried again together:

**"Let His blood be on us and on our children!"**

Then, Pilate commanded to be released Barabbas. He took a whip and began to hit the back of my Lord...

I looked at all this and I could not understand yet why Jesus gave me to experience in my heart this hardest moment from His Life. However, the vision stopped and I felt that Jesus was next to my heart. Here are the words He told me:

**“When you go with Me in the Living Gospel, you will surely see more than those, who consider the Scripture to be only words, but not Life. Tell Me then, did you notice that Pilate was standing on the judge throne?”**

“Yes, Jesus! This Roman governor was also playing a judge...”

**“Well, did you notice then that a message from the Heavenly Judge came to this earth judge? What do you think of the fact that the Pilate’s wife sent a servant to him, who had to tell him the anxiety of her heart?”**

“My Lord! Evidently, the Pilate’s wife has really suffered a great deal in a dream. This fact has made her react in such a way...”

**“And why did the Pilate’s wife suffered in a dream? Why is it written there that she has not only suffered, but that she has suffered because of Me? And, if the Heavenly Judge has given to this wife to suffer in a dream, did this fact change something in Pilate’s attitude to Me?”**

“No, Lord! Even after having listened to the servant of his wife, Pilate did not overcome the religious hysteria. He only neglected the warning of his wife and waved away her servant...”

**“And, why is this warning so important, in order to rest in My Gospel forever? Why was not this warning directed to Pilate, but to his wife, who suffered in a dream? What in common has his wife with his wickedness? Why, while the earth judge was openly condemning Jesus to crucifixion and death, the Heavenly Judge doomed his wife to suffer in a dream? And did the Pilate’s wife suffer?”**

The questions of my Lord seemed to me very deep. By these words of His, Jesus was pulling my spirit in some unknown area. It was a territory, in which I had never stepped; neither had I had any leadership to step. Therefore, I answered Him:

"Lord, all this seems to me very strange! For, there are not whatever testimonies in Your Word that the Pilate's wife has suffered in open, too. The only place, where her fears are mentioned, is this period of time, when she warned Pilate about her nightmare..."

Jesus smiled. After that, He kept talking to me, saying:

**"I called and summoned you at Myself, in order to give My Church the whole Heavenly Truth about the judge thrones of the Millennium, as well as about those, who will be sitting on them in order to judge and rule together with Me for thousands years. However, nobody would understand the secret of the Heavenly thrones unless he comprehends the secret of the earth thrones. For, if I talk to you about the earth deeds and you do not believe, how would you believe if I talk to you about the Heavenly deeds? And, if you can not understand the God's sign at the judge throne of the governor Pilate, then, how would you understand the God's sign, concerning the Heavenly thrones? That is why you should first understand the sign at the earth judge throne. Therefore, let Me show you now how the Heavenly Judge made the Pilate's wife suffer in a dream..."**

After His last words, Jesus touched my head and, a moment later, I found myself in a vision. My heart was again in Heavenly Jerusalem before the God's Throne of Holiness and admiration. Here, I saw a light angel, who had kneeled at the doors of the Palace. He was saying:

**"My Father! According to Your Will and Your great foreknowing, I appear before You, in order to carry on the earth Your prophetic message about the earth judges and accusers, who are ready to condemn Your Son..."**

After the words of the light angel, the doors of the Palace opened. And fiery hand, holding a gold bowl, appeared from the inside. Then, the Voice of Father resounded. It was saying:

**"Go to the earth and pour out the woe from this bowl into the heart of Pilate's wife! Let her testimony become later My Father's judgment over the earth judges and all oppressing law-courts..."**

So, the light angel stretched his hands out. He took the bowl with the woe, bowed before Father and said:

**“Let be blessed Your Will, My Father!”**

After the words of the angel, the doors of the Palace closed. Then, the angel flied out to the earth places and I also moved in the vision together with him. Finally, the messenger of God Father reached Jerusalem and the room of the sleeping Pilate’s wife. He bent down over her and poured the woe in her spirit. Here, the woe itself turned into a dream. In this dream, the Pilate’s wife was chained. Over her, I could see the Heavenly Judge, sitting on His Throne. He raised His hand, pointed at her with His forefinger and said with terrible Voice:

**“Now listen, you rich people, weep and wail because of the misery that is coming upon you. Your wealth has rotted, and moths have eaten your clothes. Your gold and silver are corroded. Their corrosion will testify against you and eat your flesh like fire. You have hoarded wealth in the last days. Look! The wages you failed to pay the workmen who mowed your fields are crying out against you. The cries of the harvesters have reached the ears of the Lord Almighty. You have lived on earth in luxury and self-indulgence. You have fattened yourselves in the day of slaughter. You have condemned and murdered innocent men, who were not opposing you...” (James 5:1-6)**

After the last words of the Heavenly Judge, the chained woman was tightly caught from the left and from the right by God’s angels. They raised her and moved her out of the presence of the Judge. After that, the fiery lake, burning with sulfur, appeared in front of my eyes. It has large waves of fusile lava, which was boiling and sprinkling aside. Thousands of people were swimming in the waves of this lake. They were horribly screaming and their bodies were smoking because of the fire; however, they were not dying, so that their suffering was endless. The injuries, made by the lava, were superficial, like eternal sores and blisters, which would never be healed. Here, the Lord’s angels threw the Pilate’s wife in the middle of the lake. Then, she gave a terrible cry, her dream cease and the vision stopped.

In the next moment, I could again see the Pilate’s wife. She had just woken up and was puzzled with the horror of her dream. So, she was wiping her face, sweaty with tension, with her tremulous hands...

Lord Jesus made the vision stop and asked me:

**“Now, did you understand the woe, which came from the Heavenly Judge into the dream of the Pilate’s wife?”**

“Yes, Lord Jesus! For, the words of Father were words from the message of Your Apostle James. They made me comprehend that the woe was not intended for a woman in flesh, but for woman in spirit. For, if once, Pilate was a personification of the worldly spirit and the power of Rome, then, the Pilate’s wife must be the worldly church. For, the worldly church exactly is that one, who kills and condemns You today; that one, who pierces and crucifies You now, for the sake of the treasures and wealth, which the devil gives her. Here such is the prophetic warning, which You have commanded James to leave for the generations...”

Then, Lord said:

**“Do you see now how covered and hidden from the human eyes the Word of My Father is? Do you see and comprehend now that worthy for the Heavenly Judge and the gold thrones of before His law court will only be those, who are not condemned as the Pilate’s wife was? For, the dream of the Pilate’s wife is the Prophetic warning of the Heavenly Judge against all those, who want to be wives of the worldly spirit, instead of virgins of the Bridegroom. And, if all these things have happened in the dream of the Pilate’s wife once, now, the time is soon coming, when the Eternal Judge will make them happen in open. For, the men of today, possessed by the devil, are crying now the same as the men of the past were crying, too. The men of today prefer Barabbas to Christ, too. The present “Pilates” also wash their hands in order to calm their “innocence”. However, how many of them know that, if they do evil to the Righteous One, they will be repaid by My Father? How many of them know that there are not empty words in My Word, but there are rather lots of empty hearts? How many of them know that the time put you closer and closer to the vision, seen by My Apostle John? Since, he wrote for all of you:**

**“I saw thrones on which were seated those who had been given authority to judge. And I saw the souls of those who had been beheaded because of their testimony for Jesus and because of the word of God. They had not worshiped the beast or his image and had**

**not received his mark on their foreheads or their hands. They came to life and reigned with Christ a thousand years..." (Revelation 20:4)**

**Today, the folly and corruption has reached to such extent that all people are afraid of the thrones, which they see, but do not fear the thrones that they could not see. Nobody even wants to think that there is One King, Who rules over the earth kings and judges – the Heavenly King and Judge. Nobody wants to understand that, if the rich men summon in law courts My poor men, aiming to discredit their good name, then, there will surely be a moment and hour of one other judgment place – place, where neither money, nor pulling strings, nor the authority, nor threats or bribes have any power. It is a judgment place, where My Father and I will give to the men, pointed by Heaven, to seat on the Heavenly thrones, in order to do the written fates again the whole wickedness. I am saying now and everybody, who has ear, let him hear:**

**Follow My servant in the visions, which I am going to give him. In the word of this prophetic book, I will reveal you who are the men, pointed by the God's hand to sit on the golden thrones. If anyone wants to reign with Me in My thousand-years Kingdom, let him be attentive in My words. For, you will either be the Bride of the Bridegroom, or you will be found to be like the wife of Pilate..."**

After His last words, Lord stretched His hand to my head and a moment later, I felt how my heart was filled with the Power of That Splendid Spirit, Who searches the deep things of God.

I wish, my brother, you would kneel before the Heavenly Judge and allow to His words to purify and enlighten the whole your heart. For, the prince of this world is condemned. Together with him, condemned will be all those, who open their hearts for the greatest abomination and curse – to be spiritually united to the governor of the last Rome, who dares to kill the Righteous One and to wash his hands in the waters of his own haughtiness and exalting.

## **1. THE VISION WITH THE THRONES IN THE HEAVENLY JERUSALEM**

My dear brother! My faithful friend!

For the last years of my communication with Lord Jesus, I understood that nothing could raise the heart and fill the spirit, as the God's visions do that. It is possible for a man to visit his earth church for years; however, it will not be of any use to him, unless he infuses his spirit and heart into the Heavenly Church of God. It is possible for a man to listen to the parrot lessons of his earth pastor, but it will not be of any use to him, unless he gets used to listening to the Voice of the Heavenly Shepherd. I bless my Heavenly Shepherd, because He taught me to follow His Voice. I am raising my hands to That One, in Whose heart there are much wealth than the treasures of the whole world. By all my heart, I entreat you to follow Him in the visions of this book. Here, lots of secrets will become evident and many hidden things will be opened. Now, let me tell you how the God's benevolence upon my heart kept pouring out. Jesus was again next to me. He told me:

**"Let Me raise you at My place now! For, I want to show you the gold thrones of the Millennium. The thrones are intended for those, whom are given to judge..."**

After His words, Lord raised my spirit and heart to the Heavenly Jerusalem. Then, the memories and visions from the previous book, in which Jesus had revealed to me the Lights of Zion, emerged in my mind. Therefore, I asked Him:

"Lord, in the visions about the Light of Zion, you already showed me the thrones, did not You? I saw them just in the bliss, intended for those, who have been persecuted and abused because of Your Righteousness..."

**"That is right, My boy! You really saw them. Now, however, you have to see much more than before. Now, you have to see who will exactly be the objects of the God's Choice and foreknowledge. Therefore, let us enter the Palace of Holiness, so that you might see again the gold thrones..."**

After His words, Lord took out of His mantle again a bowl with oil, which He poured upon my head, so that great reverence and admiration before God and Father rushed into my heart. A moment later, the doors of the Palace opened in front of us and Lord and I entered inside. Then, I saw the thrones. They were perfect thrones, made of pure gold, which was shining and reflecting the God's Glory. Over the thrones, there were crowns; under the crowns, there were judicial togas, and next to the togas, there were scepters. Here, Lord stretched out His hand to one of the gold thrones. After that, he told me:

**"Can you see what My hand is pointing? Can you see the gold crown, and next to it – the toga and the scepter?"**

"Yes, Jesus! I can see them..." – I answered and felt how my voice was fading with excitement. Jesus, Who was smiling, said:

**"Everything on this golden throne has been prepared by My Father for those, who He will point to be His judges. Therefore, let Me give you to feel by your heart the vocation of being a judge..."**

After His words, Lord stretched out His hand and caught the scepter. He passed it me and said:

**"Take the scepter, Stefan!"**

I stretched out my hand to the shining scepter and I caught it. In the next moment, such might and power flowed into my spirit that I had a feeling that it was not me, who held the scepter, but the scepter was, which held me. What is more – the Light filled my heart to such extent that I felt how all my thoughts became thoughts of the Light Itself. It was Heavenly Righteousness, Perfect Justice and a burning desire to submit everything to the God's Truth. Then, I heard myself say:

**"Your throne, O God, will last for ever and ever; a scepter of justice will be the scepter of your kingdom. You love righteousness and hate wickedness..." (Psalms 45:6-7)**

Jesus, still looking at me with His shining face, said:

**"Everybody, who holds this scepter, has loved Righteousness and hated wickedness. This is the scepter, by which Lord your God calls you to Himself. Therefore, extend this scepter to the earth now and see how My Father will confirm it by His Power..."**

I listened to the words of Jesus. So, I caught the scepter and extended it to the earth. Then, a ray of Light came out of the scepter, and the words of Heavenly Father came like waves to my heart. He was telling Jesus:

**“Sit at my right hand until I make your enemies a footstool for your feet. The LORD will extend your mighty scepter from Zion; you will rule in the midst of your enemies. Your troops will be willing on your day of battle. Arrayed in holy majesty, from the womb of the dawn you will receive the dew of your youth. The LORD has sworn and will not change his mind: “You are a priest forever, in the order of Melchizedek.” The Lord is at your right hand; he will crush kings on the day of his wrath. He will judge the nations, heaping up the dead and crushing the rulers of the whole earth...” (Psalms 110:1-6)**

So, while I was listening to the words of Father to the Son, I fell on my knees. I embraced Jesus’ feet and I cried:

“Lord Jesus! This is a scepter for judgment. This is the might of Your judges. And Your youths will surely gather at You...”

Jesus replied:

**“Go and tell My Church that the time of judges comes. Go and tell all people, who hear My Voice that the words of My Heavenly Father, which He appeared through His prophet Isaiah, stand before His look today:**

**“Therefore the Lord, the LORD Almighty, the Mighty One of Israel, declares: “Ah, I will get relief from my foes and avenge myself on my enemies. I will turn my hand against you; I will thoroughly purge away your dross and remove all your impurities. I will restore your judges as in days of old, your counselors as at the beginning. Afterward you will be called the City of Righteousness, the Faithful City.” Zion will be redeemed with justice, her penitent ones with righteousness. But rebels and sinners will both be broken, and those who forsake the LORD will perish...” (Isaiah 1:24-28)**

**As to My people, who gather at Me now, arrayed in Holy majesty, you are to see them now. However, lay aside the scepter and take the toga of the Heavenly judge, by putting it on your shoulders...”**

I left the scepter next to the golden throne and I stretched my hands to the toga. It was a splendid sky-blue mantle, along which interwoven threads, Heavenly rays were running. Jesus took the toga from my hands, waved it with ease and laid it upon my shoulders. Then, I felt that a miracle happened to me - even if it was not a gown, but wings of a dove. They were raising the spirit in such a way that they succeeded in holding it in the Holiness of Father and purity of His servants. It was a peculiar state - a state of rising up and lowering down. For, every rising to Father's place made the heart bow before Him and fall down low in His feet. So, while I was under the bliss of the very toga, Lord told me:

**"Go and tell all churches and believers that the time is now, when they have retreated from justice and have forbidden the Lord's Truth to come through the entrance of the Temple. The Temple is full with those, in whose hands there are bribes and whose hearts are filled with malice. If anybody is blind yet, and can not see; if anybody is deaf yet, and can not hear; let him see Me now and let him hear what My Word talks exactly about this situation:**

**"So justice is driven back, and righteousness stands at a distance; truth has stumbled in the streets, honesty cannot enter. Truth is nowhere to be found, and whoever shuns evil becomes a prey. The LORD looked and was displeased that there was no justice. He saw that there was no one, he was appalled that there was no one to intervene; so his own arm worked salvation for him, and his own righteousness sustained him. He put on righteousness as his breastplate, and the helmet of salvation on his head; he put on the garments of vengeance and wrapped himself in zeal as in a cloak..."**

**(Isaiah 59:14-17)**

**Here, I command you:**

**Stretch out your hands to the cloak of the God's zeal! Extend your hands to the togas of the God's Holiness! Only in this way, you will show that you long for the gold thrones of Millennium. For, how otherwise could I restore those, who have retreated, except for by the activity of men, full with My righteousness and My zeal? By what else**

**could I restore you, but by the enlightened lips, who would cry to the perishing people:**

**The devil, who is condemned, already condemns you! Since, you loved his ways and extended your hands to his spoils!**

**The devil, who is doomed, he made you be doomed! For, the consequence of your deeds is a doom, and not Eternal Life!**

**The devil, who is convicted, he incites the earth judges and gathers the rulers together against the Lord and against His Anointed One. So, you stigmatize the God's messengers and reject every their appeal for repentance.**

**Therefore, with the measure you use, it will be measured to you! In the same way you judge others, you will be judged!"**

After His last words, Lord turned again at me and said:

**"Now, let me show you the crown of the judges. For, that one, who holds a scepter of Righteousness and who puts on a cloak of Holiness and zeal, he will surely have a crown of the God's Glory, too..."**

After His words, Lord stretched out his hand to the gold throne. He took the crown from it, turned at me and laid it over my head. Then, something splendid happened to my heart. I felt the greatest flush of wisdom and reason I had ever felt in my life. And the miracle of wisdom and reason had made my look to be different. If at the normal sight, the eyes see what they are looking at, then, by this crown upon the head, the eyes could see behind what they were looking at. So, they were not answering to the questions: "Which?", "Where" or "What", but they could find the perfect answer to the question "Why?" It was miraculous for me. These were one perfect microscope and a telescope, gathered together, by which the judge had an access to the height, weight, length and depth of the Christ perfect wisdom. Smiling, Jesus told me:

**"Can you clearly understand the words of Solomon now? Can you better comprehend His advice? Since, His words declare:**

**"Get wisdom, get understanding; do not forget my words or swerve from them. Do not forsake wisdom, and she will protect you; love her, and she will watch over you. Wisdom is supreme; therefore get wisdom. Though it cost all you have, get understanding. Esteem her, and she will exalt you; embrace her, and she will honor you. She**

**will set a garland of grace on your head and present you with a crown of splendor..." (Proverbs 4:5-9)**

**Behold, I say through My servant:**

**Look for My understanding! Seek My wisdom! Leave folly and you will live! Raise Me in your hearts and I will raise you, too! For, all men, who are in love with the God's wisdom and His reason, will surely pay the worth, so that I might realize in their life the written word about My second coming on the earth:**

**"In that day the LORD Almighty will be a glorious crown, a beautiful wreath for the remnant of his people. He will be a spirit of justice to him who sits in judgment, a source of strength to those who turn back the battle at the gate..." (Isaiah 28:5-6)**

The words of my Lord made me understand that the scepter, the cloak and the crown, they all were appearance of His Splendid Spirit. For, He promised through His prophet Isaiah to be exactly this – a glorious crown, a beautiful wreath and a spirit of justice for that one, who has sat to judge on the gold thrones of Millennium. While my heart was triumphant with the pleasant thoughts, Lord told me again:

**"After having I laid in many people the longing for the gold thrones of Millennium, now, let Me show them through you which judges have been objects of My benevolence and which ones My Heart will deign in from now and forever. For, they are the chosen ones, pointed by My Father and God..."**

## 2. THE VISION WITH THE MEN OF NINEVEH AND THE QUEEN OF THE SOUTH

My brother! My faithful friends!

I want for you to know and to confirm in your heart the splendid truth that, sooner or later, every wicked deed will be repaid. The world we live in, our eyes examine one sorrowful view, an illustration of the human folly and weakness. They see a picture, which reveals us the terror from corruption and wickedness every day. This terror is not anything else, but the temporary impunity of the devil's servants. In His Mercy, God has given us a way to Heaven. He has inspired us through His servant Jacob, who saw the Heaven open and the God's angels, climbing up and down the stairs of Holiness. In the same way, the God's adversary Satan has invented a stair of abomination. Those, who are climbing these stairs, obey the rule that, the more they bow before Lucifer, the more unpunished they will be in doing their abominable deeds. So, you will surely notice that, if anybody has taken the way of sin, the lower he is on the Lucifer's stairs, the more unprotected He is from the retribution of the earth law courts. At the contrary – the greater the evil, which he has done to the other men is, the greater the protection of the devil over his life becomes. For, this fallen cherub makes his own choice. He likes those servants of lie and wickedness, by who he could kill the Good in the hearts of the greater possible number of men. Then, is there anything strange that some assertions have found a place in the mass awareness and social reason? For instance:

“For millions, there are no laws; for a hen, there is no forgiveness!”

For, when anybody has reached to the situation to steal because of his poverty and miserable existence, if he has only done that in order to cover his needs, the judge is always unmerciful to such man. Then, the earth judicial system initiates a trial against this criminal and convicts him as an example to the others. However, when another man has unrighteously gained millions only by a signature or bribe, then, the earth justice becomes very merciful to the corrupted man. For, judges are also men, are not they? They are also men, whose salary does not probably respond to their needs; men, who would

willingly close their eyes for the lawlessness, so that they might quickly solve lots of the problems in their life. Here is, my brother, the insidious role of the temptation; this temptation, about which Solomon wrote:

**“When the sentence for a crime is not quickly carried out, the hearts of the people are filled with schemes to do wrong...”**

Then, what do you think? If the sentence for the wicked deeds is not quickly carried out, is the God’s Word only take into consideration the wicked deeds of the world here? And what about the wicked deeds in the Church? What about the merchants in the Temple? What about the hypocrites, careerists, sorcerers, hirelings, the men with patronage, and all those, who have turned the Name of Jesus into a formula for career, instead of a Source of Salvation and Eternal Life? What about those, who do not steal TV-sets and cars, but the comfort and piety of the human soul? Do you know how many people leave the Temple, because the man on the pulpit is further from Jesus, than the more hardened in his heart Gentile? Do you know how many people secretly wipe their tears, when they see how their gifts and tithes have been used for the allowance of any pastor’s daughter in a celebrated university abroad? Why are these men so afraid that they do not want to expose the evident evil? Obviously, they are afraid of the human judgment of abusers and theologians, who, without any hesitation, would announce to be “non-doctrinal” everybody, who wants to follow Jesus with pure thoughts and without any compromises with faith and conscience.

I have splendid news for you, my dear brother! I am sent by Lord Jesus to tell you that the time has come for you to begin to see. The time has come for you to see the words of the God’s servant, who has written:

**“And I saw something else under the sun: In the place of judgment - wickedness was there, in the place of justice - wickedness was there. I thought in my heart, “God will bring to judgment both the righteous and the wicked, for there will be a time for every activity, a time for every deed...” (Ecclesiastes 3:16-17)**

Notice, my brother, God brings to judgment first the righteous, and then – the wicked! For greater assurance – remember what Apostle Peter warned you:

**“For it is time for judgment to begin with the family of God; and if it begins with us, what will the outcome be for those who do not obey the gospel of God? And, “If it is hard for the righteous to be saved, what will become of the ungodly and the sinner?” So then, those who suffer according to God's will should commit themselves to their faithful Creator and continue to do good...” (1 Peter 4:17-19)**

Here in this thing – to commit yourself to your faithful Creator, to suffer according to His Will and continue to do Good – exactly in this, Lord Jesus revealed to me the Father's criteria in the first choice of His judges. For, the God's Judge comes not only to judge or convict.

THE GOD'S JUDGE COMES TO SIFT OUT THE FAITHFUL AND WORTHY, WHO WILL SIT ON THE GOLD THRONES OF MILLENNIUM! FOR, JUDGE MIGHT ONLY BECOME THAT ONE, WHO HAS BEEN TAUGHT IN THE GOD'S JUDGMENT PLACE!

If you have been taught in earth law court, you will become an earth judge. However, if God has been teaching you and has found you to be approved, then, you will become a Heavenly judge. In this line of thoughts, born in my heart by the touch of the God's Grace, Jesus was again next to me. So, He told me:

**“My Father really brings to judgment both the righteous and the wicked. But the superiority of His Choice is in the fact that He brings to judgment first the righteous, so that he might choose judges according to His Heart amidst them. Then, tell Me: Where in My Word have I left you the example, by which you should be taught in the God's Judgment? For, if anybody has been taught in the God's judgment place, he will grow to be a judge; but, if such man tries to escape the God's judgment, it is due to his wickedness...”**

I was listening to the words of my Lord and they seemed to me well-known. Therefore, I answered:

“Jesus! You have left to us Your Perfect words in the Gospel. You're Apostle John also showed us what the God's Judgment place was like, when he wrote the words, pronounced by Your mouth. In the Gospel by John, You tell us:

**“For God did not send his Son into the world to condemn the world, but to save the world through him. Whoever believes in him is not condemned, but whoever does not believe stands condemned already because he has not believed in the name of God's one and only Son. This is the verdict: Light has come into the world, but men loved darkness instead of light because their deeds were evil. Everyone who does evil hates the light, and will not come into the light for fear that his deeds will be exposed. But whoever lives by the truth comes into the light, so that it may be seen plainly that what he has done has been done through God...” (John 3:17-21)**

**“Then, see My words and comprehend them! For, this is exactly the test of the God's Judgment. If anybody believes in Me, he is not condemned, because the God's judgment has already justified him. However, if anybody does not believe in Me, he is already convicted. I wish My words became clearer for you. Therefore, I told you that whoever would believe in Me, would come into the Light, so that it may be seen plainly that what he would do would be done through God. But whoever does not believe in Me, he loves darkness instead of Light because his deeds are evil. Tell Me then: Are not there so many people, who declare that they believe in Me? Is not this the reason for the world to call itself “Christian civilization”?”**

“Lord Jesus! Most people, who consider themselves to be Christians, believe that this is a debt to the tradition of their forefathers. They do not call themselves Christians in order to follow You, but do it, in order to observe the traditions...”

**“And, what will happen to such men, when My Father tries them with the test of Light? Then, will not their faith be considered as unbelief, and their traditions – as abomination before the God? However, if you surely want to understand what the test of the God's judgment is, look better at My Word and tell Me where I clearly pointed who the men, approved by My Father, were...”**

The Light in the words of my Lord was so powerful that, without any effort, I could see His words in the Gospel. So, I told Him:

“Here, Lord! Here, You declare to the Pharisees and teachers of the law:

**“The men of Nineveh will stand up at the judgment with this generation and condemn it; for they repented at the preaching of Jonah, and now one greater than Jonah is here. The Queen of the South will rise at the judgment with this generation and condemn it; for she came from the ends of the earth to listen to Solomon's wisdom, and now one greater than Solomon is here...” (Matthew 12:41-42)**

**“So, as you see, the men of Nineveh will not only stand up at the judgment with this generation, but they will condemn it! And those, who stand in judgment, are not they judges? In the same way, the Queen of the South will rise at the judgment with this generation and will not only be judging it, but will condemn it... Does not all this show you that My Father and I have seen the judges, who will sit on the gold thrones, long ago?”**

“Yes, Jesus! Even to Your apostles, You gave to be judges. You told them:

**“I tell you the truth, at the renewal of all things, when the Son of Man sits on his glorious throne, you who have followed me will also sit on twelve thrones, judging the twelve tribes of Israel...”**

**(Matthew 19:28)**

**“That is right, My boy! However, the world is not only Israel. And, if Israel has its judges, pointed by the God, there will be God's judges over the rest people, too. They will exactly be those, who I have already showed you, namely – the men of Nineveh and the Queen of the South. So, think over My words in “The Revelation”! Think how Lord your God was talking about Himself:**

**“I am the Alpha and the Omega, the First and the Last, the Beginning and the End...” (Revelation 22:13)**

**And, if your Lord is Alpha and the Omega, will not His first words become last, too? Will not what he has talked in the Beginning, be confirmed at the End, too?”**

“Of course that it will be confirmed, Lord!”

**“Then, think over the men of Nineveh! For, I warned that they would rise at the judgment with this generation and would judge it. Do you think that I only had in mind those, who had repented by the Jonah's preaching once?”**

"No, Jesus! In Your words, you told Your listeners:

**"And now, one greater than Jonah is here..."**

If You, Lord, are doubtless greater than Jonah, if Your words are greater than Jonah's preaching, this means that You have seen in the men of Nineveh something more than history and antiquity..."

**"That is right, My boy! I saw that the Choice of My Father was eternal and inviolable. In the Day of Judgment, the judges on the golden thrones will surely be the men of Nineveh and the Queen of the South. For, if there were men of Nineveh once, there are such men now, too. If there was Queen of the South once, there is Queen of the South now, too. Therefore, let Me give you the vision with the men of Nineveh now, and then, with the Queen of the South, so that all My people might understand why the Choice of My Father is eternal and inviolable. So, you will know Me as Lord, Who is Alpha and Omega, Beginning and End..."**

After His last words, Lord stretched out His hand to me and touched my head. Then, a vision appeared in front of my eyes. I could see Prophet Jonah, who had put on sackcloth. He was walking along the streets of Nineveh and he was crying:

**"Forty more days and Nineveh will be overturned..." (Jonah 3:4)**

Here, I saw in this vision how the Lord's Light shone over the God's Prophet, so that, wherever he was passing by, the Light was touching the men. Then, their hearts changed. For, they were listening to the word of the prophet and looking at the sackcloth he had put on, and they fell on their faces. After that, they were raising their hands to God and Father and were crying:

"Forgive us, Father! Forgive us, God! Since, we had not know what Light was, neither were we able to see Your Truth. However, we repent in sackcloth and ashes now. We come back from our crooked way and we turn back from the wickedness that is in our hands. Have Mercy on us! Turn aside Your furious anger, according to Your great Kindness and Mercy, by which You have visited us!"

I was still looking at the mass repentance, taken place among the inhabitants of Nineveh, when Lord approached me and told me:

**“Do you see what words Prophet Jonah told the inhabitants of Nineveh? Do you see how he warned them?”**

Yes, Lord! Jonah told them:

**“Forty more days and Nineveh will be overturned...”**

**“And what is this city of Nineveh? Is not it the capital city of Assyria? And Assyria, is not it a symbol of that lawless kingdom, which takes place on the earth, a moment before the coming of the man-Antichrist?”**

“Yes, my Lord! That is right! Led by Your Perfect Grace, I knew about Assyria and its king, who would be defeated by the breath of Your mouth...”

**“And this king of Assyria, does not he give his people authority as kings for one hour?”**

“Yes, Jesus! The Revelation talks exactly about this appearance of Antichrist:

**“The ten horns you saw are ten kings who have not yet received a kingdom, but who for one hour will receive authority as kings along with the beast...” (Revelation 17:12)**

**“Can you understand now why the God’s Prophet declares in this vision:**

**“Forty more days and Nineveh will be overturned...”?**

**And if with Me, one day is like a thousand years, and one hour like forty years, do you understand then that there is really one last Nineveh, in which My Father will send His servants, the prophets? For forty years, Lord will keep His faithful remnant out of this Nineveh. The last men of Nineveh are namely this God’s remnant. They will be the judges on the gold thrones, who will be judging the devil’s generation for all its wicked deeds and thoughts.**

**Therefore, I say to all of you; whoever has ear, let him hear! Let him fall on his knees and accept My words in his heart:**

**I have been pouring out word of Salvation through My servant for so long! And nobody will have justification in the Day of Judgment that he has not understood or comprehended the signs of the times. For, the forty-year wickedness of Babylon is lasting now. In the same time, the forty-year pouring out of My Holy Spirit and His last appearance in**

**the God's servants, the prophets, is continuing, too. Blessed are those, who are found to be like the inhabitants of Nineveh, who submitted to the prophetic appeal and repented from the wicked deeds of the Babylon's churches. I will raise such men like judges on the gold thrones of My Millennium. As to the final Will of My Father, He will no longer send His prophets to the invited ones, nor will he more expose them. However, He will do His second sign, by which he will find and raise the Queen of the South. So, everything, which Lord Alpha and Omega has pronounced in His Word, will become true..."**

After His last words, Lord made the vision with Prophet Jonah stop and touched again my head, so that other vision appeared in front of my eyes.

I could see one splendid Temple, shining as the Sun. He was raised on a high mount. The whole building on this Mount was made of smooth stones, whose exquisiteness was striking the senses. Then, my Lord appeared in front of the Temple. He opened the doors of the Temple; then, He turned at me and told me:

**"Look at the signs I am going to do now! For, you all should understand them..."**

After His words, Lord came into the Temple. He opened the windows of the Temple, and the powerful rays of the God's Light shone like mighty searchlights. So, the Lord's Light began to touch the distances on the earth and the most remote earth places. I have never seen before so remarkable appearance of the God's Truth. Mighty rays were coming out of the Temple; they were enlightening every place on the earth, which the Spirit of God would point them. Here, people, touched by the God's Light, began to come to the God's Temple. They were coming with the whole their possessions and household. Very soon, the Temple was surrounded by many people. They all were singing "Alleluia". After that, they were kneeling before the Temple and telling Lord Jesus:

"Merciful Lord! We have come from the ends of the earth to worship to Your Temple! We pray You, transform us! We pray You, enlighten us! We pray You, make us as light, as light the ray, by which You visited our hearts, is..."

Smiling, Jesus pointed at the people, gathered around the Temple, and said:

**"I tell you the truth. Many will come from east and west, touched by the rays of the God's Prophetic Spirit, but the children of the Kingdom will be thrown in the outside darkness. For, if the Queen of the South came from the ends of the earth once, in order to hear the Wisdom of Solomon, then, the last men, who the Lord's Light will attract at itself, will receive One, Who is greater than Solomon. For, Solomon built the God's Temple on the Mount Moriah with smooth stones, dressed at the quarry, and no hammer, chisel or any other iron tool was heard at the Temple site while it was being built. Now, I will gather My people on the same this Mount through the deed of My prophets, and I will give them no only the Temple, but That One, Who sanctifies It.**

**FOR, THAT ONE, WHO REIGNS IN ZION, ON THE UTMOST HEIGHTS OF THE SACRED MOUNTAIN, IN THE SIDES OF THE NORTH, HE WILL SURELY LOOK FOR THOSE, WHO ARE IN THE SIDES OF THE SOUTH, IN THE UTMOST DEPTHS, SO THAT WHAT IS HIGHEST WILL SEEK THE DEEPEST!**

**Then, everybody will understand what My Heavenly Father has had in mind, when He has commanded in His Holiness:**

**"Do not be afraid, for I am with you; I will bring your children from the east and gather you from the west. I will say to the north, "Give them up!" and to the south, "Do not hold them back." Bring my sons from afar and my daughters from the ends of the earth - everyone who is called by my name, whom I created for my glory, whom I formed and made." Lead out those who have eyes but are blind, who have ears but are deaf..." (Isaiah 43:5-8)**

**Behold - the time is now, when many will come from the earth ends, like the last Queen of the South.**

**The time is now, when My Father commands to the North: "Give them up!"**

**And Zion gives up his captives!**

**The time is today, when My Father commands to the South: "Do not hold them back!"**

**Then, the world can not hold those, who God has foreknown and predestined to be His judges!**

**The time is today, when the blind men have eyes, and the deaf ones have ears. The God's Power will appear to them, because they have not considered themselves to be seeing and hearing.**

**The time is now, when the seeing men have become blind, and those, who can hear have become deaf. The God's Judgment will fall upon them, because they have considered themselves to be seeing and hearing.**

**If anybody has not understood what I am speaking now, let such man remember My words! Let him remember that Lord promised for the last ones to become firsts, and for many firsts to become lasts. If the Queen of the South came from the ends of the earth to hear the Wisdom of Solomon, the present men, who come from the ends of the earth, have more than Solomon had once! The Queen of the South would not be a queen unless she had in her heart the King Himself! Therefore, I will give them Myself! I will put on them the Heavenly mantles and will give them the scepter of righteousness..."**

After His last words, Lord turned to the redeemed men in the vision itself. He stretched out His hands to them, and instantly clothed them in Heavenly Light and perfection. Then, all men in the vision rose to Heavenly Jerusalem. And Jesus, Who stood at the God's Palace of Holiness, cried:

**"My Father and My God! You, Who Are the Most High Judge over the whole earth! Your jealousy, O, God of Righteousness, confirmed the thoughts of Your Heart and Your mighty hand redeemed people out of all generations and tribes, to be decoration of Your Eternal Power and judges on Your Eternal thrones!**

**Here are, My Father, the men of Nineveh, who will stand up at the judgment with this generation and condemn it!**

**Here is, My Father, the Queen of the South, who was found and redeemed by Your jealousy from the ends of the earth. She will also rise at the judgment with this wicked generation and condemn it!**

**Here is, My Father, Your prophet, whose heart saw and declared Your Will about the gold thrones of Millennium..."**

After the words of the Lord, the doors of the Palace opened. Then, the Heavenly judges fell on their faces. So did I, together with them. And the Voice of Father resounded in the space of Heaven, saying:

**“Son of Man! Go and tell My Will all over the earth! Go and tell churches and believers that the time of My judge comes! Go and tell everybody that My Son and the judges, chosen by Me, will not judge the evident, but the secret deeds of the men! If My Light has been in the world, and the men have loved darkness more than Light, the condemnation over such men will be full! However, if My Light has been in the world and the men have stepped to It, in order to purify their thoughts and to repent in their hearts, then, My Paternal Choice will come over these repented and restored in My Righteousness people! They will be My judges from now and forever!**

**I pronounced it! I stopped it!”**
